A guide to forest–water management Food and Agriculture Organization of the United Nations 2021-08-24 Many people worldwide lack adequate access to clean water to meet basic needs, and many important economic activities, such as energy production and agriculture, also require water. Climate change is likely to aggravate water stress. As temperatures rise, ecosystems and the human, plant, and animal communities that depend on them will need more water to maintain their health and to thrive. Forests and trees are integral to the global water cycle and therefore vital for water security – they regulate water quantity, quality, and timing and provide protective functions against (for example) soil and coastal erosion, flooding, and avalanches. Forested watersheds provide 75 percent of our freshwater, delivering water to over half the world’s population. The purpose of A Guide to Forest–Water Management is to improve the global information base on the protective functions of forests for soil and water. It reviews emerging techniques and methodologies, provides guidance and recommendations on how to manage forests for their water ecosystem services, and offers insights into the business and economic cases for managing forests for water ecosystem services. Intact native forests and well-managed planted forests can be a relatively cheap approach to water management while generating multiple co-benefits. Water security is a significant global challenge, but this paper argues that water-centered forests can provide nature-based solutions to ensuring global water resilience.

Pacific Performances Christopher Balme 2007-01-15 Incorporating the very latest

approaches to performance studies, this new study by Christopher Balme explores the history of cross-cultural performative encounters in the Pacific from the eighteenth-century to the present. Using the concept of theatricality, it examines both the performance cultures of Pacific peoples as they negotiated the colonial situation and Western theatrical representations. The material investigated ranges from eighteenth-century pantomimes to Broadway plays and musicals; ethnographic spectacles and colonial ceremonies rub shoulders with contemporary tourist theme parks and Samoan stand-up comedy.

Post-Colonial Drama Helen Gilbert 2002-09-11 Post-Colonial Drama is the first full-length study to address the ways in which performance has been instrumental in resisting the continuing effects of imperialism. It brings to bear the latest theoretical approaches from post-colonial and performance studies to a range of plays from Australia, Africa, Canada, New Zealand, the Caribbean and other former colonial regions. Some of the major topics discussed in Post-Colonial Drama include: * the interactions of post-colonial and performance theories * the post-colonial re-stagings of language and history * the specific enactments of ritual and carnival * the theatrical citations of

the post-colonial body Post-Colonial Drama combines a rich intersection of theoretical approaches with close attention to a wide range of performance texts.

Navajo Talking Picture Randolph Lewis 2012-07-01 Navajo Talking Picture, released in 1985, is one of the earliest and most controversial works of Native cinema. It is a documentary by Los Angeles filmmaker Arlene Bowman, who travels to the Navajo reservation to record the traditional ways of her grandmother in order to understand her own cultural heritage. For reasons that have often confused viewers, the filmmaker persists despite her traditional grandmother's forceful objections to the apparent invasion of her privacy. What emerges is a strange and thought-provoking work that abruptly calls into question the issue of insider versus outsider and other assumptions that have obscured the complexities of Native art. Randolph Lewis offers an insightful introduction and analysis of Navajo Talking Picture, in which he shows that it is not simply the first Navajo-produced film but also a path-breaking work in the history of indigenous media in the United States. Placing the film in a number of revealing contexts, including the long history of Navajo people working in Hollywood, the ethics of documentary filmmaking, and the often problematic reception of Native art, Lewis explores the tensions and mysteries hidden in this unsettling but fascinating film.

Do You Want to Start a Scandal Tessa Dare 2016-09-27 On the night of the Parkhurst ball, someone had a scandalous tryst in the library. Was it Lord Canby, with the maid, on the divan? Or Miss Fairchild, with a rake, against the wall? Perhaps the butler did it. All Charlotte Highwood knows is this: it

wasn't her. But rumors to the contrary are buzzing. Unless she can discover the lovers' true identity, she'll be forced to marry Piers Brandon, Lord Granville—the coldest, most arrogantly handsome gentleman she's ever had the misfortune to embrace. When it comes to emotion, the man hasn't got a clue. But as they set about finding the mystery lovers, Piers reveals a few secrets of his own. The oh-so-proper marquess can pick locks, land punches, tease with sly wit . . . and melt a woman's knees with a single kiss. The only thing he guards more fiercely than Charlotte's safety is the truth about his dark past. Their passion is intense. The danger is real. Soon Charlotte's feeling torn. Will she risk all to prove her innocence? Or surrender it to a man who's sworn to never love?

Recasting Commodity and Spectacle in the Indigenous Americas Helen Gilbert
2014-11-01 Indigenous artists frequently voice concerns over the commodification of their cultures, a process acutely felt by those living with the consequences of colonialism. This timely book, which features color illustrations throughout, examines the ways in which contemporary indigenous peoples in different parts of the Americas have harnessed performance practices to resist imposed stereotypes and shape their own complex identities. Essays by leading academics and practitioners show the vibrancy of a wide array of indigenous arts and cultural events in the United States, Mexico, Peru, Bolivia, Canada, Nicaragua, Ecuador, and Belize. As well as analyzing performance idioms, the authors trace the circulation of creative products and practices as commodities, as cultural capital, and/or as heritage. Making reference to aesthetic forms, intellectual property, and political empowerment, these essays weigh the impact of music, festivities, film, photography, theater, and museum installations among diverse audiences and discuss ways in which spectacles of cultural difference are remodeled in the hands of indigenous practitioners.

Environmental Futures Ben Fairweather 1999-04-12 The book comprises thirteen papers on environmental issues, with particular reference to future developments (for example, new technologies, paths in social and political theory, methodologies). It is divided into three sections, moving from social constructions of 'the environment' in the first section to questions of green political theory and practice in the second, and concluding with issues of environmental risk and future technologies. The work is interdisciplinary, with contributors ranging from philosophers to human geographers.

The Dare Harley Laroux 2021-01-26 Warning: This erotica contains scenes and elements that may be disturbing to some readers. Please review the full content warning below. Jessica Martin is not a nice girl. As Prom Queen and Captain of the cheer squad, she'd ruled her school mercilessly, looking down her nose at everyone she deemed unworthy. The most unworthy of them all? The "freak," Manson Reed: her favorite victim. But a lot changes after high school. A freak

like him never should have ended up at the same Halloween party as her. He never should have been able to beat her at a game of Drink or Dare. He never should have been able to humiliate her in front of everyone. Losing the game means taking the dare: a dare to serve Manson for the entire night as his slave. It's a dare that Jessica's pride - and curiosity - won't allow her to refuse. What ensues is a dark game of pleasure and pain, fear and desire. Is it only a game? Only revenge? Only a dare? Or is it something more? This book contains intense fantasy scenes of hard kinks/edgeplay, graphic sex, and harsh language. It is intended only for an adult audience. Beware: this is a dark, weird, kinky read. The activities depicted therein are dangerous and are not meant to be an example of realistic BDSM. Reader discretion is advised. Kinks/Fetishes within: erotic humiliation, fearplay, painplay, knifeplay, consensual non-consent (CNC), orgasm denial, boot worship, spanking, crying, blowjobs, clowns, group sexual activities, spit, bondage, public play, bloodplay.

Suffrage and Its Limits Kathleen M. Dowley 2020 "Suffrage and its Limits offers a unique interdisciplinary overview of the legacy and limits of suffrage for the women of New York State. It commemorates the state suffrage centennial of 2017 yet arrives in time to contribute to celebrations around the national centennial of 2020. Bringing together scholars with a wide variety of research specialties, it initiates a timely dialogue that links an appreciation of past accomplishments to a clearer understanding of present problems and an agenda for future progress. The first three chapters, "Investigating the Past," are dedicated to the state suffrage movement, the 1917 victory, and what New York women did with the vote. The next three chapters, "Interrogating the Present," focus on the current status of women and politics in New York. The final three chapters, "Imagining the Future," take a prospective look at the limits of liberal feminism and its unfinished agenda for women's equality in New York. A preface by Lieutenant Governor Katherine Hochul and a final chapter by activist Barbara Smith bookend the discussion. Combining diverse approaches and analyses in a single volume the collection enables readers to make connections between history, political science, public policy, sociology, philosophy, and activism. This study moves beyond merely celebrating the centennial to tackle women's issues of today and tomorrow"--

Tangle of Need Nalini Singh 2012-05-29 Discover the exhilarating risks of passion in the breathtaking new Psy-Changeling novel by Nalini Singh, the New York Times bestselling "alpha author of paranormal romance" (Booklist)... Adria, wolf changeling and resilient soldier, has made a break with the past—one as unpredictable in love as it was in war. Now comes a new territory, and a devastating new complication: Riaz, a SnowDancer lieutenant already sworn to a desperate woman who belongs to another. For Riaz, the primal attraction he feels for Adria is a staggering betrayal. For Adria, his dangerous lone-wolf appeal is beyond sexual. It consumes her. It terrifies her. It threatens to undermine everything she has built of her new life. But fighting their wild compulsion toward one another proves a losing battle. Their coming together is an inferno...and a melding of two wounded souls who promise each other no commitment, no ties, no bonds. Only pleasure. Too late, they realize that they have more to lose than they ever imagined. Drawn into a cataclysmic Psy war that may alter the fate of the world itself, they must make a decision that might just break them both.

'**Injuns!**' Edward Buscombe 2006-10-02 The indispensable sage, fierce enemy, silent sidekick: the role of Native Americans in film has been largely confined

to identities defined by the “white” perspective. Many studies have analyzed these simplistic stereotypes of Native American cultures in film, but few have looked beyond the Hollywood Western for further examples. Distinguished film scholar Edward Buscombe offers here an incisive study that examines cinematic depictions of Native Americans from a global perspective. Buscombe opens with a historical survey of American Westerns and their controversial portrayals of Native Americans: the wild redmen of nineteenth-century Wild West shows, the more sympathetic depictions of Native Americans in early Westerns, and the shift in the American film industry in the 1920s to hostile characterizations of Indians. Questioning the implicit assumptions of prevailing critiques, Buscombe looks abroad to reveal a distinctly different portrait of Native Americans. He focuses on the lesser known Westerns made in Germany—such as East Germany’s *Indianerfilme*, in which Native Americans were Third World freedom fighters battling against Yankee imperialists—as well as the films based on the novels of nineteenth-century German writer Karl May. These alternative portrayals of Native Americans offer a vastly different view of their cultural position in American society. Buscombe offers nothing less than a wholly original and readable account of the cultural images of Native Americans through history and around the globe, revealing new and complex issues in our understanding of how oppressed peoples have been represented in mass culture.

Jersey International Monetary Fund 2009-09-14 This report presents a Detailed Assessment of the Observance of the Insurance Core Principles Report on Jersey.

Other than the international business, most cover is obtained from insurers based overseas by the large insurance broker community on the island. There is no ombudsman and no policyholder compensation arrangements for insurance business on the island. Jersey has its own company's legislation, but has no local accounting or actuarial standard-setting bodies and it looks to other jurisdictions, especially the United Kingdom, for its framework of accounting, auditing, and actuarial standards.

The Sound of What Comes Next Lawrence C. Mays 2019-09-04 The Sound Of What Comes Next is a collection of poetry and two short stories by poet Lawrence C. Mays. This book serves at book number 7 in Lawrence's 18 year writing career. The poetry addresses several topics including love, aging, body image, self-love, adolescence, and emptiness to name a few. This body of work also includes 2 short stories: Night Angel and So Quiet. Night Angel is about Michael Mendez, a witness to horrific hit and run. He's faced with a not so simple choice. Call the police and tell what he's seen or play the fool and save the skin of a familiar face. Will he save the Night Angel? So Quiet is a short story about the not so routine night for 4 year old Robbie. What starts off as a normal restless night turns into a silent night of confusion. Not his working mother nor his sickly father can stop the silence from fading out his night.

An English Translation of Bachofen's Mutterrecht (Mother Right) (1861) Johann Jakob Bachofen 2003 Mother Right (1861) by Johann Jakob Bachofen (1815-1887) was the seminal document of the nineteenth century concerning the role of women in ancient societies. The meaning of "mother" as the one who bears life, then cares for her child with selfless love, devotion, and sacrifice clearly imparts Bachofen's point of departure. In this sense, Mother Right is a celebration of motherhood as the origin of human society, religion, morality, and decency. Volume two contains sections on "Lemnos" and "Egypt".

Crush the SAT with Growth Mindset Stephen Tarsitano 2018-06-26 The first book to apply growth mindset strategies to SAT prep. Preparing to take the SAT can seem overwhelming and stressful, making it all too easy to give up or zone out on your prep work. However, if you follow the growth-mindset approach outlined in this book, you will stay focused and driven and continue to improve until you surpass your highest expectations on test day. Research has shown that adopting a growth mindset is directly linked to increased test scores, so the authors of this helpful study guide have interwoven this revolutionary approach to teaching into every aspect of their SAT prep. In addition to the test prep and practice questions, the authors impart powerful advice on how you can overcome stress and anxiety while staying positive and setting goals during the months leading up to the test. The strategies in Crush the SAT with Growth Mindset will be invaluable tools for your SAT test day and for your life moving forward into college and beyond.

Returns James Clifford 2013-11-04 Returns explores homecomings--the ways people recover and renew their roots. Engaging with indigenous histories of survival and transformation, James Clifford opens fundamental questions about where we

are going, separately and together, in a globalizing, but not homogenizing, world. It was once widely assumed that tribal societies were destined to disappear. Sooner or later, irresistible economic and political forces would complete the destruction begun by culture contact and colonialism. But aboriginal groups persist, a reality that complicates familiar narratives of modernization. History is a multidirectional process where the word "indigenous," long associated with primitivism and localism, takes on unexpected meanings. In these probing essays, native people in California, Alaska, and Oceania are shown to be agents, not victims, struggling within and against dominant forms of cultural identity and economic power. Their returns to the land, performances of heritage, and diasporic ties are strategies for moving forward, ways to articulate what can paradoxically be called "traditional futures." With inventiveness and pragmatism, often against the odds, indigenous people are forging original pathways in a tangled, open-ended modernity. Third in a series that includes *The Predicament of Culture and Routes*, this volume continues Clifford's signature exploration of intercultural representations, travels, and now returns.

Annie Mae's Movement Yvette Nolan 2006 Dying under mysterious circumstances, it is still unclear what really happened to Anna Mae back in the late 70s. Instead of recounting cold facts, this play looks for the truth in examining the life and death of this remarkable Aboriginal woman; that we cannot know the consequences of our actions; that we live on in the work that we do and the people we affect long after we have passed from this world.
