Transforming Children Into Spiritual Champions George Barna 2003-11-21 No one can deny that our culture is opposed to Christian values, and the influences bombarding our children's moral development can be deadly. But few parents and church leaders realize how critical it is to start developing a child's biblical worldview from the very earliest years of life. The problem is complex: parents who themselves did not receive early spiritual training leave their children's training to the church. Yet the church often focuses on older children—not realizing that a child's moral development is set by the age of nine. The answer is for churches to recognize the need to come alongside parents to provide them biblical worldview training, parenting information, counseling, etc., that will equip them to help their children become the spiritually mature Church of tomorrow. Profiles presented of churches who are effectively ministering to children and winning the war our enemy is waging against them\ . God Speaks to Us, Too Susan M. Shaw 2021-10-21 Raised as a Southern Baptist in Rome, Georgia, Susan M. Shaw earned graduate degrees from the Southern Baptist Theological Seminary in Louisville, Kentucky, was ordained a Southern Baptist minister, and prepared herself to lead a life of leadership and service among Southern Baptists. However, dramatic changes in both the makeup and the message of the Southern Baptist Convention during the 1980s and 1990s (a period known among Southern Baptists as "the Controversy") caused Shaw and many other Southern Baptists, especially women, to reconsider their allegiances. In *God Speaks to Us, Too: Southern Baptist Women on Church, Home, and Society*, Shaw presents her own experiences, as well as those of over 150 other current and former Southern Baptist women, in order to examine the role, identity, and culture of women in the largest Protestant denomination in the country. The Southern Baptist Convention was established in the United States in 1845 after a schism between Northern and Southern brethren over the question of slavery. Shaw sketches the history of the Southern Baptist faith from its formation, through its dramatic expansion following World War II, to the Controversy and its aftermath. The Controversy began as a successful attempt by fundamentalists within the denomination to pack the leadership and membership of the Southern Baptist Convention (the denomination's guiding body) with conservative and fundamentalist believers. Although no official strictures prohibit a Southern Baptist woman from occupying the primary leadership role within her congregation—or her own family—rhetoric emanating from the Southern Baptist Convention during the Controversy strongly discouraged such roles for its women, and church leadership remains overwhelmingly male as a result. Despite the vast difference between the denomination's radical beginnings and its current position among the most conservative American denominations, freedom of conscience is still prized. Shaw identifies "soul competency," or the notion of a free soul that is responsible for its own decisions, as the principle by which many Southern Baptist women reconcile their personal attitudes with conservative doctrine. These women are often perceived from without as submissive secondary citizens, but they are actually powerful actors within their families and churches. *God Speaks to Us, Too* reveals that Southern Baptist women understand themselves as agents of their own lives, even though they locate their faith within the framework of a highly patriarchal institution. Shaw presents these women through their own words, and concludes that they believe strongly in their ability to discern the voice of God for themselves.

Miller's Church History Miller, Andrew 2015-02-10 Many of our readers, we know, have neither the time nor the opportunity for reading the voluminous works that have been written from time to time on the history of the church. Still, that which has been the dwelling-place of God for the last eighteen hundred years, must be a subject of the deepest interest to all His children. We speak not now of the church as it is often represented in history, but as it is spoken of in scripture. There it is seen in its true spiritual character, as the body of Christ, and as the "habitation of God through the Spirit." Church of Spies Mark Riebling 2015-09-29 The heart-pounding history of how Pope Pius XII -- often labeled "Hitler's Pope" -- was in fact an anti-Nazi spymaster, plotting against the Third Reich during World War II. The Vatican's silence in the face of Nazi atrocities remains one of the great controversies of our time. History has accused wartime pontiff Pius the Twelfth of complicity in the Holocaust and dubbed him "Hitler's Pope." But a key part of the story has remained untold. Pope Pius in fact ran the world's largest church, smallest state, and oldest spy service. Saintly but secretive, he sent birthday cards to Hitler -- while secretly plotting to kill him. He skimmed from church charities to pay covert couriers, and surreptitiously tape-recorded his meetings with top Nazis. Under his leadership the Vatican spy ring actively plotted against the Third Reich. Told with heart-pounding suspense and drawing on secret transcripts and unsealed files by an acclaimed author, *Church of Spies* throws open the Vatican's doors to reveal some of the most astonishing events in the history of the papacy. Riebling reveals here how the world's greatest moral institution met the greatest moral crisis in history.

Answering the Call Ron Lewis 2018-07-27 "Ron Lewis has helped more young people answer the Call to ministry than anybody I know. These principles will guide you confidently into the purposes of God." Dr. Rice Brooks, Co-founder, Every Nation, Author of *God's Not Dead* and *Man, Myth, Messiah* WHAT IS FULL-TIME MINISTRY? "Come follow me, ' Jesus said, 'and I will send you out to fish for people.' At once, they left their nets and followed him." Matthew 4:19-20 What do you think of when you hear the phrase, "full-time ministry?" Maybe you think of a man in a collar or flowing robes, a preacher on TV, or a missionary in the bush of Africa, the frozen tundra of Siberia, or the jungles of the Amazon. Perhaps you think of a campus minister who has helped you get to know Jesus in a personal way. To a degree, these can all be examples of full-time ministry. From here on, when I use the phrase "full-time ministry," I am mindful that all ministry--in every sphere of life--is a full-time calling. However, for the sake of clarity in this book, when I refer to full-time ministry, I am referring to a man or woman whose primary occupation is gospel ministry and all it entails. Full-time ministry is a job, a vocation, and a career, but, as we will see, it is so much more. This subject is often misunderstood and usually brings with it a handful of questions: -Does God want you to go into full-time ministry? (Chapter 2) -What is the real difference between a Christian who works a "secular job" and a full-time minister? (Chapter 3) -Does it please God more if you are a full-time minister? (Chapter 3) -If I go into ministry, where do I begin? (Chapter 5) -What will it cost me to follow Jesus into full-time ministry? (Chapter 7) -How can I be paid for doing Christian ministry? (Chapter 9)

Pentecostal Pacifism Jay Beaman 2009-11-01 At a time when the Evangelical wing of the church is beginning to show some signs of soul searching over the issues of war and peace, the Pentecostals would do well to study their own heritage. Whether they accept or reject their earlier world view, they need to interpret the motivation for their original beliefs and those which they now hold. As people of the word of God, have Pentecostals altered their pacifistic views as a result of new biblical insights or cultural accommodation? -- From the Introduction

Ourselves Charlotte Mason 2013-05-20 Ourselves, the fourth volume of Charlotte Mason's Classic Homeschooling Series, is a character curriculum book written directly to children. Book I, Self-Knowledge, is for elementary school students; Book II, Self-Direction, is for older students. Self-Knowledge discusses our human desires and appetites; the "helpers" in our minds, such as intellect, sense of beauty, imagination, and reason; the ways in which we feel and express love for others, including sympathy, kindness, generosity, gratitude, courage, loyalty, and humility; and truth, justice, and integrity; and ends by encourages children to develop the habit of being useful. Self-Direction is an in-depth discussion of the conscience and virtues such as temperance, chastity, fortitude, and prudence; the will and self-control; and the soul and its capacities, such as prayer, thanksgiving, faith, and praise. Charlotte Mason was a late nineteenth-century British educator whose ideas were far ahead of her time. She believed that children are born persons worthy of respect, rather than blank slates, and that it was better to feed their growing minds with living literature and vital ideas and knowledge, rather than dry facts and knowledge filtered and pre-digested by the teacher. Her method of education, still used by some private schools and many homeschooling families, is gentle and flexible, especially with younger children, and includes first-hand exposure to great and noble ideas through books in each school subject, conveying wonder and arousing curiosity, and through reflection upon great art, music, and poetry; nature observation as the primary means of early science teaching; use of manipulatives and real-life application to understand mathematical concepts and learning to reason, rather than rote memorization and working endless sums; and an emphasis on character and on cultivating and maintaining good personal habits. Schooling is teacher-directed, not child-led, but school time should be short enough to a

The Fulfilled Family John F. MacArthur 2008-06-08 In a world of divorce, casual sex, and homosexual unions, "family"—once the bedrock of our culture—is becoming a matter of uncertainty and argument. From some quarters, traditional roles for men and women are ridiculed. And standing firm in a healthy, well-functioning family is harder than ever. So how can you have a happy home? How can you pass on strong morals to your children in a world going awry? By following God's divine plan for family life," writes Bible teacher, pastor, father, and grandfather John MacArthur in this book. There's no magic formula. There's no gimmick. It's not about how many times you do something, or who is in charge of this or that, or what kind of processes or methods you use. It comes down to answering these questions: "Am I committed to obedience to the Spirit of God? Am I committed to the controlling influences of the Word of God? Am I going to live out a Christian life?" If you can answer yes to all of those questions, then you are bound to have a successful, fulfilled, God-honoring family life.

Journal of Biblical and Theological Studies Daniel S. Diffey 2016-10-12 The Journal of Biblical and Theological Studies (JBTS) is an academic journal focused on the fields of Bible and Theology from an inter-denominational point of view. The journal is comprised of an editorial board of scholars that represent several academic institutions throughout the world. JBTS is concerned with presenting high-level original scholarship in an approachable way. Academic journals are often written by scholars for other scholars. They are technical in nature, assuming a robust knowledge of the field. There are fewer journals that seek to introduce biblical and theological scholarship that is also accessible to students. JBTS seeks to provide high-level scholarship and research to both scholars and students, which results in original scholarship that is readable and accessible. As an inter-denominational journal JBTS is broadly evangelical. We accept contributions in all theological disciplines from any evangelical perspective. In particular, we encourage articles and book reviews within the fields of Old Testament, New Testament, Biblical Theology, Church History, Systematic Theology, Practical Theology, Philosophical Theology, Philosophy, and Ethics.
