**Songs, Scribes, and Society** Jane Alden 2010-09-28 A new kind of songbook emerged in the later fifteenth century: personalized, portable, and lavishly decorated. Five closely related chansonniers, copied in the Loire Valley region of central France c. 1465-c. 1475, are the earliest surviving examples of this new genre. The Loire Valley Chansonniers preserve the music of such renowned composers as Guillaume Du Fay, Johannes Ockeghem, and Antoine Busnoys. But their importance as musical sources has overshadowed the significance of these manuscripts as artifacts in their own right. This book places the physical objects at center, investigating the means by which they were produced and the broader culture in which they circulated. Jane Alden performs a codicological autopsy upon the manuscripts and reveals the hitherto unrecognized role of scribes in shaping the transmission and reception of the chanson repertory. Alden also challenges the long-held belief that the Loire Valley Chansonniers were intended for royal or noble patrons. Instead, she argues that a rising class of bureaucrats--notaries, secretaries, and other court officials--commissioned these exquisite objects. Active as writers and participants in poetry competitions, these individuals may even have written some of the chansons' texts. The unique integration of image, text, and music found in chansonniers extends their appeal to a broad readership. But for the nineteenth-century scholars who rediscovered these manuscripts, the larger literary and visual resonances were not of primary interest. Alden documents the tangle of motivations--national identity, populist politics, and the rise of the musical masterwork--that informed the earliest writings on these books. Only now is their multifaceted structure the inspiration for a new generation of readers.

**Emma's Poem** Linda Glaser 2010-04-05 Give me your tired, your poor Your huddled masses yearning to breathe free...Who wrote these words? And why? In 1883, Emma Lazarus, deeply moved by an influx of immigrants from Eastern Europe, wrote a sonnet that was to give voice to the Statue of Liberty. Originally a gift from France to celebrate our shared national struggles for liberty, the Statue, thanks to Emma's poem, slowly came to shape our hearts, defining us as a nation that welcomes and gives refuge to those who come to our shores. This title has been selected as a Common Core Text Exemplar (Grades 4-5, Poetry)

**Tremendous Things** Susin Nielsen 2021-05-25 From Governor General's Literary Award--winning author Susin Nielsen comes a funny and heartfelt story about learning how to rise above your most embarrassing moment with humor, best friends and a killer triangle solo. We all have moments that define us. For the comically clueless Wilbur, his moment happened on the first day of middle school, when someone shared his private letter with the entire student body. It revealed some of Wilbur's innermost embarrassing thoughts that no one else should ever know. Now it's the start of ninth grade and Wilbur hasn't been able to escape that major humiliation. His good friend Alex stuck by him, but Alex doesn't have as much time since he started dating Fabrizio. Luckily, Wil can confide in his best friend: his elderly neighbor Sal. Also, Wil's in the school band, where he plays the triangle. They're doing an exchange program with students from Paris, and Wilbur's billet, Charlie, a tall, chic young woman who plays the ukulele and burps with abandon, captures his heart. Charlie likes him, but only as a friend. So Alex, Fabrizio and Sal host a Queer Eye-style intervention to get Wil in shape and to build his confidence so he can impress Charlie when their band visits Paris, and just maybe replace humiliation with true romance in the City of Love.

The Oxford History of Western Music: The earliest notations to the sixteenth century Richard Taruskin 2005 Intends to illuminate, through a representative sampling of masterworks, those themes, styles, and currents that give shape and direction to each musical age. Taking a critical perspective that challenges the wisdom of the field, the author sets the details of music--the chronological sweep of figures, works, and musical ideas--within the larger context of world affairs and cultural history.

*Complete Poems and Collected Letters of Adelaide Crapsey* Susan Sutton Smith 1977-01-01 This book presents

the poetry and letters of the American writer Adelaide Crapsey (1878-1914). Her best poetry deserves to be enjoyed by a larger audience, and her letters and newly discovered biographical materials reveal new charm and meaning in an intriguingly elusive character. Crapsey did not live to see any of her mature poetry published: she received notice that her first poem had been accepted for publication only a week before she died. Posthumous editions of her Verse (in 1915, 1922, and 1934), however, brought her recognition and respect. Carl Sandburg paid her a poetic tribute. American critic Yvor Winters praised her as "a minor poet of great distinction" and felt that her poems remained "in their way honest and acutely perceptive." Her best work is compressed, terse, related in this respect to the work of another American poet who won posthumous recognition, Emily Dickinson. Crapsey is best known as the inventor of the cinquain, a poem of five short lines of unequal length: one-stress, two-stress, three-stress, four-stress, and one-stress. The cinquain is one of the few modern verse forms developed in English, and its brevity and characteristic thought pattern seem to have been influenced by Japanese forms. Crapsey's indebtedness to Japanese poetry and her relation to Imagism have long been subjects for debate. As Winters notes, the work of Crapsey "achieves more effectively than did almost any of the Imagists the aims of Imagism." The critical introduction by Professor Susan Sutton Smith examines these problems. Much of Crapsey's poetry is reticent, withdrawn, and private, and she believed strongly in the individual's right to privacy. Whatever new biographical materials reveal of her and of her relations with family and friends, however, shows a charming and courageous woman. Her courage and humor show especially well in her correspondence with her friend Esther Lowenthal and in the letters with her friend Jean Webster McKinney, author of Daddy Long-Legs, who died soon after Crapsey.
