[A Picture Book of Jesse Owens](#) David A. Adler 2019-05-14 Before Usain Bolt or Tyson Gay, Bob Beamon or Carl Lewis, Jesse Owens was perhaps the greatest and most famous athlete in track and field history. Jesse Owens was born on a farm to a large family with many siblings. His grandparents had been slaves, and his sharecropper parents were poor. But against all odds, Jesse went on to become one of the greatest athletes in history. He learned to run with such grace that people said he was a "floating wonder." After setting multiple world records as a college athlete, including three in less than an hour—"the greatest 45 minutes in sport"—Owens competed in the 1936 Olympics in Berlin. Adolf Hitler intended for the games to display Aryan superiority, but Jesse disrupted that plan. He became the first American track-and-field athlete to receive four Olympic gold medals and established his legacy as a hero in the face of prejudice. This child friendly entry in David A. Adler's well-known series contains an accessible mix of biography, facts, and history supported with lifelike illustrations. Back matter includes an author's note and a timeline. For almost thirty years, David Adler's *Picture Book Biography* series has profiled famous people who changed the world. Colorful, kid-

friendly illustrations combine with Adler's "expert mixtures of facts and personality" (Booklist) to introduce young readers to history through compelling biographies of presidents, heroes, inventors, explorers, and adventurers. These books are ideal for first and second graders interested in history or who need reliable sources for school book reports.

The Moonlight Man Paula Fox 2016-06-28 Newbery Medal-winning author Paula Fox's gripping and sensitive portrayal of a teenage girl who discovers her father is not the man she thought he was. When Harry suggests a month-long stay with him at his summer cabin in Nova Scotia, Catherine is thrilled. Finally she'll have the kind of relationship with her father that other girls at school have with theirs. But the bright summer quickly darkens. Harry drinks—a lot. The more Catherine witnesses his drinking, the more she begins to hate him. Only, Catherine can't help but love him too. A travel writer with a poet's tongue, Harry is clever and exciting, and tells wonderful stories—until he drinks again, and the playful father that takes her on picnics becomes someone dark and frightening. How can the man she grew up wishing to be close to seem so far away? And how can Catherine bring him back to her? A School Library Journal Best Book of the Year, *The Moonlight Man* is a lyrical and emotional account of love, acceptance, and the difficult lessons of growing up.

**The Wide Window** Lemony Snicket 2012-09-01 There is nothing to be found in the pages of *A Series of Unfortunate Events* but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasanties befall the charming and clever Baudelaire children read on . . . In *The Wide Window* we encounter a story that includes a hurricane, a signalling device, hungry leaches, cold cucumber soup, a horrible villain and a doll named Pretty Penny. With 5 million copies sold in the UK alone, one might consider Lemony Snicket's *A Series of Unfortunate Events* to make him one of the most successful children's authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake.

*Shiverton Hall* Emerald Fennell 2013-01-22 They slowed as they reached the gate; two stone columns, each with its own crumbling angel perched on top. The angels held up a rusty, wrought-iron arch that read, in curling, serpentine letters: SHIVERTON HALL. Arthur Bannister has been unexpectedly accepted into Shiverton Hall, which, as it turns out, is an incredibly spooky school, full of surprises. And it is just as well that Shiverton Hall has made its offer, because Arthur had a horrible time at his previous school, and was desperate to leave. Timely indeed . . . But Arthur has no time to worry about the strange coincidence. He is too busy trying to make head or tail of Shiverton Hall, dogged as it is by tales of curses and bad fortune. At least there

And then there is the acid tongue of the headmistress, Professor Long-Pitt, who seems to go out of her way to make Arthur's life a misery. Luckily Arthur has his new friends to cheer him up. Although there are some friends that you don't want to have at all, as Arthur is soon to find out.

Harry Potter and the Cursed Child J. K. Rowling 2017-07-25 The official playscript of the original West End production of Harry Potter and the Cursed Child. It was always difficult being Harry Potter and it isn't much easier now that he is an overworked employee of the Ministry of Magic, a husband, and father of three school-age children. While Harry grapples with a past that refuses to stay where it belongs, his youngest son Albus must struggle with the weight of a family legacy he never wanted. As past and present fuse ominously, both father and son learn the uncomfortable truth: sometimes, darkness comes from unexpected places. The playscript for Harry Potter and the Cursed Child was originally released as a 'special rehearsal edition' alongside the opening of Jack Thorne's play in London's West End in summer 2016. Based on an original story by J.K. Rowling, John Tiffany and Jack Thorne, the play opened to rapturous reviews from theatregoers and critics alike, while the official playscript became an immediate global bestseller. This revised paperback edition updates the 'special rehearsal edition' with the conclusive and final dialogue from the play, which has subtly changed since its rehearsals, as well as a conversation piece between director John Tiffany and writer Jack Thorne, who share stories and insights about reading playscripts. This edition also includes useful background information including the Potter family tree and a timeline of events from the wizarding world prior to the beginning of Harry Potter and the Cursed Child.

The volume is suitable for undergraduate or law school courses, and will be of interest to those Harry Potter fans who also have an interest in law and the legal profession.

The Racers: How an Outcast Driver, an American Heiress, and a Legendary Car Challenged Hitler's Best

(Scholastic Focus) Neal Bascomb 2020-10-06 The heart-pounding story of an unlikely band of ragtags who took on Hitler's Grand Prix driver. In the years before World War II, Adolf Hitler wanted to prove the greatness of the Third Reich in everything from track and field to motorsports. The Nazis poured money into the development of new race cars, and Mercedes-Benz came out with a stable of supercharged automobiles called Silver Arrows. Their drivers dominated the sensational world of European Grand Prix racing and saluted Hitler on their many returns home with victory. As the Third Reich stripped Jews of their rights and began their march toward war, one driver, René Dreyfus, a 32-year-old Frenchman of Jewish heritage who had enjoyed some early successes on the racing circuit, was barred from driving on any German or Italian race teams, which fielded the best in class, due to the rise of Hitler and Benito Mussolini. So it was that in 1937, Lucy Schell, an American heiress and top Monte Carlo Rally driver, needed a racer for a new team she was creating to take on Germany's Silver Arrows. Sensing untapped potential in Dreyfus, she funded the development of a nimble tiger of a new car built by a little-known French manufacturer called Delahaye. As the nations of Europe marched ever closer to war, Schell and Dreyfus faced down Hitler's top drivers, and the world held its breath in anticipation, waiting to see who would triumph.
