Sex, Not Love Vi Keeland 2018-01-15 From #1 New York Times Bestseller Vi Keeland, comes a new, sexy standalone novel. My relationship with Hunter Delucia started backwards. We met at a wedding—him sitting on the groom's side, me sitting on the bride's. Stealing glances at each other throughout the night, there was no denying an intense, mutual attraction. I caught the bouquet; he caught the garter. Hunter held me tightly while we danced and suggested we explore the chemistry sparking between us. His blunt, dirty mouth should've turned me off. But for some crazy reason, it had the opposite effect on me. We ended up back in my hotel room. The next morning, I headed home to New York leaving him behind in California with the wrong number. I thought about him often, but after my last relationship, I'd sworn off of charming, cocky, gorgeous-as-sin men. A year later, Hunter and I met again at the birth of our friends' baby. Our attraction hadn't dulled one bit. After a whirlwind trip, he demanded a real phone number this time. So I left him with my mother's—she could scare away any man with her talks of babies and marriage—and flew back home. I'd thought it was funny, until the following week when he rang the bell at Mom's house for Sunday night dinner. The crazy, gorgeous man had won over my mother and taken an eight-week assignment in my city. He proposed we spend that time screwing each other out of our systems. Eight weeks of mind-blowing sex with no strings attached? What did I have to lose? Nothing, I thought. It's just sex, not love. But you know what they say about the best laid plans...

Exploring the Interior Karl S. Guthke 2018-05-24 In this fascinating collection of essays Harvard Emeritus Professor Karl S. Guthke examines the ways in which, for European scholars and writers of the eighteenth and early nineteenth century, world-wide geographical exploration led to an exploration of the self. Guthke explains how in the age of Enlightenment and beyond intellectual developments were fuelled by excitement about what Ulrich Im Hof called "the grand opening-up of the wide world", especially of the interior of the non-European continents. This outward turn was complemented by a fascination with "the world within" as anthropology and ethnology focused on the humanity of the indigenous populations of far-away lands – an interest in human nature that suggested a way for Europeans to understand themselves, encapsulated in Gauguin's Tahitian rumination "What are we?" The essays in the first half of the book discuss first- or second-

hand, physical or mental encounters with the exotic lands and populations beyond the supposed cradle of civilisation. The works of literature and documents of cultural life featured in these essays bear testimony to the crossing not only of geographical, ethnological, and cultural borders but also of borders of a variety of intellectual activities and interests. The second section examines the growing interest in astronomy and the engagement with imagined worlds in the universe, again with a view to understanding homo sapiens, as compared now to the extra-terrestrials that were confidently assumed to exist. The final group of essays focuses on the exploration of the landscape of what was called "the universe within"; featuring, among a variety of other texts, Schiller's plays *The Maid of Orleans* and *William Tell*, these essays observe and analyse what Erich Heller termed "The Artist's Journey into the Interior." This collection, which travels from the interior of continents to the interior of the mind, is itself a set of explorations that revel in the discovery of what was half-hidden in language. Written by a scholar of international repute, it is eye-opening reading for all those with an interest in the literary and cultural history of (and since) the Enlightenment.

Literary Culture in the Holy Roman Empire, 1555-1720 James A. Parente 1991 These essays discuss approaches to early modern literature in central Europe, focusing on four pivotal areas: connections between humanism and the new scientific thought; the relationship of late sixteenth- and early seventeenth-century literature to ancient and Renaissance European traditions; the social and political context of early modern writing; and the poets' self-consciousness about their work. As a whole, the volume argues that early modern writing in central Europe should not be viewed solely as literature but as the textual product of specific social, political, educational, religious, and economic circumstances. The contributors are Judith P. Aikin, Barbara Becker-Cantarino, Thomas W. Best, Dieter Breuer, Barton W. Browning, Gerald Gillespie, Anthony Grafton, Gerhart Hoffmeister, Uwe-K. Ketelsen, Joseph Leighton, Ulrich Mache, Michael M. Metzger, James A. Parente, Jr., Richard Erich Schade, George C. Schoolfield, Peter Skrine, and Ferdinand van Ingen.

Touchdown Love

From Goethe to Gundolf Roger Paulin 2021-08-24 *From Goethe to Gundolf: Essays on German Literature and Culture* is a collection of Roger Paulin's groundbreaking essays, spanning the last forty years. The work represents his major research interests of Romanticism and the reception of Shakespeare in Germany, but also explores a broader range of themes, from poetry and the public memorialization of poets to fairy stories - all meticulously researched, yet highly accessible. As a comprehensive examination of German literary history in the period 1700-1900, the collection not only includes accounts of the lives and work of Goethe, Schiller, the Schlegels, and Gundolf (amongst others), serving to nuance our understanding of these figures in history, but also considers diverse (and often underexplored) topics, from academic freedom to the rise of travel literature. The essays have been reformulated, corrected, and updated to add references to recent works. However, the core foundations of the originals remain, and just as when they were first published, the value of these essays – to researchers, students, and all those who are interested in German literary history – cannot be overstated.

Confronting Antisemitism from the Perspectives of Christianity, Islam, and Judaism Armin Lange 2020-10-26 This volume engages with antisemitic stereotypes as religious symbols that express and transmit a belief system of Jew-hatred. These religious symbols are stored in Christian, Muslim and even today's secular cultural and religious memories. This volume explores how antisemitic religious symbol systems can play a key role in the construction of group identities.

What She Left T.R. Richmond 2016-01-12 In this brilliantly modern novel of love, obsession, and revenge, a professor pieces together the life and mysterious death of a former student—and unearths a shocking revelation about her final days. “A deliciously modern take on the psychological thriller” (Daily Telegraph). On a snowy February morning, the body of twenty-five-year-old journalist Alice Salmon washes up on a riverbank south of London. The sudden, shocking death of this beloved local girl becomes a media sensation, and those who knew her struggle to understand what happened to lively, smart, and savvy Alice Salmon. Was it suicide? A tragic accident? Or...murder? Professor Jeremy Cooke, known around campus as Old Cookie, is an anthropologist nearing the end of his unremarkable academic career. Alice is his former student, and the object of his unhealthy obsession. After her death, he embarks on a final project—a book documenting Alice's life through the digital and paper trails that survive her: her diaries, letters, Facebook posts, Tweets, and text messages. He collects news articles by and about her; he transcribes old voicemails; he interviews her friends, family, and boyfriends. Bit by bit, the real Alice—a complicated and vulnerable young woman—springs fully formed from the pages of Cookie's book...along with a labyrinth of misunderstandings, lies, and secrets that cast suspicion on everyone in her circle—including Jeremy himself.

Diamanten im Staub Charmaine Pauls 2021-10-21 Männer wie wir sehen Dinge. Wir tun Dinge, die uns gefühllos machen. Das ist der Preis für Macht und Geld, dafür, dass wir la belle vie leben und die französische Mafia leiten. Dann tauchte sie auf wie eine hübsche Wildblume, die durch die Ritzen eines schmutzigen Pflasters wächst – zerbrechlich und doch unverwüstlich, ein Hauch von Schönheit inmitten des Schmutzes. Sie sollte nur ein weiterer Job sein, eine namenlose Person, die ich aus ihrem Leben reißen und meinem Bruder übergeben sollte, nichts weiter als ein Pfand in unserem Diamantengeschäft. Für Männer wie uns gibt es einen psychologischen Stempel. Uns fehlt es an Empathie und Schuldgefühlen. Wir tun Dinge, um zu

Obsessed - Until You're Mine Maria O'Hara 2020-04-25 You don't see me, but I see you. I always see you. I'm always there - no matter what you do. No matter if you're a lovely mother during the day or a debauched whore at night. I see you reading to your child or wrapping your legs around a pole. I see you rubbing your petite body against other men and serving guests in your chaste uniform. I know who you are, and who you would like to be. I know what you need and you will get it. Soon. Then you will be mine.

Gabriel spent years beating himself up over his last encounter with Nikki. He'd wanted her then, but for reasons that were bad for both of them. Things have now changed. The Silver Swan Amo Jones 2017-03-07 Riddle me this... "I am neither dead, nor alive, and I'm not something little Madison can hide. But you will be dead, by the time this is done... the timer starts now, and the games have just begun..." Madison Montgomery comes from money and power, but when someone close to her commits the ultimate crime, Madison must live with her tainted name for the rest of her life. When she begins Riverside Preparatory Academy, the private school her father has swept her into in The Hamptons, she hopes for a fresh start. What she wasn't hoping for was the pack of bad boys who run the school; ten, to be

exact. When Madison gains the attention of their leader, Bishop Vincent Hayes, a whole new world that she didn't think existed is exposed to her. A whole world that starts and ends with The Elite Kings Club and these boys, are about to flip her world upside down. Secrets are overflowing and family lies are about to be exposed. Is there more to Madison Montgomery than even she knows? About this book: I need to admit something right now. The Silver Swan is f**cked. It might be the most insane story I've ever written with equally insane characters. Who knew? You know, when I started this book, it was supposed to be YA. I wanted to write a book that my sisters could read. A book that won't have people look at my mum like "damn... what sort of messed up shit happened to your kid?." The angst, the assholiness, the games, the f**kery, the WHAT THE F**KING F**K ARE YOU DOING !!!... I cannot even.... anyway, this is a warning (and the only one I'll give you). It's crazy. I don't compare my work to my others, but this book is f**cked. It will most likely stomp all the f**k over people's hard limits (and not give a sh*t while it's doing it) and will make you second guess all the morals you thought you had. This most definitely is not looking like a love story right now... more like a..... I don't even.... anyway, I apologise now. You asked for it..

Franz Kafka Stanley Corngold 2018-03-15 In Stanley Corngold's view, the themes and strategies of Kafka's fiction are generated by a tension between his concern for writing and his growing sense of its arbitrary character. Analyzing Kafka's work in light of "the necessity of form," which is also a merely formal necessity, Corngold uncovers the fundamental paradox of Kafka's art and life. The first section of the book shows how Kafka's rhetoric may be understood as the daring project of a man compelled to live his life as literature. In the central part of the book, Corngold reflects on the place of Kafka within the modern tradition, discussing such influential precursors of Cervantes, Flaubert, and Nietzsche, whose works display a comparable narrative disruption. Kafka's distinctive narrative strategies, Corngold points out, demand interpretation at the same time they resist it. Critics of Kafka, he says, must be aware that their approaches are guided by the principles that Kafka's fiction identifies, dramatizes, and rejects.

From the Land of the Moon Milena Agus 2010-12-28 "Powerful . . . The vivid descriptions of the Sardinian landscape are a fitting complement to the heroine's conflicted heart" (Kirkus Reviews, starred review). As this compelling novel opens, a young unnamed woman reflects on the life of her bewitching, eccentric, and fiercely emotional grandmother, whose abiding search for love spans much of the twentieth century. In 1943, as American bombs fall on the city of Cagliari, she is thirty and considered an old maid, still living at home with her parents. But when the bombing ceases, and despite her protests, her father forces her to marry the first man to propose, an older widower she doesn't love. After suffering several miscarriages, she is sent for treatment at a spa on the mainland, where she falls in love with an injured Italian army veteran. Back home, she gives birth to a son. She never reveals the affair to her husband—but decades later, she returns to the mainland and travels to her former lover's hometown of Milan. Dressed in her finest coat and shoes, she wanders the streets in search of the elusive veteran . . . Set against a backdrop of rugged mountains and Italian villages lost in time, this international bestselling novel is a multigenerational family saga about love, lust, and country. "Agus's descriptions of the everyday are as beautiful and haunting as her portrayal of life's most

dramatic episodes. Add an unexpected ending and the result is a graceful, powerful book.” —Publishers Weekly (starred review)

Head of Drama Sydney Newman 17-09-05 The memoir of the creator of *Doctor Who* and a legend in British and Canadian TV and film A major influence on the BBC and independent television in Britain in the 1960s, as well as on CBC and the National Film Board in Canada, Sydney Newman acted as head of drama at a key period in the history of television. For the first time, his comprehensive memoirs Ñ written in the years before his death in 1997 Ñ are being made public. Born to a poor Jewish family in the tenements of Queen Street in Toronto, NewmanÕs artistic talent got him a job at the NFB under John Grierson. He then became one of the first producers at CBC TV before heading overseas to the U.K. where he revitalized drama

programming. Harold Pinter and Alun Owen were playwrights whom Newman nurtured, and their contemporary, socially conscious plays were successful, both artistically and commercially. At the BBC, overseeing a staff of 400, he developed a science fiction show that flourishes to this day: Doctor Who. Providing further context to Newman's memoir is an in-depth biographical essay by Graeme Burk, which positions Newman's legacy in the history of television, and an afterword by one of Sydney's daughters, Deirdre Newman.

Tuesdays with Morrie Mitch Albom 2007-06-29 #1 NEW YORK TIMES BESTSELLER • A special 25th anniversary edition of the beloved book that changed millions of lives—with a new afterword by the author “A wonderful book, a story of the heart told by a writer with soul.”—Los Angeles Times Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was Morrie Schwartz, his college professor from nearly twenty years ago. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn't you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He rediscovered Morrie in the last months of the older man's life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final “class”: lessons in how to live. Tuesdays with Morrie is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world.
