Popkiss Michael White 2015-12-07 From 1987 to 1995, Bristol, England's Sarah Records was a modest underground success and, for the most part, a critical laughingstock in its native country-sneeringly dismissed as the sad, final repository for a fringe style of music (variously referred to as "indie-pop," "C86," "cutie" and "twee") whose moment had passed. Yet now, more than 20 years after its founders symbolically "destroyed" it, Sarah is among the most passionately fetishized record labels of all time. Its rare releases command hundreds of dollars, devotees around the world hungrily seek out any information they can find about its poorly documented history, and young musicians-some of them not yet born when Sarah shut down-claim its bands (such as Blueboy, the Field Mice, Heavenly, and the Wake) as major influences. Featuring dozens of exclusive interviews with the music-makers, producers, writers and assorted eyewitnesses who played a part in Sarah's eight-year odyssey, *Popkiss: The Life and Afterlife of Sarah Records* is the first authorised biography of an unlikely cult legend.

Another Day, Another Delusion: Selected Lyrics Keith Charles Dovoric 2017-01-06 A working artist for over two decades, NJ-native Keith Charles Dovoric marries the traditions of musicianship and lyric-writing to craft an unexpectedly fresh breath of literary songcraft. Presaged by the likes of the "rock poets" (Dylan, Cohen, Springsteen, Zevon) as well as the giants of written verse (Dorothy Parker, T.S. Eliot), and featuring over 180 songs, *Another Day, Another Delusion: Selected Lyrics* is the ideal distillation of a writer, musician, and performer whose provocative compositions -- not to mention jaundiced world-view -- have set him apart from the cookie-cutter ethos of middlebrow pop culture. "This compendium is the upshot of ten years' worth of assemblage, blood, glory, misery, malignancy, and squalor. I feel it presents me well, for lack of better terms. I'm very pleased with it."

This I Would Kill For Anne Buist 2018-01-29 Psychiatrist Natalie King is the expert witness in a vicious child custody battle, and the stakes are high. Getting it wrong means handing a child over to an abuser—or depriving that child of the only father she knows. Is Jenna gaming the system, or is her ex-husband Malik as dangerous as she suggests? How can Natalie best protect the child? And now that Natalie's pregnant—and still unsure of the child's paternity—how is a growing preoccupation with her own lost father affecting her judgment? Court dramas, cultural clashes and media backlash create an explosive mixture that forces Natalie to make life and death choices. How far will a parent go to keep—or save—their child? Anne Buist is the Chair of Women's Mental Health at the University of Melbourne. She has over twenty-five years' clinical and research experience in perinatal psychiatry, and works with protective services and the legal system in cases of abuse, kidnapping, infanticide and murder. Professor Buist is married to novelist Graeme Simsion and has two children. Her novels featuring forensic psychiatrist Natalie King are *Medea's Curse*, *Dangerous to Know* and *This I Would Kill For*. 'The strength of this crime novel by Professor Anne Buist, Chair of Women's Mental Health at the University of Melbourne, lies in its exploration of the workings of the Family Court and its experts...This book should come with a warning: you may never be able to look at your own children's drawings in the same way again.' Age 'Buist, chair of mental health at the University of Melbourne, is deeply versed in the institutional, legal and emotional implications of such a case. She has crafted a skilled and multi-layered procedural, one that is more about psychological than criminal matters, although their intersection is inevitable and crucial...Buist has given us a three-dimensional heroine and richly imagined scenes of conflict in public and private. Most of these disputes are managed within legal bounds. Buist's insights into the enmities and frustrations of bodies bound to help children are sharp.' Australian 'Buist gives the reader a plot that is original and believable, with more than one twist to keep the reader guessing right up to a heart-stopping climax. Her expertise in the

mental health field is apparent in every paragraph...Buist is certainly setting the bar high for her next literary foray: this one has to be her best yet.' BookMooch 'When psychiatrist Natalie King is asked to be an expert witness in a custody battle between Jenna and Malik for their daughter Chelsea, it's the kind of low-key thing she's interested in now that she's pregnant...Anne Buist, Chair of Women's Mental Health at the University of Melbourne, lays bare the emotional carnage of these battles in this harrowing thriller.' Readings 'Buist uses her own professional knowledge to present a highly-charged situation of suspected child abuse, differing cultural norms in raising children and relationships between the range of professionals involved...There is highly insightful and succinctly presented description and explanation of the pitfalls in such a case, where supporting a suspected abuser may result in a dangerous custody decision. The interweaving of individuals characters, their fears and motivations and their strategies to gain the results they seek makes for suspenseful and compelling reading...A book for the adventurous reader.' Vivas to Those Who Have Failed: Poems Martín Espada 2016-01-04 Award-winning poet Martín Espada gives voice to the spirit of endurance in the face of loss. In this powerful new collection of poems, Martín Espada articulates the transcendent vision of another, possible world. He invokes the words of Whitman in “Vivas to Those Who Have Failed,” a cycle of sonnets about the Paterson Silk Strike and the immigrant laborers who envisioned an eight-hour workday. At the heart of this volume is a series of ten poems about the death of the poet’s father. “El Moriviví” uses the metaphor of a plant that grows in Puerto Rico to celebrate the many lives of Frank Espada, community organizer, civil rights activist, and documentary photographer, from a jailhouse in Mississippi to the streets of Brooklyn. The son lyrically imagines his father’s return to a bay in Puerto Rico: “May the water glow blue as a hyacinth in your hands.” Other poems confront collective grief in the wake of the killings at the Sandy Hook Elementary School and police violence against people of color: “Heal the Cracks in the Bell of the World” urges us to “melt the bullets into bells.” Yet the poet also revels in the absurd, recalling his dubious career as a Shakespearean “actor,” finding madness and tenderness in the crowd at Fenway Park. In exquisitely wrought images, Espada’s poems show us the faces of Whitman’s “numberless unknown heroes.”

Venceremos Gabriel San Roman 2014-06-19 When socialist Salvador Allende won Chile's presidential election in 1970, a powerful cultural movement accompanied him to power. As the CIA actively funded opposition against Allende, the New Chilean Song Movement rose to prominence, persuading voters with its music. Victor Jara became an icon in Chile and beyond for his revolutionary lyrics and life. A short cultural history, 'Venceremos' charts the movement from Allende's victorious campaign to the brutal U.S.-backed military coup in 1973, which overthrew Allende and imposed Dictator Augusto Pinochet.

Antiracist Teacher Education Gilda Martínez-Alba 2022-07-26 In this edited book sponsored by the ATE Diversity Committee, we invited teacher educators to provide their stories from the field of education, related to antiracist instruction in teacher education. The stories took the form of narratives and counternarratives. The engaging ideas, activities, and suggestions throughout provide readers with much content to reflect on and apply in their teacher education classrooms and programs. Education advocates and policy makers would also be interested in hearing the perspectives of these educators, as they bring to light much information that is not clear through just the numbers or quantitative statistics. These in-depth rich descriptions provide high quality information that would be beneficial to educators in various settings and subject areas, as this is an antiracist teacher education is an issue that goes across all areas in education.

Zapata's Disciple Martín Espada 2016-10-15 The ferocious acumen with which the award-winning poet Martín Espada attacks issues of social injustice in *Zapata's Disciple* makes it no surprise that the book has been the subject of bans in both Arizona and Texas, targeted for its presence in the Mexican American Studies curriculum of Tucson's schools and for its potential to incite a riot among Texas prison populations. This new edition of *Zapata's Disciple*, which won the 1999 Independent Publisher Book Award for Essay / Creative Nonfiction, opens with an introduction in which the author chronicles this history of censorship and continues his lifelong fight for freedom of expression. A dozen of Espada's poems, tender and wry as they are powerful, interweave with essays that address the denigration of the Spanish language by American cultural arbiters, castigate Nike for the exploitation of its workers, reflect upon National Public Radio's censorship of Espada's poem about Mumia Abu-Jamal, and more. *Zapata's Disciple* is a potent assault on the continued marginalization of Latinos and other poor and working-class citizens in American society, and the collection breathes with a revolutionary zeal that is as relevant now as when it was first published.

Selected Poetry of William Wordsworth William Wordsworth 2002-02-12 Selected Poetry of William Wordsworth represents Wordsworth's prolific output, from the poems first published in *Lyrical Ballads* in 1798 that changed the face of English poetry to the late "Yarrow Revisited." Wordsworth's poetry is celebrated for its deep feeling, its use of ordinary speech, the love of nature it expresses, and its representation of commonplace things and events. As Matthew Arnold notes, "[Wordsworth's poetry] is great because of the extraordinary power with which [he] feels the joy offered to us in nature, the joy offered to us in the simple elementary affections and duties."

An Unfinished Song Swarnakumari Devi 2018-01-18 THIS is a story of life among the Reformed Party of Bengal, the members of which have to some extent adopted western customs. It shows the change that touch with Europe has brought upon the people of India, but in their inner nature the Hindus are still quite different from western races. The ideals and traits of character that it has taken thousands of years to form are not affected by a mere external change. This story, it is true, touches on one side of Indian life only, for in a small book it is difficult to depict many of the numerous phases of our Society; still I trust it will give the western reader some insight into the Hindu nature.
