Levin 1977-07-07 This is a comprehensive clinical resource for addiction counselors who want to learn about the psychological components of the problem, for individual therapists—dynamic, cognitive, and behavioral—who want to understand systems approaches in order to draw on a broader repertoire of useful interventions, and for couple and family therapists who want to learn more about the intrapsychic, biological, and pharmacological aspects of addiction. The Mama Natural Week-by-Week Guide to Pregnancy and Childbirth Genevieve Howland 2017-04-25 From the popular YouTube channel Mama Natural, this is the first week-by-week natural pregnancy book for soon-to-be moms. For the last half-century, control over childbirth has been in favor of doctors. Many pregnancy guidebooks are conventional, fear-based, and written by male physicians deeply entrenched in the old-school medical model of birth. But change is underway. A groundswell of women are taking back their pregnancy and childbirth and embracing a natural way. Genevieve Howland, the woman behind the enormously popular Mama Natural blog and YouTube channel, has created an inspiring, fun, and informative guide that demystifies natural pregnancy and walks mom through the process one week at a time. The Mama Natural's Week-by-Week Guide to Pregnancy and Childbirth is the modern (and yet ancient) approach to pregnancy and childbirth. "Natural" recognizes that pregnancy and birth are normal, and that having a baby is a wondrous biological process and rite of passage—not a medical condition. This book draws upon the latest research showing how beneficial and life-changing natural birth is for both babies and moms. Full of weekly advice and tips for a healthy pregnancy, Howland details vital nutrition to take, natural remedies for common and troublesome symptoms, as well as the appropriate (and inappropriate) use of interventions. Peppered throughout are positive birth and pregnancy stories from women of all backgrounds (and all stages of their natural journey) along with advice and insights from a Certified Nurse Midwife (CNM) plus a Registered Nurse (RN), doula, and lactation consultant. Encouraging, well-researched, and fun, The Mama Natural's Week-by-Week Guide to Pregnancy and Childbirth will be an essential companion for women everywhere to embrace natural pregnancy and reap all the benefits for both baby and mama.

One Week to the Wedding: A Women's Fiction Novel Olivia Miles 2017-06-13 In the vein of New York Times bestselling authors Susan Mallery, Robyn Carr, and Kristan Higgins, comes the first in a new women's fiction novel from Olivia Miles. Sometimes the road to happily ever after takes a few wrong turns... Kate Daniels couldn't be more excited to be planning her best friend's wedding...in theory. Lately, just thinking about gowns and centerpieces makes her want to hide under the covers with her dog and a good book --one that doesn't include a romantic plot, thank you very much. Maybe it's because her fiancé cheated. Or maybe it's because he cheated with her younger sister, Charlotte. Or maybe it's because her newfound reputation as jilted wedding planner isn't exactly doing wonders for her career. Charlotte knows she messed up. Big time. But she also knows something Kate doesn't-something that might bring them close again, if her sister will ever take her calls. But as time passes and silence grows, Charlotte begins to realize she can't hide from her problems forever, and that sometimes the only place to run is home. With the wedding only a week away, Kate expects a few surprises. But what she doesn't expect is to find herself believing...in the strength of family, and the possibility of finding love again.

A Week Till the Wedding Linda Winstead Jones 2012-08-01 Jacob Tasker had broken Daisy Bell's heart years before. Now his failing grandmother had fixated on the delusion that Jacob and Daisy were engaged, and was planning their wedding. So Jacob appealed to Daisy to pretend they were still a couple. For Grandma Eunice's sake, of course. Maintaining the charade was the toughest challenge of Daisy's life. Because Jacob's touch still made her heart ache with longing. But Eunice stubbornly clung to her delusion, so what was Daisy to do? It seemed odd, though, that except for this one aberration, Eunice's mind seemed perfectly fine....
