Sweet Girl Sierra Hill 2016-10-05 KylahI've always lived in the shadows of my athletic older brother and my charismatic twin sister. And that's okay by me. I don't mind being known as the shy wallflower. The gawky geek. The sweet, virginal girl. Well, that's one label I've been trying to rid myself of since starting my freshman year in college this year. The thing is, no one's ever looked twice at me. Until I met Van Gerard. He notices me. He looks at me and seems to like what he sees. He understands and listens to me. He's become a great friend. The problem is, I don't want him as a friend. I want more. But my brother - along with a state line between us, and oh yeah, Van's long-time girlfriend - are just a few complications getting in the way of what I want. VanI thought my senior year in college would be the best time of my life. I'm a starter on a Pac-12 basketball team, set to graduate with a degree in Finance. I have a girlfriend whom I'd planned to start a future with. I thought my life was already mapped out. But then the bottom dropped out with a confession I never expected to hear, from the girl I thought I knew. I thought wrong. Luckily for me, Kylah Griffin was there to break my fall. She's the best thing this year has given me. She's helped me through a devastating blow that could have sent me reeling. I know she wants more, but I'm not sure I can give it. Now that I've been burned, I don't think I can go there again. Kylah's not a hook-up, and she's definitely not a rebound. She's a sweet girl who deserves more than to be friend-zoned. If only things weren't so complicated.

Her Perfect Rebound Knight 2019-06-20

Mr. Rebound Kat T. Masen 2016-10-30 Moving across the country was supposed to be a fresh start. I'd made mistakes, but I told myself I'd no longer prey on emotionally unstable women. I don't do relationships-I'm a selfish bastard that enjoys not answering to anyone-and relationships mean being with only one woman. More often than not, one that carries emotional baggage, like cheating exes or worse-kids. After landing myself in trouble, again, my cousin Charlie dared me to settle down with one woman. I'm not one to shy away from a dare, so I chose Scarlett Winters, the most wanted actress in Hollywood. The sexiest woman on Earth. I just needed to get past the roadblock-her assistant, Morgan Bentley. The wicked bitch of the west. Between her multiple personalities and the giant stick up her ass, I should've seen it coming. I'd been with enough women to read the signs. Morgan Bentley was after one thing, and one thing only. A rebound. That's me, right? Mr Rebound. But what if this time I wanted more?

What better way to have some fun than to fall into an ill-advised, no-strings-attached fling with a very hot man. True, Ken isn't an ideal rebound guy. He's the sheriff, he's ten years older than her, and she's known him for years. They have nothing in common except an intense attraction that seems to come out of nowhere. But that makes it easier. Ken is just her rebound. And no matter how good he makes her feel about herself, it's not like

The Rebound Catherine Walsh 2022-02-14 'OMG this book was just what I needed... Kept me turning the pages and reading late into the night... It was like drinking a great big warm mug of hot chocolate, I just loved it.' Reading Time at the Zoo 📖📖📖📖 A newly single girl. A tall dark handsome stranger. What could go wrong? It's 7 a.m. on a Monday and Abby Reynolds isn't where she wants to be. She wants to be in her beautiful loft apartment in Manhattan, drinking a coffee with her fiancé. Instead, she's heading back to the childhood home in rural Ireland she swore she'd never return to, with some big old secrets. Namely that she's suddenly found herself unemployed, homeless, and absolutely 100% single. She's feeling all out of luck. Until the first person she meets after she touches down is an absurdly hot guy called Luke, who offers her a lift home. Gazing deep into his sparkling emerald-green eyes, Abby knows instantly that he's exactly what she needs to take her mind off everything. The perfect rebound. It's a flawless plan. Until the next day, when Abby realizes who he actually is. Not just a stranger. He is, in fact, Luke Bailey, aka the boy next door. Luke Bailey who—so help her God—she's pretty sure she once shared baths with, back when they were kids. Not that she can allow herself to imagine him in a bath now, not without blushing from head to foot. And judging by the smirk on his face, the same Luke Bailey who's known exactly who she was the whole time... And who, like everyone in the village, still thinks she's a high-flying New Yorker... who's getting married next year. Abby is certain getting under Luke will help her get over her ex. But the truth is stopping her. Can she admit to everyone back home that she's single and has lost everything? Because, if she wants the boy next door, she may just have to... Get Your Ex-Lover Back Anthony Ekanem 2016-06-26 There are many couples all over the world who have broken up with their partners for some very simple misunderstandings. It's sad to think that many of these break-ups could have been completely avoided if each person had a clearer understanding of what their partner was thinking and what they wanted from the relationship. Unfortunately, because men and women are biologically different, there are specific things we do that can easily drive a partner away rather than keeping them close as we had wanted. You might wonder why your relationship has ended at all. But the reality is that even good relationships do break up. If men and women had a little more awareness of how the opposite sex was thinking, then breakups would never happen. In fact, you could have turned your relationship with your ex-lover into a life-long happy partnership where neither of you would ever consider looking for another relationship. If you've recently broken up with the love of your life, don't feel that all is lost. There's still hope that you can win your ex-lover back and it's actually easier than you think. The problem is that we're not taught how the opposite sex thinks, so it's mostly a mystery to most people. We're stuck trying out tactics that we think may work without ever considering what our partner would prefer instead. Are you ready to bring your ex-lover back into your life? Are you really ready for them to fall in love with you, deeper and stronger than the first time around? Then read on.
