In his upcoming book, The Tapping Solution, he gives readers everything they need to successfully start using the powerful practice of tapping - or Emotional Freedom Techniques (EFT). This kind of conditioning can help rid practitioners of everything from chronic pain to phobias to addictions. Because of tapping's proven success in healing such a variety of problems, Ortner recommends to try it on any challenging issue. In The Tapping Solution, Ortner describes not only the history and science of tapping but also the practical applications. In a friendly voice, he lays out easy-to-use practices, diagrams, and worksheets that will teach readers, step-by-step, how to tap on a variety of issues. The Millionaire Fastlane MJ DeMarco 2011-01-04 10TH ANNIVERSARY EDITION Is the financial plan of mediocrity -- a dream-stealing, soul-sucking dogma known as "The Slowlane" your plan for creating wealth? You know how it goes; it sounds a lil something like this: "Go to school, get a good job, save 10% of your paycheck, buy a used car, cancel the movie channels, quit drinking expensive Starbucks mocha lattes, save and penny-pinch your life away, trust your life-savings to the stock market, and one day, when you are oh, say, 65 years old, you can retire rich." The mainstream financial gurus have sold you blindly down the river to a great financial gamble: You've been hoodwinked to believe that wealth can be created by recklessly trusting in the uncontrollable and unpredictable markets: the housing market, the stock market, and the job market. This impotent financial gamble dubiously promises wealth in a wheelchair -- sacrifice your adult life for a financial plan that reaps dividends in the twilight of life. Accept the Slowlane as your blueprint for wealth and your financial future will blow carelessly asunder on a sailboat of HOPE: HOPE you can find a job and keep it, HOPE the stock market doesn't tank, HOPE the economy rebounds, HOPE, HOPE, and HOPE. Do you really want HOPE to be the centerpiece for your family's financial plan? Drive the Slowlane road and you will find your life deteriorate into a miserable exhibition about what you cannot do, versus what you can. For those who don't want a lifetime subscription to "settle-for-less" and a slight chance of elderly riches, there is an alternative; an expressway to extraordinary wealth that can burn a trail to financial independence faster than any road out there. Why jobs, 401(k)s, mutual funds, and 40-years of mindless frugality will never make you rich young. Why most entrepreneurs fail and how to immediately put the odds in your favor. The real law of wealth: Leverage this and wealth has no choice but to be magnetized to you. The leading cause of poorness: Change this and you change everything. How the rich really get rich - and no, it has nothing to do with a paycheck or a 401K match. Why the guru's grand deity - compound interest - is an impotent wealth accelerator. Why the guru myth of "do what you love" will most likely keep you poor, not rich. And 250+ more poverty busting distinctions... Demand the Fastlane, an alternative road-to-wealth; one that actually ignites dreams and creates millionaires young, not old. Change lanes and find your explosive wealth accelerator. Hit the Fastlane, crack the code to wealth, and find out how to live rich for a lifetime.

Beginning with highlights on how to organize and initiate a circle, the book offers 52 weeks of topics for inquiry, meditations, and inspirational words to close the circle meeting. Focusing on issues currently facing the majority of women today, the mission of the book is to promote the idea of women speaking, sharing and working with other women to effect critical change in our culture, beginning with self-change - a phenomenon Jean Shinoda Bolen calls "a revolutionary-evolutionary movement that is hidden in plain sight."

100% Answered Prayer Francis Jonah 2019-12-04 The master key to answered prayer has nothing to do with the prayer itself. Prayer is not mysterious. It was not meant to be. Prayer is not man disturbing God. It is rather God disturbing man. Prayer is actually God calling man to come to Him. Prayer is abundance calling lack. Prayer is supply calling demand. Prayer is plenty calling few. Prayer is divinity calling humanity. It is strength calling weakness. Look at the verse below carefully: Jer 33:3 Call unto me, and I will answer thee, and shew thee great and mighty things, which thou knowest not. Jeremiah 33:3 The verse is clear with no ambiguity. God says we should call unto him. Who is asking who to call? Yes, you are right. God is asking us to call unto Him. That is God disturbing us to pray. He wants us to pray. He wants us to commune with Him. He wants to do things for us and with us. He is only limited because we are not praying. I understand His frustration. When you have 500 million cars and no one is asking you for just one, it becomes a thing of frustration to you. You want to bless people because it is too much for one person. It is the same with God. He is too loaded. His promise when we call unto Him is simple. He says He will answer us. God is more willing to give to us than we are willing to receive from Him. That is what makes Him a generous God. Jas 1:5 If any of you lack wisdom, let him ask of God, that giveth to all men liberally, and upbraideth

not; and it shall be given him. James 1:5 He gives liberally, he gives generously. If He is your God, you have all the confidence to approach Him. This book will make you a master in receiving 100% answers to prayer. It is sure to cause a revolution
