PRACTICAL HYPNOTISM (Hindi) DR. NARAYAN DUTT SHRIMALI 2015-01-06 This book is a complete study of practical hypnotism. It seeks to explain the science of hypnotism in a simple, straightforward and unambiguous language. The book makes an integral study of the acclaimed ideas and theories of the East. The western thinkers have heavily drawn upon the valuable contemplations of the Indian seers of yore. Having achieved a fine blending of the two strains of scholarship, the book has become a very reliable guide for all types of readership. Dr Shrimali is a widely acknowledged author and his expertise in these fields is beyond any doubt. The readers can immensely benefit from his wide experiences and deep insights. This study is not just academic, but it is equally relevant to all interested sections. The book is enriched with rare discussion of the Indian sadhans and siddhis. In many ways, it brings out the metaphysical findings of ancient Indian seers, and mendicants with firm authority. The study motivates scholars, young and old, to delve deeper into this science for greater accomplishments in life.

Phaldeepika Gopesh Kumar Ojha 2014-01-01 Mantreswar was the greatest astrologer of the 12th century from the South of India. He compiled in Sanskrit the principles of Predictive Astrology propagated by Maharshi Parashar, Jaimini and various other great astrologers in his famous work Phaldeepika. This is one of the best books on Predictive Astrology. It includes the essence of Parashar, Jaimini and many more masters. Four hundred and fifty Yogas of Bhavartha Ratnakar of Shri Ramanuja have been added to benefit the title Phaldeepika; Bhavartha Bodhini. The 28 chapters in the book cover various topics: the characteristics, house divisions, strength of planets, career, various yogas, raja yogas, marriage, children, longevity, periodic influence of planets, the effect of transits and ashtakvargas. The 11th chapter exclusively deals with the nativity of women; the 22nd chapter gives the interpretations and calculation of the Kalachakra dashas. This English edition also includes many horoscopes, tables and a glossary of Sanskrit and Hindi words. The language is easy to understand and even beginners after studying this book for a few months will be able to arrive at the right interpretations and timing of events.

Valmiki's Astropalmistry Sulabh Jain 2018-03-30 The Ramayana was written by Valmiki, a famous monk, astrologer and palmist. He wrote a system of astropalmistry into his classic, and kept the details of his system hidden in plain sight using mythic symbols. This leads to many questions about the characters in the Ramayana that cannot be answered, but become obvious once the code of astrology and palmistry is uncovered. Why did Kumbhakarna sleep for six months at a time? Because this is the period of time that Jupiter stays retrograde. Why was Sugriva the son of Surya (the Sun god)? Because Sugriva's character is a metaphor for the way in which the Sun interacts with other planets in your birth chart and on your hands. The answers to these questions, and many more, are in the pages of this book. You will also learn how to use Valmik's system of astropalmistry to make predictions for yourself and others. It is unique to the other systems of classical Vedic astrology and palmistry and has something new for even the experts in this field. Valmiki's Astropalmistry is a vital book for those interested in Mythology, Astrology or Palmistry.

Chinese Medical Palmistry Zong Xiao-Fan 1995 An introductory guide to the application of this therapeutic technique.

Indian Architectural Theory Vibhuti Chakrabarti 1998 In this ground-breaking study the traditional Indian science of architecture and house-building, Vastu Vidya, is explored in terms of its secular uses, at the levels of both theory and contemporary practice. Vastu Vidya is treated as constituting a coherent and complete architectural programme, still of great relevance today. Chakrabarti draws on an impressive amount of textual material, much of it only available in Sanskrit, and presents several extremely valuable illustrations in support of the theories expounded. Each chapter deals with one architectural aspect, and chapters are divided into three sections. For each aspect, the first section explains the prescriptions of the traditional texts; the second section deals with the rather arbitrary use of that aspect by contemporary Indian architects trained in the western manner but striving to relate to Indian roots; while the last section in each chapter explores the selected use of that particular aspect by contemporary Vastu pundits, with their disregard for architectural idiom

The Art and Science of Hand Reading Ellen Goldberg 2016-02-06 A comprehensive guide to the inner psychology revealed by the hand • Details how to interpret the entire hand--the shape of the palm and fingers, mounts, lines, fingerprints, flexibility, nails, and skin texture • Reveals the personality archetypes, strengths, and weaknesses connected with each of the seven mounts and how the rest of the hand modifies these traits • Explains how lines change and the decisive influence of the person's own mind in healing defects found on the lines Palmistry is a science and a universal language. The hand tells a story about your talents, relationships, health, and how you feel about yourself. It reveals periods of ease or challenge in your life, and it speaks

about your weaknesses and the traits you need to develop. As you change, so do your hands, reflecting the progress you have made. In this comprehensive guide to hand reading, based on Ellen Goldberg's 40 years of teaching palmistry and the Western Mystery tradition, the authors make the powerful insights of the hand accessible in an inviting and user-friendly manner. The book presents the character traits and personality archetypes associated with each of the seven mounts of the palm and shows how to determine which are most influential in the nature of the individual. The mount archetypes reveal the lifestyle, love, sex, and marriage preferences; the best career choices; and the unique strengths and weaknesses for each person. The book also examines other factors that enhance the qualities revealed by the mount types, including the flexibility of the hand, texture of the skin, and the shapes of the fingers, fingertips, and nails. The meaning of each major and minor line is described in detail as well as the influence the person's own mind has in healing defects and obstacles found on their lines. The authors also provide accurate timing guides for each line, making it possible to locate specific events and to see how your lines change over time. Presenting the hand as a guide to self-fulfillment, *The Art and Science of Hand Reading* incorporates correspondences to other mystical sciences such as astrology, Kabbalah, the Hermetic teachings, and archetypal psychology. It also includes practical examples and more than 600 illustrations to show how to integrate the meanings of each part of the hand to form a complete picture of your inner psychology and your ever-changing destiny.

Practical Palmistry Dr. Narayan Dutt Shrimali 2012-04-01 First a little background about the book. The moment this book came out in the market, it became instant bestseller. Learn Palmistry Bharti Anand According to palmist Shastra, human hand is a horoscope which never perishes and Lord Brahma is its creator. The horoscope made by the creator Lord Brahma Contains Solution of every problems in which there is no possibility of any mathematical error. Even the lines on the palm

provide prediction like planets & nakshatra and provide guidelines for the future. Just as two people can not have same destiny, same views and same course of life, in the same way palm lines can't be same for two persons. The great palmist from Paris Disbarsolalas has declared that, if anyone in the world gets me two people with same palm lines and I will make my life's will and wealth on his/her name. Everyone in the world has different lines. This is a definite and a universal fact. Every person has got his or her own destiny&character. Even the twins have some dissimilarities between them. A palmist works like a doctor. A doctor treats the patient and cures his diseases. A palmist treats the mind of the patient which is more complicated than physical cure. Each body part of every human being created by that supreme God has its own special significance and purpose. God has created palm lines to know the life events. That is the reason, finger prints never change but palm lines keep changing at various stages of our life. According to Shastras the first thing one should see in the morning after getting up from the bed is his/her own palm lines. Palmistry is a science, an art as well as a divine knowledge which helps one to understand the path of life. The knowledge of palmistry has been prevalent in Indian society & its boundary since ages. Samudara Rishi was the first one who takes the credit of creating this astrological science in chronological order. So Jyotish Shastra is called Samudrik Shashtra also. The book 'Learn Palmistry' contains history of palmistry, principle to see palm, type and characteristics of hands, type of fingers and nails, different lines of the palm, life line bracelet line, sun line.....,palm lines and nine planets, mudrikas, description of moles, secret of death is hidden in palm lines, palm lines and mental peace, a common description of a womans real palm lines, hand print of Pakistani Prime Minister, hand print of film artist Manoj Kumar... and much more.

A Guide to Palmistry Shanker Adawal There have been innumerable requests for writing a book on Palmistry. The author has written a book that gives the basics of this science. Palmistry has been there from the early ages and we find literature where Sanskrit language has been used in explaining issues of this science in the early Vedic ages. In this book the author has tried to explain the uniqueness of each hand and as to how it helps in deciphering characteristics. In the science of hand reading importance is given to the shape, size, lines and the marks on hand. These have been dealt in details through various chapters in the book. Palmistry is in no way related to the science of Occultism but can be divided into two parts viz the art of reading character from the shape of hands/ fingers and the science of reading the actions and habits. Also it gives an insight of the future if one is able to correlate the shape of the hand with the lines marked thereon. The author has in the various chapters tried to explain various factors like the size, shape,

texture, lines and marks that help in deciphering character and the actions that a person is prone towards. This is a basic book on Palmistry which will be useful reading to all. One could develop on these basics for a greater understanding of the subject.

Ayurvedic Astrology David Frawley 2007

Essential of Horary Astrology Or Prasna Padavi M. Ramakrishna Bhat 1992 This book provides an insight into the importance of astrology viz., natal, electional and horary, as well as deals with other dimensions of this science such as spirituality, spiritualism, Ayurveda, transmigration of souls, thought-reading, dreams, temple and its rituals and effects of particular sins. The work presents new theories and methods of determining success and defeat in contests and wars with the help of illustrative charts. It urges readers to avoid fatalism commonly associated with predictions and explains how one could solve riddles in life and tide over the pessimistic attitude and related psychological problems. The author has thrown fresh light on some questions like the name of the author of Prasnamarga, line of succession of his pupils, and the authorship of the Dasadhyayi. The most significant contribution of this work is the clear exposition of the rules of Astamangala and Devaprasna, in addition to Candragupti (water-divination), martial problems, Coragrahas, Necromancy, special importance of Mandi and Dasa of its star, Kalacakradasa, etc.

Numerology Harish Johari 1990-11-01 For the first time, a Tantric scholar and expert in the Hindu traditions of Ayurveda and astrology presents a system of numerology that combines numerical calculations, astrological data, and an analysis of body type. He illustrates the Vedic Square and the visual patterns that can be derived from it, casting a revealing light on the more esoteric interpretations of numbers and their relationship to one another. Recommendations are given regarding strong and weak periods of day or year, favorable colors and precious stones to be worn, and meditations and mantras to be practiced for health and prosperity. Explains how to determine the psychic number, name number, and destiny number; how these numbers relate to each of the nine planets, and how they apply to every aspect of life--including personality, temperament, intelligence, talents, sexuality, spirituality, finances, travel, and health.

Echoes of Ancient Indian Wisdom Shantha N. Nair 2008 The echoes of ancient Indian wisdom can be heard from the oldest of scriptures that existed many years ago. Even thousands of years before they were written down on palm leaves, the teachings were passed on from generations to generations, from the teachers to the disciples in their oral form. These works are amongst the oldest of humanity. They laid the foundation of one of the most tolerant and diverse religions in the world, the Sanatan Dharma or Hinduism, which is marked by a wide range of ethos and philosophical approaches. Covering the vastness and immensity of the ancient Indian scriptures is akin to capturing a gigantic ocean in a small pitcher. Thus, in this book, the author has tried to catch a few 'echoes' resonating with age-old wisdom and has presented them to the readers. The book unravels the knowledge hidden inside the Samhitas, Brahmanas, Aranyakas and Upanishads of the Shruti that form the Vedas, and in the Smriti like Agamas, Dharma Shastras and so on. In short, it provides a glimpse, or rather a macro view of the ancient treasure of India.

Palmistry For All Cheiro 2013-12-10 Everyone knows that "the face can wear a mask," that a person may be a good actor and put on a certain expression that may deceive even the best judgment. But hands cannot change as the result of a mere effort to please; the character they express is the real nature of the individual—the true character that has been formed by heredity or that has grown up with the person by long years of habit. The characteristics alluded to below are those which may be easily observed and which are aids to a rapid

judgment of character and which I have never before been able to give to the public in such a concise way. The more elaborate details concerning the ultimate success of the person one is talking to, their more intimate character and their future development will be found in their proper place, in this book.
