The Girl with Ghost Eyes M. H. Boroson 2015-11-03 "The Girl with Ghost Eyes is a fun, fun read. Martial arts and Asian magic set in Old San Francisco make for a fresh take on urban fantasy, a wonderful story that kept me up late to finish." —#1 New York Times bestselling author Patricia Briggs It's the end of the nineteenth century in San Francisco's Chinatown, and ghost hunters from the Maoshan traditions of Daoism keep malevolent spiritual forces at bay. Li-lin, the daughter of a renowned Daoshi exorcist, is a young widow burdened with yin eyes—the unique ability to see the spirit world. Her spiritual visions and the death of her husband bring shame to Li-lin and her father—and shame is not something this immigrant family can afford. When a sorcerer cripples her father, terrible plans are set in motion, and only Li-lin can stop them. To aid her are her martial arts and a peachwood sword, her burning paper talismans, and a wisecracking spirit in the form of a human eyeball tucked away in her pocket. Navigating the dangerous alleys and backrooms of a male-dominated Chinatown, Li-lin must confront evil spirits, gangsters, and soulstealers before the sorcerer's ritual summons an ancient evil that could burn Chinatown to the ground. With a rich and inventive historical setting, nonstop martial arts action, authentic Chinese magic, and bizarre monsters from Asian folklore, *The Girl with Ghost Eyes* is also the poignant story of a young immigrant searching to find her place beside the long shadow of a demanding father and the stigma of widowhood. In a Chinatown caught between tradition and modernity, one woman may be the key to holding everything together. It was always difficult being Harry Potter and it isn't much easier now that he is an overworked employee of the Ministry of Magic, a husband, and father of three school-age children. While Harry grapples with a past that refuses to stay where it belongs, his youngest son Albus must struggle with the weight of a family legacy he never wanted. As past and present fuse ominously, both father and son learn the uncomfortable truth: sometimes, darkness comes from unexpected places. The playscript for Harry Potter and the Cursed Child was originally released as a 'special rehearsal edition' alongside the opening of Jack Thorne's play in London's West End in summer 2016. Based on an original story by J.K. Rowling, John Tiffany and Jack Thorne, the play opened to rapturous reviews from theatregoers and critics alike, while the official playscript became an immediate global bestseller. This revised paperback edition updates the 'special rehearsal edition' with the conclusive and final dialogue from the play, which has subtly changed since its rehearsals, as well as a conversation piece between director John Tiffany and writer Jack Thorne, who share stories and insights about reading playscripts. This edition also includes useful background information including the Potter family tree and a timeline of events from the wizarding world prior to the beginning of Harry Potter and the Cursed Child.

Dumbledore knows that, as proclaimed in the Prophecy, the time is approaching when Harry and Voldemort must face each other in a deadly match: "The only one with strong enough powers to defeat the Dark Lord is approaching ... One of the two must die at the hands of the other, because neither can live as long as the other is still alive." The old Headmaster will enlist Harry's help, and together they will undertake dangerous trips in order to try to weaken the enemy, for this the young wizard will have the help of an old potion book that belonged to a mysterious person, someone who calls himself the Half-Blood Prince.
