*Book\_Aus Vani* 2020-10-08 Miss Lily Strathmore has made a desperate bargain. One last adventure abroad with her botanist uncle and his family, and then she will do as her parents bid and wed the proper (and boring) viscount her mother has selected as Lily's ideal husband. James Huntington is on a mission. Retrieve his grandfather's lost journals from the wilds of Tunisia, and win the estate and fortune he so desperately needs. This quest will be the making of him—or his ruin. Thrown together on a botanical expedition, James and Lily's attraction is immediate, and impossible. Despite every reason to keep their distance, the two find themselves inexorably drawn together as they race to reach a hidden valley before their enemies can bring all their dreams crashing down.

*Wallenstein's Tod / Death of Wallenstein* Friedrich Schiller 2004 This is the third and final part of the Wallenstein trilogy by German playwright and mastermind Friedrich Schiller. The work as a whole produced a profound impression, and it is certainly Schiller's masterpiece in dramatic literature. He brings out with extraordinary vividness the ascendancy of Wallenstein over the wild troops whom he has gathered around him, and at the same time we are made to see how the mighty general's schemes must necessarily end in ruin, not merely because a plot against him is skilfully prepared by vigilant enemies, but because he himself is lulled into a sense of security by superstitious belief in his supposed destiny as revealed to him by the stars. Wallenstein is the most subtle and complex of Schiller's dramatic conceptions, and it taxes the powers of the greatest actors to present an adequate rendering of the motives which explain his strange and dark career. The love-story of Max Piccolomini and Thekla is in its own way not less impressive than the story of Wallenstein with which it is interwoven. This is the bilingual edition of this literary masterpiece including the English and German versions of the play.

**Visual Coexistence** Ruedi Baur 2019-10 In a globalized world, Asian, Latin and Arabic characters and visual cultures appear side by side and woven together. The coexistence of different visual cultures is now part of our daily lives and a given feature of our communication systems. But how do we best present information, structures and designs from different linguistic and cultural backgrounds? Visual communication has classically been guided by principles of uniformity and simplification, values that seem unable to adequately cope with the coexistence of different systems of representation. How can we set up equitable systems for cross-cultural communication that honor the diversity of writing systems? What new design values are needed for an age of global communications? In *Visual Coexistence*, graphic designer Ruedi Baur leads a research team in investigating and analyzing visual graphics from different

cultures, with a focus on Chinese and Latin writing systems, in order to identify their specific principles of depiction and the ways in which they visually communicate. From this interdisciplinary, intercultural investigation, the designers recommend appropriate, differentiated design solutions for global communication. Exploring the problems and possibilities of multilingual typography and visual representation, Visual Coexistence advocates for design as a tool of global understanding.

**The Flying Mountain** Christoph Ransmayr 2018 "The Flying Mountain tells the story of two brothers who leave the southwest coast of Ireland on an expedition to Transhimalaya, the land of Kham, and the mountains of eastern Tibet--looking for an untamed, unnamed mountain that represents perhaps the last blank spot on the map. As they advance toward their goal, the brothers find their past, and their rivalry, inescapable, inflecting every encounter and decision as they are drawn farther and farther from the world they once knew"--Jacket.

**Made by Dad** Scott Bedford 2013-05-07 The Snail Soup Can Decoy to keep the candy stash safe. The Customizable "Keep Out" Sign to deter meddlesome siblings and parents. A Bunk Bed Communicator made from cardboard tubes ("Psst! Can you keep the snoring down?"). Clever, whimsical, and kind of genius, here are 67 unique projects that will turn any dad with DIY leanings into a mad scientist hero that his kid(s) will adore. No screens, no hi-tech gadgetry. Made by Dad combines the rough-edged, handmade ethos of a Boy Scout manual or The Dangerous Book for Boys with a sly sense of humor that kids love. Scott Bedford, a creative director by day and Webby Award-winning blogger by nights and weekends, wields an X-ACTO knife, magic marker, and prodigious imagination to create endlessly delightful projects for his two sons. He knows that kids like contraptions and gadgets, things that are surprising—a chair that appears to be balanced on eggshells. Things that are complex—a multilevel city, with buildings, tunnels, and roads, built from old boxes around the legs of a table. And especially things with humor—the Snappy Toast Rack, made to resemble a crocodile's gaping mouth. The projects are shown in full-color photographs, and the instructions are illustrated in detailed line drawings that exude personality. Some are quick and simple enough to be done in a coffee shop; others are more of an afternoon project—yielding hours and hours of rich, imaginative playtime.

The Real Messiah Stephan Huller 2012-01-01 Highly controversial but impeccably researched, The Real Messiah explodes the myth that Jesus was the long-prophesied Messiah of the Jewish nation. Indeed, it argues that Jesus never claimed that role but thought of himself as herald to the true Messiah: Marcus Julius Agrippa, the last King of the Jews and Jesus' contemporary. It was he who truly founded what became known as Christianity, and wanted to build a

faith to which anyone could aspire. Though Marcus Agrippa was initially successful, with the passing of time those in charge of the new faith capitulated to the whims of successive Roman Emperors and centered their religion on Jesus instead.

The Hunger Pastor (German Classics) Wilhelm Raabe 2015-01-07 Wilhelm Raabe's novel entitled *Der Hungerpastor* (1864) is a classic example of the so-called "poetic realism" to which many - primarily bourgeois - German writers were devoted between 1850 and 1890. --- Wilhelm Raabe (1831 - 1910) became famous following the publication of his first novel, *Die Chronik der Sperlingsgasse* (The Sparrow Lane Chronicle), in 1856. His late works are known for their social criticism, while earlier novels, such as *The Hunger Pastor*, were intended to be primarily educational. --- With the figure of Hans Unwirrsch in *The Hunger Pastor*, Raabe completely lives up to his motto - "Look up to the stars. Pay attention to the streets." The budding pastor, who was born into poverty, "hungers" for knowledge and a respected place in society, but he constantly stumbles over obstacles that his own life, as well as the lives of his family and friends, place before him. --- Raabe's rambling style makes his works difficult reading for many contemporary readers. In this version of *The Hunger Pastor*, several chapters have therefore been summarized by the translator, while the most important ones are published in their original length. --- Despite some anti-Semitic elements, which were commonly found in the works of some 19th century bourgeois writers in Germany, *The Hunger Pastor* is and remains a German literature classic.

*Where Children Sleep* James Mollison 2010 *Where Children Sleep* presents Mollison's large format photographs of children's bedrooms around the world - including from the USA, Mexico, Brazil, England, Italy, Israel and the West Bank, Kenya, Senegal, Lesotho, Nepal, China and India - alongside portraits of the children whose bedrooms are featured. Each pair of photographs is accompanied by an extended caption that tells of the story of the child in question - about Kaya in Tokyo whose proud mother spends \$1000 per month on her dresses; about Bilal the Bedouin shepherd boy who sleeps out with his father's herd of goats; about the Nepali girl Indira, who has worked in a granite quarry since she was three years old, and about Ankhohxet, the Kraho boy who sleeps on the floor of a hut deep in the Amazon jungle. Photographed over two years with the support of Save the Children, the book is written and presented for an audience of 7-11 year olds - setting out to interest and engage children in the details of the lives of other children around the world, and the social issues affecting them, while also being a serious photographic essay for an adult audience. Its striking design features a child's mobile on the cover, printed

in glow-in-the-dark ink.

Boris Mikhailov Thomas Köhler 2012 Since starting out as a photographer in the mid-1960s, Boris Mikhailov (b. Kharkov, Ukraine, 1938; lives and works in Kharkov and Berlin) has built a wide-ranging and strikingly multifaceted oeuvre. A virtuoso of his art, he has explored a great variety of ways of using the medium to paint a picture of his immediate surroundings that is as unsparing as it is ironic. The book--which accompanies his largest exhibition in Germany to date--brings together a selection of works that includes the experimental pictures of his early years as well as his most recent photographs created in Berlin.

Chess Strategy for Club Players Herman Grooten 2017-03-28 This new 3rd edition has, besides various corrections and improvements, a new introduction and a brand-new chapter called 'Total Control'. In this 35-page chapter Grooten adds the final instructive brick to his formidable, yet very accessible, building: inspired by Tigran Petrosian's playing style he explains amateurs how to exploit small advantages. With a new set of exercises. ---- Every club player knows the problem: the opening has ended, and now what? First find the right plan, then the good moves will follow! With this book, International Master Herman Grooten presents to amateur players a complete and structured course on: how to recognize key characteristics in all types of positions how to make use of those characteristics to choose the right plan His teachings are based on the famous "Elements" of Wilhelm Steinitz, but Grooten has significantly expanded and updated the work of the first World Champion. He supplies many modern examples, tested in his own practice as a coach of talented youngsters. In Chess Strategy for Club Players you will learn the basic elements of

**Falling for the Playboy** Kennedy Fox 2018-11-09 Never trust a man who gets paid to take off his clothes for a living and then uses it as a pick-up line to get girls in bed with him. That should've been enough for me to call in sick that day. I've worked with male cover models like him before and they're all the same-smooth-talking, sexy as sin, egotistical know-it-alls who think they're God's gift to women-all traits I know to steer clear of. Assisting authors comes with many perks-reading on the job, using my organizing skills on a daily basis, drinking coffee by the gallons-but Maverick Kingston barges into my life and demands more than I can handle. When we're forced to road trip across the country together, he pushes every boundary I have and rearranges my thoughts on playing it safe. And when he "accidentally" drops his towel, he makes it very clear what he's offering and proves he's packing more than abs of steel under his clothes. Working with him was brutal, but falling for him was unexpected. And playing by the rules will be impossible. This is a complete STANDALONE novel - filled with plenty of humor, steam, & romance! 18 & up only due to explicit sexual content, language, and adult content.

**Royal Wedding** Audrey Daly 1986

Don't Run, Whatever You Do Peter Allison 2011-01-11 In the tradition of Bill Bryson, a new writer brings us the lively adventures and biting wit of an African safari guide. Peter Allison works as a top safari guide in the Okavango Delta, an oasis of wetland in the middle of the Kalahari desert, rich with wildlife. As he caters to the whims of his wealthy clients, he often has to overcome the impulse to run as far away from them as he can, as these tourists are sometimes more dangerous than a pride of lions! Full of outrageous-but-true tales of the people and animals he has encountered -- the young woman who rejected the recommended safari-friendly khaki to wear a more fashionable hot pink ensemble; the drunk, half-naked missing tourist who happened to be a member of the British royal family; the squirrel that overdosed on malaria pills; the monkeys with an underwear fetish; and last, but by no means least,

Spielberg the Japanese tourist who wanted a repeat performance of Allison's narrow escape from a pair of charging lionesses so he could videotape it -- these hilarious stories reveal Allison's good-natured scorn for himself, as well as others. Allison's humour is exceeded only by his love and respect for the animals, and his goal is to limit any negative exposure to humans by planning trips that are minimally invasive - unfortunately it doesn't always work out that way, as he and his clients discover to their cost when they find themselves up to their necks in a hippo-infested watering hole! Full of essential wisdom like don't run, whatever you do, and never stand behind a frightened zebra (they are prone to explosive flatulence when scared!), this is a wonderfully vivid portrait of what the life of a safari guide is really like. "Allison's writing is high on colour and is packed with engaging accounts of the sort of things that are just another day at the office for the average safari guide. If you love the thrill of safaris this book is for you. It is full of hair-raising stories of escape and adventure in the bush. Having worked for more than twenty years in Botswana, South Africa, Namibia and Mozambique, the stars of Allison's show are hungry lions and territorial hippos. There are some white-knuckle tales of dodging landmines too..." -- Sunday Telegraph "Peter is the perfect storyteller with the ability to poke fun at himself. Witty, exciting, and ultimately unmissable." -- Real Travel "He writes beautifully and viscerally about the rhythm of bush life ... This is an absorbing book: as a reader you can't help but get caught up in the author's infectious enthusiasm for Africa's beauty and its beasts. On turning the last page, booking the first plane out to Botswana was most tempting." -- TNT
