American English Zoltan Kovecses 2000-09-26 This book is a cultural-historical (rather than purely linguistic) introduction to American English. The first part consists of a general account of variation in American English. It offers concise but comprehensive coverage of such topics as the history of American English; regional, social and ethnic variation; variation in style (including slang); and British and American differences. The second part of the book puts forward an account of how American English has developed into a dominant variety of the English language. It focuses on the ways in which intellectual traditions such as puritanism and republicanism, in shaping the American world view, have also contributed to the distinctiveness of American English.

Teacher Well-Being in English Language Teaching Luis Javier Pentón Herrera 2022-11-11 This edited volume brings the important topic of teacher well-being to the fore, presenting a range of high quality and cutting-edge contributions that illuminate, advance and educate readers on the challenges and criticality of achieving teacher well-being in English language teaching (ELT). Taking Sarah Mercer's call for action to make teacher well-being a priority in the ELT field, and adopting an ecological perspective reflective of the stance that teacher well-being is a societal duty and not a personal responsibility, the contributors present theoretically and methodologically innovative research studies from all around the world. The term 'teacher' is used to refer to those who deliver English instruction in a

variety of formal and informal educational settings and at different levels including K-12 schools, adult education, higher education, teacher education programs, and in community organizations. Chapters offer clear implications for research and practice, and explore effective practices and interventions that can contribute to the improvement of teacher well-being overall. Addressing a profession which is not only characterized as being filled with high levels of stress, but delving into specific challenges around ELT in particular, the authors crucially speak to themes around the additional emotional investment and labor which come with being an English language teacher. As such, it will appeal to academics and researchers in the field of English language teaching, including scholar-practitioners, and teacher educators.

Speak English Fluently Like a Native American in Just One Week Shuchi Mishra 2018-11-04 Book Description In this book, I am talking about "how to speak like a Native American in just one week, short and simple. Therefore, if you wish to speak clear and confident English like an American even without visiting the United States, you'll be able to achieve this by following the simple steps that are explained in detail in this book. The goal of this book is for you to be understood and confident while you speak. You have spent years and years studying and practicing the English language. You are fluent in English but if your pronunciation is unclear then your message will not be heard or understood. For you to be effective in your English pronunciation, you must learn to speak English in a way that others will easily understand you. I firmly believe that anyone can learn to use fluent English pronunciation no matter your age or whether you live in the United States or in another country. If you follow this book step by step, you will be able to speak like a native American. These days English is taught increasingly as an international language. To use English as an international language, the only real issues are those that affect intelligibility. The important thing is to be able to communicate with others, be they native or non-native speakers. Everybody has an accent, although, if you think that a person doesn't have an accent, this could be because they have the same accent as you. A person's accent is part of their history and their identity. If you are working for any US client, you might be in trouble, if you don't speak like a native

American. American accent is the most popular accent in the world. Spread around the world by American cinema, music, television etc, this is the easiest accent for most people to understand, whether native speakers or non-native speakers. This is understood by most people worldwide. Most people expect to hear the accent they're familiar with. Anything else stands out. Speak English Like A Native American Will Help You in your career advancement look more professional boost your career tremendously Who This Book Is For If you are in the management role, English clearly is important so that you don't feel hesitant to speak up or ask questions. Otherwise, you will feel like a bit of a 'second-class citizen' if you don't have a good accent. If you are managing international meetings, and need to be understood by a lot of different nationalities in the meetings. If you are misunderstood by people around you, and it's frustrating to have to repeat yourself again and again. If you want to move to Australia/England/ the U.S. This book will take your English to the next level. You can start real conversations with native English speakers. You have studied English for years and yet you still do not speak well. When you speak English, you make grammar mistakes. Your pronunciation is not clear. Worst of all, you feel nervous and shy when you try to speak English. You read English well, but after all these years you still cannot speak well. The problem is we learn traditional grammar in schools/colleges. With traditional grammar, you can become a good writer but not a good fluent speaker. You can read but still, you feel shy to speak English. English is not just a list of words and grammar rules. Speaking fluent English is usually just about knowing the right thing to say in any given situation. This book will tell you how to feel stronger, calmer, and more powerful when speaking English. You may find it difficult to learn and speak English in the absence of right guidance. This book provides a blueprint to practice everyday conversation. Is it possible to learn a new language? Can it be possible for you to speak like a true native American? Of course the answer is "yes!" And I will show you how, enjoy

Friedrich Nietzsche: Beyond Good and Evil (English Edition) Friedrich Nietzsche 2018-12-18 "To love one's enemies? I think that has been well learnt: it takes place thousands of times at present on a large and small scale; indeed, at times the higher and sublimer thing takes place:—we learn to DESPISE when we love, and precisely when we love best; all of it, however, unconsciously, without noise, without ostentation, with the shame and secrecy of goodness, which forbids the utterance of the pompous word and the formula of virtue. Morality as attitude—is opposed to our taste nowadays. This is ALSO an advance, as it was an advance in our fathers that religion as an attitude finally became opposed to their taste, including the enmity and Voltairean bitterness against religion (and all that formerly belonged to freethinker-pantomime). It is the music in our conscience, the dance in our spirit, to which Puritan litanies, moral sermons, and goody-goodness won't chime." In "Beyond Good and Evil" Friedrich Nietzsche accuses past philosophers of lacking critical sense and blindly accepting dogmatic premises in their consideration of morality. It was first published in 1886. "Beyond Good and Evil" exposes the deficiencies of those usually called "philosophers" and identifies the qualities of the "new philosophers": imagination, self-assertion, danger, originality, and the "creation of values".

USING GOOD ENGLISH FOR TOEFL PREPARATION M. Zainul Arifin Buku yang berjudul Using Good English for TOEFL Preparation merupakan hasil penelitian panjang, baik melalui penelitian kelas, penelitian perpustakaan, study kelompok, maupun kecenderungan materi yang diujikan dalam TOEFL, sudah banyak buku-buku TOEFL lainnya yang menuliskan cara mudah mengerjakan TOEFL namun buku

ini hadir dengan terobosan dan metode yang berbeda dengan buku lainnya. Hadirnya buku ini diyakini akan mampu membantu mereka yang sedang mengalami kesulitan dalam menghadapi tes TOEFL, bagi mereka yang ingin melanjutkan S2, dan juga bagi mereka yang ingin mengambil beasiswa keluar negeri. Setidaknya ada beberapa ciri khas dan kelebihan buku ini antara lain: 1. Buku ini mencakup kisi-kisi materi materi yang diujikan dalam tes TOEFL namun juga memuat pembahasan dan juga tata bahasa (grammar) yang benar menurut kaidah tata bahasa Inggris. 2. Pada bagian awal (structure and written expression) terdapat pengelompokan unsur-unsur kalimat secara detail sehingga kita dapat menganalisa dan mengerjakan TOEFL dengan mudah 3. Dilengkapi dengan dengan 100 contoh soal structure and written expression and 100 contoh soal error identification. 4. Di dalam setiap pembahasan soal kita dapat menemukan dan mengelompokkan jenis soal tersebut sesuai nomor halaman yang kami tunjukkan di dalam kunci jawaban. 5. Dengan niat yang baik dan tujuan yang baik penulis juga memberi kesempatan bagi pembaca untuk bertanya atau jika mengalami kesulitan dalam memahami buku yang kami tulis. Using Good English kami persiapkan dengan sangat matang dan terkonsep. Kami sangat berharap buku ini bermanfaat untuk siapa pun yang hendak mengambil tes TOEFL.
