Dear Me at Fifteen Jennae Cecelia 2018-11-11 Best-selling author Jennae Cecelia is back with another poetry book, but this time with a twist. Dear Me At Fifteen is half poetry book and half self-expression journal. It is to not only inspire you to be the best version of yourself today and in the future, but for you to reflect on all the growth you have made. This book is meant for you to dig deep into yourself and answer questions you don't always take the time to think about.

Choose Kristen Miranda 2021-07-15 There is a simple question that has plagued me for a good portion of my existence. Are we in control of what happens in our lives, or is it simply fate? It is easy to look at a person's past or circumstance and chalk their future up to some form of uncontrollable destiny. For that person to settle for the cards they have been dealt instead of playing out their hand. I had every reason to settle for the life I was given. I was abused, neglected, and confused about life, and just how a person like me was supposed to live it. Instead of sinking into the miserable shell of an existence that sat before me, I made a critical realization. I am not defined by what has happened to me; I am what I choose to become.

Cursed Tracy Goodwin 2017-05-11 Dangerous prophecies. Forbidden love. Limitless power. Magic always demands a sacrifice. Tessa Egan is destined to die! When her powers as a witch are awakened, when she is hunted like so many before her. There is one problem: she doesn't believe in destiny. Fighting for her life, her survival places her on a collision course with a centuries-old conflict between species, a corrupt hierarchy that will do anything to destroy her, and the realization that her past was never what it seemed. Then there's the prophecy that proclaims she will become the most powerful witch her enemies have ever encountered. The mere promise of such dominance sends legions after her, as she struggles to master her abilities and win a war against forces far more sinister than she. Adding to her already complicated life is a commanding guardian named Alec and his mysterious half-brother, Josh. The Prophecy of the Guardian's Mark claims "Only a Guardian's soulmate can see the Guardian's mark." Why can she see both Findlay brothers' marks? Why is Josh's the opposite of Alec's, evoking anguish and fear? As Tessa faces an evil unlike any she could have imagined, she learns the most dangerous lesson of them all ... magic always demands a sacrifice.

The Sun Will Rise and So Will We Jennae Cecelia 2020-07-07 *The Sun Will Rise and So Will We*, is a poetry book filled with all things sunshine without ignoring the storms. Pain is real. Anxiety is real. Depression is real.

Hardships in life are real. I hope when you pick up this book you feel heard and comforted. Even if it doesn't seem like it right now, your sun will rise once again, and I am cheering you on for that moment. What will it feel like, when your sun rises?

Dark End of the Spectrum Anthony S. PolICASTRO 2009-02-03 "The family elements in the story - the real struggles with marriage, raising a family, making a living, and just trying to enjoy life - have broadened the book's appeal to a wider audience, primarily women who are not into technology." DARK END OF SPECTRUM will make you think twice before turning on your cell phone or PDA! DARK END OF THE SPECTRUM is a frighteningly plausible and headline ripping tale of the real threats that loom in cyberspace and beyond with a Michael Crichton realism. Based on the author's years of research into the hacker culture. DARK END OF THE SPECTRUM is a thriller that will connect with everyone with a cell phone, PDA or wireless device. When a group of digital terrorists known as ICER take over the US power grid and the cell phone network, they give the government an ultimatum - bomb the borders of Afghanistan and Pakistan with nuclear weapons to put an end to Al-Quada or they will start downing commercial airliners. When the government refuses, ICER destroys most of the downed aircraft in airports all over the country. When ICER sends a pulse that will kill millions on the East Coast, only security expert Dan Riker can stop them, but ICER has kidnapped Dan's family. Will Dan save his family or will millions die?

I Am More Than a Daydream Jennae Cecelia 2017-04-15 A collection of poems revolving around the themes of self empowerment, love and assurance, and perseverance.

The Moon Will Shine for Us Too Jennae Cecelia 2021-03-02 The poetry book you may need, if your darkness seems never ending. The Moon Will Shine for Us Too is the sequel to The Sun Will Rise and So Will We. I find comfort in a full moon in the middle of autumn, the dead of winter, or after a warm summer day. But sometimes the darkness comes too early or stays too long, and the only light is in the midnight moon. Sometimes getting through hard times takes a while. Takes way longer than expected. The darkness may seem overwhelming and the light at the end of the tunnel non-existent, but The Moon Will Shine for Us Too.

Midnight Tales Samuel Cisneros 2015-04-07 This is not just a book. It is a collaboration of tales and stories. Stories told from the darkness and from the shadows. Some are tales of sadness and some are tales of joy and happiness. I have written them to share them with the world in hopes that they will live forever. It has taken me many years to combine them to where they were just right. I am filled with pride and hope that you will come to love them just as I have. This book is my life's work. Up until now, these poems are what have defined me as a person and a writer. The three poems about the grim reaper is a short story I wrote five years ago. It is a different spin on how he came to be who he is. The other poems vary from poems I have used for contests and the others I have written for the special people in my life. So here it is, my tales of horror, sadness, and happiness. Here are my midnight tales. I hope you enjoy.

In Leah's Wake Terri Giuliano Long 2011 The Tyler family had the perfect life -

until sixteen-year-old Leah decided she didn't want to be perfect anymore. While Leah's parents fight to save their daughter from destroying her brilliant future, Leah's younger sister, Justine, must cope with the damage her out-of-control sibling leaves in her wake. Will this family survive? What happens when love just isn't enough? Jodi Picoult fans will love *In Leah's Wake* - a heartbreaking, ultimately redemptive story about family, connection and our responsibility to those we love.

The Last Legend J. B. Wichterich 2014-05 A heavenly shade of blue was always in her eyes and her innocent smile captured the hearts of many. But even a beautiful smile can cover the ugliest of things. Who would've ever known that the beautiful and loving Princess MARRISA would fall victim to a very dark and hostile scheme, conjured up by something that is as old as time? No one did-not even Tairren, who was one of MARRISA's dearest friends. Overtaken by MARRISA's beauty and charm, Tairren was very much in love with her and would do anything for her-even if that meant facing the overwhelming powers of darkness... It was on MARRISA's long awaited sixteenth birthday, her engagement to Prince Phillip and the day before her enthronement to the kingdom of Ishkar, when it happened. When MARRISA is abducted by someone she had always trusted, she is forced into the Forbidden Lands of Minslethrate and awakens upon a plot that would shake the world. With the company of his very different comrades, the unconventional Lady Natalia and the arrogant Prince Phillip of Ishkar, Tairren travels across the uncertain lands of Minslethrate to rescue MARRISA. They begin to realize that their precarious situation is dealing with more than just a kidnapped princess-that's just the beginning... They must trust in the unseen God of Light and have faith in a legend that they don't even understand. While their beloved princess awaits a terrifying fate, they must become awakened by light if they are to face their own dark quest... Prophecy stirs, blood spills, light burns and darkness screams-revealing *The Last Legend*..

Remembering Joy Jenni Moen 2013-06-13 One mistake can shatter dreams and shape the future. Alexis knows this first hand. Even though her memory of that day is hazy, she has spent the last ten years trying to put it behind her. Armed with the knowledge that her career will be her only legacy, Alexis works night and day to prove that she is more than just her last name. It's not only that she doesn't have time for love. She doesn't have the heart for it. After all, there's no point in starting something you can't finish. When she meets Adam, she's drawn to him in a way even she can't deny. The film student is dark and brooding and strangely charming. He's the perfect distraction from her mundane life. And, as if fate is pushing them together, he seems to be around every corner. It's enough to almost make her entirely forget about her past and take

a chance. But Adam can recall every detail that she's forgotten. What she doesn't remember, he can't forget.

Nightmares in the Sky Stephen King 2014-12

Nightmares! Jason Segel 2014-09-09 "Coraline meets Monsters, Inc. in this delightfully entertaining offering from actor [Jason] Segel and co-author [Kirsten] Miller."—Publishers Weekly The hilariously frightening, middle-grade novel *Nightmares!* is a Texas Bluebonnet nominee and the first book in a trilogy about a boy named Charlie and a group of kids who must face their fears to save their town. Sleeping has never been so scary. And now waking up is even worse! Charlie Laird has several problems. 1. His dad married a woman he is sure moonlights as a witch. 2. He had to move into her purple mansion, which is NOT a place you want to find yourself after dark. 3. He can't remember the last time sleeping wasn't a nightmarish prospect. Like even a nap. What Charlie doesn't know is that his problems are about to get a whole lot more real. Nightmares can ruin a good night's sleep, but when they start slipping out of your dreams and into the waking world—that's a line that should never be crossed. And when your worst nightmares start to come true . . . well, that's something only Charlie can face. And he's going to need all the help he can get, or it might just be lights-out for Charlie Laird. For good. Praise for *Nightmares!* Book one is a New York Times bestseller and Texas Bluebonnet nominee! "Charlie Laird, who learns fear will eat you alive if you feed it, makes an impression, and...readers will want to accompany him again."—The New York Times Book Review "A touching comical saga...about facing things that go bump in the night."—US Weekly ""[*Nightmares!*] succeeds at scaring and amusing in equal measure...[It's] sweet, charming, and imaginative."—Kirkus Reviews "Segel...and Miller build an entertaining, cartoony world full of scary (but not too scary) monsters, silly jokes, plucky kid heroes...with a promise of adventures to come."—Booklist "An engaging and creative story...woven with a generous amount [of] humor."—VOYA "There's humor and a fairly high ick-factor."—School Library Journal "Cleverly crafted...This novel presents just the right mix of 'scary and humorous.'"—ILA Literacy Daily

Meridia's Garden Melanie Wadsworth 2016-06-13 *Meridia's Garden* is a story about one woman's plight to discover, accept, and embrace a challenging gift inherited by her Grandmother. After falling in love with Garamount—a historic town nestled at the base of the Sierra Mountains—from the backseat of her Grandmother's car, Sam decides to return to the little town to begin anew after a divorce. Immediately, Garamount's resident's fall in love with her. But things take an unexpected turn after a sudden break-up with Freelance Photographer, Jack. Suddenly, his secret inspires a visit from more than one deceased resident. Circumstances seem to elevate when Sam is ordered to stop ghostwriting a memoir for Garamount's former prominent family, the Van Guards. Now, no one seems to want to talk to her with the exceptions of a few of Garamount's dearly departed. While Sam discovers a few secrets in Garamount's past in the most unlikely of places, her nightmares, she discovers for herself that some secrets are best withheld from the beloved townfolk of Garamount; especially, when her own past returns to haunt them all. Everything seems to fall apart just as Garamount's Officer Gabriel Brown decides he loves Sam. Watch their love grow as Sam discovers and tries to accept who she is and why she's in Garamount.

Strange the Dreamer Laini Taylor 2017-03-28 From National Book Award finalist Laini Taylor comes an epic fantasy about a mythic lost city and its dark past.

The dream chooses the dreamer, not the other way around--and Lazlo Strange, war orphan and junior librarian, has always feared that his dream chose poorly. Since he was just five years old, he's been obsessed with the mythic lost city of Weep, but it would take someone bolder than he to cross half the world in search of it. Then a stunning opportunity presents itself, in the form of a hero called the Godslayer and a band of legendary warriors, and he has to seize his chance or lose his dream forever. What happened in Weep two hundred years ago to cut it off from the rest of the world? And who is the blue-skinned goddess who appears in Lazlo's dreams? In this sweeping and breathtaking novel by National Book Award finalist Laini Taylor, author of the New York Times bestselling *Daughter of Smoke & Bone* trilogy, the shadow of the past is as real as the ghosts who haunt the citadel of murdered gods. Fall into a mythical world of dread and wonder, moths and nightmares, love and carnage. The answers await in Weep.

Counselling for Post-traumatic Stress Disorder Michael J Scott 2006-07-11
Counselling for Post-traumatic Stress Disorder, Third Edition addresses the specifics of counselling clients who have suffered major trauma, whether recently or in the past, and includes 18 detailed case examples together with transcripts of sessions. The book is unique in covering the diagnosis and treatment of the full spectrum of post-traumatic states. In this fully updated Third Edition the needs of special populations - children/adolescents, refugees and those in pain - are also addressed. Additional material includes a new PTSD screening inventory and a counselling competence scale. *Counselling for Post-traumatic Stress Disorder, Third Edition* is an invaluable, comprehensive aid for both the experienced and novice therapist working with trauma victims. Michael J. Scott is a Consultant Psychologist and External Examiner for the MSc Cognitive and Behavioural Psychotherapies Programme at the University of Chester. Stephen G. Stradling is Professor of Transport Psychology at Napier University.

Waltzing Australia Cynthia Clampitt 2007-02-28 *Waltzing Australia* was born out of a dream-and a journey. After walking away from her corporate career, Cynthia Clampitt headed to Australia, to start over, to write, and to test the limits of what she could do. *Waltzing Australia* recounts that joyous adventure. It is a story about change and about making dreams come true. But more than that, it is about Australia: the history, legends and art, both European and Aboriginal; the beauty, the challenge, the people, the land. From Sydney to Perth, Tasmania to Darwin, tropics to desert, city to wilderness, Clampitt carries the reader along on an exhilarating grand tour of a fascinating country. With a writing style reminiscent of Annie Dillard, she captures the essence of the land Down Under and invites others to fall in love with Australia.

I Am More Than My Nightmares Jennae Cecelia 2018-05-09 *I Am More Than My Nightmares* is my journey from being engulfed in fear to learning how to let my mind free when it is calling for a break. I have learned over the past few years how to better handle the worry and fear that lives in my mind. I am not perfect. I still worry and I am still anxious, but I know that I am more than my nightmares. I hope if you have ever had anxious tendencies, these poems help you feel a little more at peace. This book is meant to be flipped through when your anxious mind needs some time to unwind and realize, you are not alone.

Say Not What If Andrew Friedman 2011-07-01 "Say Not What If" is a nearly 10,000 word story written as a long rhyming poem. It is about a man on death row, and has as its theme the concept that time is our most valuable commodity. As someone once said, "waste anything but time, because we really are promised no tomorrows." This theme is explored through the life of a man who sacrifices his marriage and everything else for his career. He realizes much too late the terrible consequences of this decision, and then desperately tries to regain those lost years by making a much worse choice. The resolution of this latter choice involves an additional examination of the concepts of accountability and responsibility, redemption, and the morality of the death penalty. The story has a better than average rating of 4/5 stars on Goodreads and Amazon. There are currently fifty-six ratings and forty-one written reviews on Goodreads at <http://www.goodreads.com/book/show/12788920-say-not-what-if>. Another thirteen ratings and reviews are on Amazon. Reviewers have described the story as "exceptional," "amazing," "incredibly special," "borderline genius," "a lyrical masterpiece," "gripping and compelling," "thought provoking," and a "beautifully written piece of literature." Many enjoyed the story so much that they intend to share it with their family and friends. I have never seen a story written in this format. It has characters and dialogue just like a regular story, and is extremely easy to read and understand, regardless of whether you have a GED or a PHD. You should therefore not be concerned that the format makes the story hard to understand. Many reviewers had the same initial concern, but then pleasantly discovered that the story is very easy to follow. But you can further allay any such fears by reading the first few pages of the story on my website, www.ascensionenterprise.com. This story will tear at your soul. As many of the reviewers said, it only requires an hour or so to read, but will keep you thinking about its message long after you are finished. Time is quintessentially important and valuable. Who knows how much time anyone has? Would you trade ten or even five years of your life for a million dollars? The story can be purchased from many booksellers, including Amazon and Barnes & Noble. It can also be purchased for only 0.99 as an ebook for Kindle. Best wishes and good luck in all your reading endeavors.

The Invisible Trauma David Morgan 2022-06-01 In any war the health of a fit soldier can drastically change in an instant and so it was for the men and women in the Vietnam war. While the consequences of major physical injury from a high velocity gunshot wound or from shrapnel from an exploding anti-personnel mine or from the explosive effects of an artillery shell or mortar were obvious, the effects of psychological injury were not. Adverse psychological effects resulting from war have been known for many years and labels such as Shell Shock or Battle Fatigue were applied. However since the Vietnam experience and subsequent research, those adverse psychological effects are now known as Post Traumatic Stress Disorder. PTSD can result from experiencing a near death incident, or the violent injury or death of a mate or from treating the major wounds of battle casualties. A high percentage recover from the acute effects of psychological injury but for many, the experience may be the start

of a chronic disorder that can affect the well-being of sufferers for the remainder of their lives. Dave Morgan gives a detailed and clear account of his battle with PTSD. He describes his traumatic experience in Vietnam and how PTSD gradually emerged after his return to Australia. He experienced negative thinking, confusion, intense anger, alcohol abuse, and thoughts of suicide. This caused great distress. He expresses his experience and that of his family frankly and opens a window to understanding the problems of a man suffering from PTSD. In this he has made a valuable contribution and his book adds value to those who are interested in this chronic disorder. There is no completely effective treatment for PTSD, but people like Dave Morgan are doing all they can to reach that goal.

Something Happened Joseph Heller 1974 Bob Slocum was living the American dream. He had a beautiful wife, three lovely children, a nice house...and all the mistresses he desired. He had it all -- all, that is, but happiness. Slocum was discontent. Inevitably, inexorably, his discontent deteriorated into desolation until...something happened. Something Happened is Joseph Heller's wonderfully inventive and controversial second novel satirizing business life and American culture. The story is told as if the reader was overhearing the patter of Bob Slocum's brain -- recording what is going on at the office, as well as his fantasies and memories that complete the story of his life. The result is a novel as original and memorable as his Catch-22.

The Blumhouse Book of Nightmares Jason Blum 2015 "A stunning collection of original, terrifying fiction from a unique cast of master storytellers. Jason Blum invited an impressive group of authors, filmmakers, and screenwriters to envision a city of their choosing. and to let their demons run wild. Taken together, the provocative stories in The Blumhouse Book of Nightmares: The Haunted City create the unforgettable cityscape of a new world of horror. Disturbing, suspenseful, devious, and entertaining, each tale showcases an innovative voice featured in a definitive collection that could only come from Jason Blum"--

Echoes in the Storm Max Henry 2017-09-12 One week is all we were supposed to share. One week as strangers. All the things you did differently irked me. I thought it meant we couldn't get along, that there was no chance we'd work out. But when it came time for me to leave, you know what I figured out? You were my echo. My call back. And damn it if I didn't find home in the end.

A Poison Tree M. C. Wilkinson 2019-12-16 Alabaster must find where she fits in to the city's new dynamics after the rebellion of the Clones took the lives of so many and nearly took hers. She is called upon to help rebuild by her mother Eliana, who is now running the city. Alabaster can't help but feeling like a puppet again as she struggles to find her own identity. Then there's the problem of Cameron. He is being held by Eliana and the new Clone leaders for murder. The only reason he hasn't been executed like so many others is Alabaster's denied attachment to him. Alabaster starts having dreams from another life that may hold the key to all her problems, or will they lock her fate to this path of destruction?

Embracing My Nightmare H. J. Marshall 2020-01-30 If our dreams sometimes come true, what about our nightmares? What happens when one monster saves you by destroying another? He freed me from my nightmares and left me to live my life, always looking over my shoulder waiting for him to return. He was my dark savior, living life in the shadows, promising to make me his. He said he would be back for me and I waited so long; I thought I had imagined him. When I least expected it, he returned, ripping open the wounds that had long ago healed. Am I willing to give my heart to my savior, or have I been chasing a lie? His touch, his words, satisfy my darkest cravings. His secrets frighten me to my core. Obsession fueled my dark savior, and I let the nightmare overtake me, giving in to my desires. Now I'm fighting for my life, forsaking everything he promised to find the truth.
