Victor Hugo and His Times Alfred Barbou 2001-07 Alfred Barbou was himself a famous writer at that time as well as an intimate friend of Victor Hugo. This book was approved by Victor Hugo and his wife, was translated into several languages, and is generally considered to be the best life of Victor Hugo. The book was published just before the death of Victor Hugo, and is here presented in its original form, with a chapter upon the closing years and death of Victor Hugo having been added by the editor to bring the narrative to completion.

a prequel to *The Bookseller*. Original.

Hugo Von Hofmannsthal and His Time Hermann Broch 1984-08-15 Hermann Broch (1886-1951) is remembered among English-speaking readers for his novels *The Sleepwalkers* and *The Death of Virgil*, and among German-speaking readers for his novels as well as his works on moral and political philosophy, his aesthetic theory, and his varied criticism. This study reveals Broch as a major historian as well, one who believes that true historical understanding requires the faculties of both poet and philosopher. Through an analysis of the changing thought and career of the Austrian poet, librettist, and essayist Hugo von Hofmannsthal (1874-1929), Broch attempts to define and analyze the major intellectual issues of the European fin de siècle, a period that he characterizes according to the Nietzschean concepts of the breakdown of rationality and the loss of a central value system. The result is a major examination of European thought as well as a comparative study of political systems and artistic styles.

King Hugo's Huge Ego Chris Van Dusen 2011-07-26 From a master of visual comedy comes the royally satisfying tale of a head swollen out of proportion and a blowhard brought down to earth. Hugo is a tiny king with a very large ego. But when he mistreats a villager who also happens to be a sorceress, the spell she casts causes his head to literally swell. The more he boasts, the bigger it gets, until it finally topples the mini monarch right off his castle! Who will cut this royal pain down to size? And, more important, will anyone live happily ever after? Chris Van Dusen's hilarious story is matched only by his outrageous illustrations. Together, they make for a picture book that is sometimes fairy tale, sometimes cautionary tale, and always laugh-out-loud funny.

The Invention of Hugo Cabret Brian Selznick 2015-09-03 *ORPHAN, CLOCK KEEPER, AND THIEF*, twelve-year-old Hugo lives in the walls of a busy Paris train station, where his survival depends on secrets and anonymity. But when his world suddenly interlocks with an eccentric girl and her grandfather, Hugo's undercover life, and his most precious secret, are put in jeopardy. A cryptic drawing, a treasured notebook, a stolen key, a mechanical man, and a hidden message from Hugo's dead father form the backbone of this intricate, tender, and spellbinding mystery.

Hugo Deani Runs Late Sharon Cassanoloachman 2021-05-19 From the 2019 Winner of the Next Generation Indie Book Awards, 2018 Winner of the Selah Award, International Best-Selling author Sharon CassanoLochman Dedicated to all military families for their unselfish devotion and service to our country. HUGO DEANI RUNS LATE Hugo Deani was really, really, really late! His grandmother told him to pick up an ice cream cake and flowers-and don't be late! But Hugo Deani had stopped to play, and the afternoon turned into a disaster! The cake was melting, and he had a handful of stems instead of flowers. Play had seemed more important than a cake and flowers. Join Hugo Deani as he learns the harsh lesson that some things are more important than play. "Hugo Deani Runs Late is whimsical & fast-paced. It kept me eagerly turning the pages, waiting to see what fun distraction Hugo would find next. And the end provided a heartwarming reunion. A sweet and touching read that I would recommend to parents, caregivers, and teachers to share with their children."-Joellen Schwallie, Author "The best stories paint such vivid images in your mind that you feel yourself in the action and unable to stop thinking about it once the story ends. Hugo Deani Runs Late achieves that and so much more with a very impactful lesson that will touch all hearts, whether young or old."-Betty J. Fruin, Inspirational Writer

Juliette Drouet's Love-Letters to Victor Hugo : Edited with a Biography of Juliette Drouet Louis Guimbaud 2015-11-21 Juliette Drouet's Love-Letters to Victor Hugo : Edited with a Biography of Juliette Drouet In the first portion we present the biography of Juliette Drouet in the form of a series of synthetic tableaux, each tableau summarising several lustres of her life. We thus avoid the long-drawn-out narrative, year by year, of an existence devoid of incident or adventure. In the second, we publish those letters which strike us as peculiarly eloquent, witty, or lyrical. In the light shed upon them by the preliminary biography, they form, as one might say, its justification and natural sequel. At the outset of her liaison with the poet Juliette does not date her "scribbles"; she merely notes the time of day and the day of the week, until about 1840; we have therefore been obliged to content ourselves with the classification effected by her in the collection of her manuscripts, and preserved by her executor. From 1840 she dated every sheet. Consequently our work simultaneously achieves more precision and certainty.

Hugo Chavez Cristina Marcano 2007-08-14 He is one of the most controversial and important world leaders currently in power. In this international bestseller, at last available in English, Hugo Chávez is captured in a critically acclaimed biography, a riveting account of the Venezuelan president who continues to influence, fascinate, and antagonize America. Born in a small town on the Venezuelan plains, Chávez found his interests radically altered when he entered the military academy in Caracas. There, as Hugo Chávez reveals in dramatic detail, he was drawn to leftist politics and a new sense of himself as predestined to change the fortunes of his country and Latin America as a whole. Portrayed as never before is the double life Chávez soon began to lead: by day he was a family man and a military officer, but by night he secretly recruited insurgents for a violent overthrow of the government. His efforts would climax in an attempted coup against President Carlos Andrés Pérez, an action that ended in a spectacular failure but gave Chávez his first irresistible taste of celebrity and laid the groundwork for his ascension to the presidency eight years later. Here is the truth about Chávez's revolutionary "Bolivarian" government, which stresses economic reforms meant to discourage corruption and empower

the poor-while the leader spends seven thousand dollars a day on himself and cozies up to Arab oil elites. Venezuelan journalists Cristina Marcano and Alberto Barrera Tyszka explore the often crude and comical public figure who condemns George W. Bush in the most fiery language but at the same time hires lobbyists to improve his country's image in the West. The authors examine not only Chávez's political career but also his personal life-including his first marriage, which was marked by a long affair and the birth of a troubled son, and his second marriage, which produced a daughter toward whom Chávez's favoritism has caused private tension and public talk. This seminal biography is filled with exclusive excerpts from Chávez's own diary and draws on new research and interviews with such insightful subjects as Herma Marksman, the professor who was his mistress for nine years. Hugo Chávez is an essential work about a man whose power, peculiarities, and passion for the global spotlight only continue to grow.

Hugo Sprouts and the Strange Case of the Beans John Loren 2021-07-06 Hugo Sprouts is a fantastic tale about a boy frustrated with being small. Luckily, Hugo P. Sprouts is a mad scientist and determined to find a solution... In his lab, Hugo develops a potion and finally becomes the biggest kid in town--but also the biggest jerk around. Hugo has great power, but will he learn responsibility before it's too late? John Loren's latest action-packed, madcap picture book will make kids and adults laugh out loud. It's an original idea with plenty of mistakes, bad behavior, and growing up to do on Hugo's part. John Loren pitches readers a zany premise, similar to Judi Barrett's Cloudy with a Chance of Meatballs and Chris Van Dusen's If I Built A Car, and runs with it. The illustrations are bold and energetic, a perfect match for the

(Victor Hugo's) Works Victor Hugo 1985

Opening the Road Keila V. Dawson 2021-01-26 "Hungry? Check the Green Book. Tired? Check the Green Book. Sick? Check the Green Book." In the late 1930s when segregation was legal and Black Americans couldn't visit every establishment or travel everywhere they wanted to safely, a New Yorker named Victor Hugo Green decided to do something about it. Green wrote and published a guide that listed places where his fellow Black Americans could be safe in New York City. The guide sold like hot cakes! Soon customers started asking Green to make a guide to help them travel and vacation safely across the nation too. With the help of his mail carrier co-workers and the African American business community, Green's guide allowed millions of African Americans to travel safely and enjoy traveling across the nation. In the first picture book about the creation and distribution of The Green Book, author Keila Dawson and illustrator Alleanna Harris tell the story of the man behind it and how this travel guide opened the road for a safer, more equitable America.

The CD-Rom also allows the user to shift back and forth from color image to underdrawing to x-ray, as well as to superimpose one over another."--P. 7.

Victor Hugo Graham Robb 1998 Against the background of French and European society from the Revolution to the dawn of the twentieth century, a grand biography brings to life the larger-than-life novelist, a founder of the Romantic movement, painter, political exile, and mystic.

The Memoirs of Victor Hugo Victor Hugo 2016-08-19 This book contains an intimate biography of seminal French writer Victor Hugo. It delves deep into his long and chequered life, one which was filled with the court and the street, parliament and the theatre, labour, struggles, disappointments, exile, and triumphs. This volume is highly recommended for fans of Hugo's work, and it would make for a worthy addition to any bookshelf. Victor Marie Hugo (1802 - 1885) was a French novelist, dramatist, and poet belonging to the Romantic movement. He is widely hailed as one of the most accomplished and well-known French writers, originally achieving renown for his poetical endeavours—the most notable of which are the volumes "Les Contemplations" and "La Légende des siècles". Outside of his native country, Hugo's best-known works are his novels: "Les Misérables" (1862) and "Notre-Dame de Paris" (1831), commonly known as "The Hunchback of Notre-Dame". Many vintage books such as this are becoming increasingly scarce and expensive. We are republishing this book now in an affordable, high-quality, modern edition complete with a specially commissioned new biography of the author.

Lord Hugo's Bride Marina Oliver 2016-11-13 Hugo, Earl of Winton, needs a wife and an heir if his weak cousin William and his unpleasant French wife Hortense, with the son who might not be her husband's, is

not to succeed him. He decides Phillipa Stannerly will be suitable. She is pretty, and an heiress. Phillipa, in love with Charles, is distraught. Then her French cousin Sophie du Plessis comes to London and promises to help her. Their mothers were twins, and the girls are sufficiently alike to confuse people who do not know them well. When Hugo sees Sophie on her own he offers her a lift home, intending to pursue his suit in the belief she is Phillipa. She maintains the deception, hoping to prove to her uncle that Hugo is not a fit husband for Phillipa. Her behaviour is, however, unlike Phillipa's shy response, and Hugo is intrigued.

The Essential Victor Hugo Victor Hugo 2004-06-10 'To the English, I am "shocking"...What's more, French, which is disgusting; republican, which is abominable; exiled, which is repulsive; defeated, which is infamous. To top it all off, a poet...' Victor Hugo dominated literary life in France for over half a century, pouring forth novels, poems, plays, and other writings with unflagging zest and vitality. Here, for the first time in English, all aspects of his work are represented within a single volume. Famous scenes from the novels *Notre-Dame*, *Les Misérables*, and *The Toilers of the Sea* are included, as well as excerpts from his intimate diaries, poems of love and loss, and scathing denunciations of the political establishment. All the chosen passages are self-contained and can be enjoyed without any previous knowledge of Hugo's work. Much of the material is appearing in English for the first time, and most of it has never before been annotated thoroughly in any language.

The Seven Husbands of Evelyn Hugo Taylor Jenkins Reid 2017-06-13 The epic adventures Evelyn creates over the course of a lifetime will leave every reader mesmerized. This wildly addictive journey of a reclusive Hollywood starlet and her tumultuous Tinseltown journey comes with unexpected twists and the most satisfying of drama.

[The Reluctant Matador](#) Mark Pryor 2015 "A twenty-something American model, Amy Denum, disappears in Paris. Her father turns for help to his old friend Hugo Marston, the security chief at the American Embassy. Marston makes some enquiries and quickly realizes something is amiss- Amy was not a model, as she claimed, but a dancer at a seedy bar. Now she is in Spain with a guy named Felix. With his friend and former CIA agent Tom Green, Marston heads for Barcelona. Breaking into Felix's house, the two sleuths encounter a shocking scene- Amy's father, Bart, standing over the dead and battered body of their chief suspect. Though Bart protests his innocence, under the damning circumstances, Spanish authorities arrest him for murder. Then Felix's body disappears from the morgue and Marston receives a grisly package containing human body parts. The two American investigators are faced with their biggest challenge ever- find the real killer, prove Bart's innocence, and locate his missing daughter without getting killed along the way."

Build Websites with Hugo Brian P. Hogan 2020-05-06 Database-driven sites bring complexity you might not need, but building a site by hand is too much work. Hugo is a static site generator and web development framework that creates content sites quickly without the overhead or dependencies of a dynamic web framework. With Hugo, you use HTML templates and Markdown to build static sites you can host anywhere, letting you use the skills you already have. Develop your own theme using standard HTML and CSS, using Hugo's powerful templating features to organize your site's components. Create your site's content with HTML or Markdown and use Hugo's content templating features to build new content quickly. Build a fully-featured blog with archive pages, tagging, and pagination, and integrate an external commenting system to provide interactivity. Use data from front-matter, site-wide configuration, and external JSON sources to add content, and generate JSON others can use. Integrate JavaScript with your site to create a search engine. Get Hugo working with Webpack so you can leverage the wider web development ecosystem, and explore ways to publish your site to various services. Finally, learn how you
