See Me Chapel Cove Romances 2021-06-28 Fairytale romances can't happen in real life. Or can they? It's love at first sight when reclusive inventor Jesse Buckley meets unemployed music teacher Bronte, moonlighting as a take-out delivery driver. Okay, so splattering guacamole and sour cream over them both wasn't the best way to impress the woman he hopes to make his wife, but from here on the only way is up, right? Still, maybe offering her a job as his chauffeur and personal assistant wasn't one of his best ideas. It means he'll see her almost every day, sure. It also means, as one of his employees, she's out-of-bounds. Besides, though he's had to admit to his failing eyesight, he hasn't told her yet that one day he'll become completely blind. And he's managed to keep the little fact he's one of the wealthy owners of the business a secret, letting her believe he's just another staff member. Desperate to untangle the mess a con man left her life and her finances in, Bronte gratefully said yes to the job Jesse offered her. Spending most of her time with a sweet, kind, handsome guy she could easily fall head-over-heels for wasn't supposed to be part of the deal. After all, the last man she thought loved her stole everything she had. Her home, her inheritance, her music, her faith, and most of all, her trust in her own judgment. A new love isn't on her wish list, especially when she can't shake the feeling Jesse's hiding something from her. What neither counted on was Jesse's ailing grandmother and her determination to see him settled with the right woman. First she beguiles them into a fake engagement neither will admit they want to make real. Then she maneuvers them into accompanying her on a trip to Chapel Cove to visit his former PA, Nai. Could it be, the spring vacation in a small Oregon seaside town will bring love, renewed faith, and God's sweet healing for them all? Welcome to Chapel Cove, Oregon, where life begins at forty. Gospel Praises for Use in Meetings of Christian Worship William James Kirkpatrick 1899

The Prayer of Faith Carrie Judd Montgomery 2014-01-02 Carrie Frances Judd Montgomery (1858-1946) was an evangelist, faith healer, and influential author. "How strange and sad it is," she writes, "that when the Bible abounds in such rich promises for supplying the need both of soul and body, that we should be languishing in either. Let us together, earnestly and prayerfully, search God's Word, and by its light dispel the mists of unbelief, which prevent our seeing clearly the blessings which are only awaiting our grasp of faith."

Choose Me Chapel Cove Romances 2019-08-08 The one thing he wants most in the world, she can't give him. Her heart broken at the altar, real estate agent Julia Delpont moves south to Chapel Cove, away from the humiliation, the gossip, the stares. At least in this small town, nobody knew her story. And she had every intention of keeping it that way. No man would ever break her heart again. He suspects that finding the perfect woman will take far longer. When Julia Delpont literally stumbles into Hudson's life, he knows he's the one who has fallen harder. But Julia is afraid to open her heart again. Especially to the handsome doctor whose deepest desires she cannot fill. Welcome to Chapel Cove, Oregon, where life begins at forty. Course Corrections to Faith and Identify the Real Gospel Authors John Zavicar 2022-07-19 The author believed he was a saved Christian and never doubted he was going to heaven. Recently, during a traumatic surgery that nearly killed him, God took him to hell to show him his true eternal destination. After surgery and during recovery, John started working with the Holy Spirit to understand why God sent him to visit hell. He realized it was because he hadn't wholeheartedly accepted the story of Jesus. Many of the Biblical Gospels never made sense to John and he couldn't fully commit to Jesus. Read John's story to find out how God worked in his life to identify the real authors of the Gospels and how this solidified his faith. Following this investigation, John committed 100% to Jesus. Apply the five-step process he describes to firm up your faith and eliminate your doubts in Jesus, just as he did.

Flirting with Faith Joan Ball 2010-05-11 As a thirty-seven-year-old, highly skeptical, deeply rational woman, Joan had it all: loving family, extravagant home, a high-profile career, even personal contentment. So Joan was more surprised than anyone when she was relieved in an instant from the luxury of spiritual doubt and compelled to realign her life around practices of

faith--about which she was a novice. With an unexplainable desire to pursue whatever God had for her at whatever cost was called for, Joan left her high-salary profession, sold her home and all her furniture (with her husband's support), and started life from a blank slate. Finally realizing that she had been flirting with faith since she was a young teen, Joan fell in love with the God who had been pursuing her. Joan candidly shares the story of her radical life change as she moved from atheist, to agnostic in addiction recovery, to the unexpected moment when she was "struck" Christian. As Joan lets go of control and convention, her skepticism is gradually replaced with a realization that embracing her new faith with radical abandon led to a far more mysterious and countercultural lifestyle than she'd ever imagined.

Faith Talk Ruth Naylor 2019-08-09 The author's original intent in writing this memoir was to reflect on her life and share personal stories of faith with her children and grandchildren. She writes of prayer and of God's often unrecognized availability, presence, and providence. A writer-editor at one Christian Writers Conference examined the developing manuscript and encouraged her to add questions at the end of each chapter, directing reader reflection and extending the book's usefulness far beyond just family. A contemplative Quaker upbringing created keen awareness of the Holy Spirit and established a mystical foundation for the author's life, helping her understand what it means to be in an active living-loving relationship with God, a channel of divine love such as revealed in the life and teachings of Jesus. Each chapter has its own theme, and the stories are not always in chronological order because some themes recur over a lifetime. The author shares openly the highs and lows of her less-than-perfect life—things not uncommon to humankind but which are seldom subjects of conversation in our fast-paced, secular world. The stories reveal vulnerability and challenges to faith as well as affirmations. Poems and prayers, written at or near the time of the unfolding stories, plumb the depths of the author's experience. Questions at the end of each chapter are similar to those a spiritual director might ask to invite consideration of one's own spiritual journey—where faith has strengthened them, where it has faltered, or where it has invited new growth.
