The Namer of Spirits Todd Mitchell 2021-10-05 "A dangerous town carved out of unforgiving forest, a young girl who can name spirits and tame monsters, a race against time to save the natural world: The Namer of Spirits is what readers want and the world needs." –Eliot Schrefer, New York Times bestselling author In the frontier village of Last Hope, people dismiss twelve-year-old Ash Narro as a flighty child who claims to hear the true names of things. But when enraged forest spirits attack, Ash shows that the names she hears have power. After taming a destructive forest spirit, Ash teams up with Fen, a wild forest boy, and embarks on an unusual journey to save her village. In this steampunk eco-fantasy, the perils of deforestation and the power of friendship are explored through a fantastical adventure involving giant mistcats, tempestuous forest spirits, a supernatural puppy, and a girl with a special gift for

shaping what things become.

The Right to Arm Bears Gordon R. Dickson 2016-06-20 Planet Dilbia is in a crucial location for both humans and their adversaries, the Hemnoids. Therefore making friends with the Dilbians and establishing a human presence there is of the utmost importance, which may be a problem, since the bearlike Dilbians; stand some nine feet tall, and have a high regard for physical prowess. They're not impressed by human technology, either. A real man, er, bear doesn't need machines to do his work for him. But Dilbians are impressed by sharp thinking, and some have expressed a grudging admiration for the logical (and usually sneaky) mental maneuvers that the human "shorties" have used to get themselves out of desperate jams. Just maybe that old human craftiness will win over the Dilbians; to the human side. If not, we lose a nexus, and the Dilbians will learn just how unbearable Hemnoids can be.... "Excellent!" -Science Fiction Review Publisher's Note: The Right to Arm Bears has previously appeared in parts as Spacial Delivery, Spacepaw, and "The Law-Twister Shorty." This is the first unitary edition, and those are the bear facts. At the publisher's request, this title is sold without DRM (Digital Rights Management).

I'm With the Bears Mark Martin 2011-10-01 A stellar line-up of fiction writers envision the terrors of impending climate change. The size and severity of the global climate crisis is such that even the most committed environmentalists are liable to live in a state of denial. The award-winning writers collected here have made it their task to shake off this nagging disbelief, bringing the incomprehensible within our grasp and shaping an emotional response to the deterioration of our global habitat. From T. C. Boyle's account of early eco-activists, to Nathaniel Rich's vision of a near future where oil sells for \$800 a barrel—these ten provocative, occasionally chilling, sometimes satirical stories bring a human reality to disasters of inhuman proportions. Royalties from I'm With the Bears will go to 350.org, an international grassroots movement working to reduce the amount of carbon dioxide in the atmosphere.

Not The End Of The World Kate Atkinson 2010-01-26 I can think of few writers who can make the ordinary collide with the extraordinary to such beguiling effect...left me so fizzing with admiration' Observer A stunning collection of short stories by the three-times Costa prizewinner Not the End of the World is Kate Atkinson's first collection of short stories. Playful and profound, they explore the world we think we know whilst offering a vision of another world which lurks just beneath the surface of our consciousness, a world where the myths we have banished from our lives are startlingly present and where imagination has the power to transform reality. From Charlene and Trudi, obsessively making lists while bombs explode softly in the streets outside, to gormless Eddie, maniacal cataloguer of fish, and Meredith Zane who may just have discovered the secret to eternal life, each of these stories shows that when the worlds of material existence and imagination collide, anything is possible.

Hateship, Friendship, Courtship, Loveship, Marriage: A Story Alice Munro

2016-05-01 A Vintage Shorts "Short Story Month" Selection With hardly any notice, foolish and plain housekeeper Johanna flees her employer and sets off to find the man she's fallen in love with. Little does she know that her correspondence with him has been a complete fabrication, a cruel teenager's idea of a practical joke. So, who will Johanna find when she steps off her train with the household furniture in tow? Alice Munro is the universally celebrated master of the contemporary short story, the Chekhov of our time. Nowhere are her powers better on display than in this exquisitely crafted story exploring the wonderful and unexpected places where love, or the illusion of it, can lead. This selection is the title story of Munro's acclaimed collection, *Hateship, Friendship, Courtship, Loveship, Marriage* and the basis of the 2013 film, *Hateship Loveship*. An ebook short.

Setting Free the Bears John Irving 2018-05-15 "Truly remarkable . . . encompasses the longings and agonies of youth . . . a complex and moving novel."—Time "Astonishing . . . a writer of uncommon imaginative power. Whatever [John Irving] writes, it will be worth reading."—Saturday Review It is 1967. Two Viennese university students, Siggy and Hannes, roam the Austrian countryside on their motorcycles—on a quest: to liberate the bears of the Vienna Zoo. But their good intentions have both comic and gruesome consequences in this first novel from John Irving, already a master storyteller at twenty-five years old. "Imagine a mixture of Till Eulenspiegel and Ken Kesey . . . and you've got the range of the merry pranksters who hot rod through Mr. Irving's book . . . tossing flowers, stealing salt shakers, and planning the biggest caper of their young lives."—The New York Times

Short Short Stories Dave Eggers 2005 Dave Eggers has been partly responsible for a rejuvenation of short fiction in the USA, and these short short stories are as original and witty as any of his longer works.

Like You'd Understand, Anyway Jim Shepard 2008-11-19 Following his widely acclaimed Project X and Love and Hydrogen—"Here is the effect of these two books," wrote the Chicago Tribune: "A reader finishes them buzzing with awe"—Jim Shepard now gives us his first entirely new collection in more than a decade. Like You'd Understand, Anyway reaches from Chernobyl to Bridgeport, with a host of narrators only Shepard could bring to pitch-perfect life. Among them: a middle-aged Aeschylus taking his place at Marathon, still vying for parental approval. A maddeningly indefatigable Victorian explorer hauling his expedition, whaleboat and all, through the Great Australian Desert in midsummer. The first woman in space and her cosmonaut lover, caught in the star-crossed orbits of their joint mission. Two Texas high school football players at the top of their food chain, soliciting their fathers' attention by leveling everything before them on the field. And the rational and compassionate chief executioner of Paris, whose occupation, during the height of the Terror, eats away at all he holds dear. Brimming with irony, compassion, and withering humor, these eleven stories are at once eerily pertinent and dazzlingly exotic, and they showcase the work of a protean, prodigiously gifted writer at the height of his form. Reading Jim Shepard, according to Michael Chabon, "is like encountering our national literature in microcosm."

I'm With the Bears Mark Martin 2011-10-01 A collection of "striking" short stories on the dangers of climate change—featuring works by Margaret Atwood, T.C. Boyle, Kim Stanley Robinson, and more (The Boston Globe) The size and severity of the global climate crisis is such that even the most committed environmentalists are liable to live in a state of denial. The award-winning writers collected here have made it their task to shake off this nagging disbelief, bringing the incomprehensible within our grasp and shaping an emotional response to the deterioration of our global habitat. From T. C. Boyle's account of early eco-activists, to Nathaniel Rich's vision of a near future where oil sells for \$800 a barrel—these ten provocative, occasionally chilling, sometimes satirical stories bring a human reality to disasters of inhuman proportions. ONE Very Big Bear Alice Brière-Haquet 2016-10-04 As far as he can tell, Bear is the biggest thing around. He might even be a giant! It's not long before other, smaller animals set him straight in this charmingly illustrated book about counting and relative size. Together, two walruses, three foxes, and so on, are the same size as Bear, each teasing him for foolishly thinking that there is nothing bigger than he. When six sardines arrive to tell Bear that together, they are just as big as he is, Bear has had enough and gobbles them up for breakfast.

Athletic Shorts Chris Crutcher 2009-09-22 These six powerful short stories chronicle bits of the lives of characters, major and minor, who have walked the rugged terrain of Chris Crutcher's earlier works. They also introduce some new and unforgettable personalities who may well be heard from again in future books. As with all Crutcher's work, these are stories about athletes, and yet they are not sport stories. They are tales of love and death, bigotry and heroism, of real people doing their best even when that best isn't very good. Crutcher's straightforward style and total honesty have earned him an admiring audience and made readers of many nonreaders.

The Berenstain Bears' Stories to Share Stan Berenstain 2011 In three stories, Sister Bear is delighted when a girl cub moves nearby, her brother and the other male cubs exclude her from their club, and the two cubs like the idea of a real baseball team, but discover that competition is hard work.

Stone Mattress Margaret Atwood 2014-09-16 From the #1 New York Times bestselling author of *The Handmaid's Tale* In this extraordinary collection, Margaret Atwood gives us nine unforgettable tales that reveal the grotesque, delightfully wicked facets of humanity. "Alphinland," the first of three loosely linked tales, introduces us to a fantasy writer who is guided through a stormy winter evening by the voice of her late husband. In "Lusus Naturae," a young woman, monstrously transformed by a genetic defect, is mistaken for a vampire. And in the title story, a woman who has killed four husbands discovers an opportunity to exact vengeance on the first man who ever wronged her. By turns thrilling, funny, and thought-provoking, *Stone Mattress* affirms Atwood as our greatest creator of worlds—and as an incisive chronicler of our darkest impulses.

After London Illustrated John Richard Jefferies 2021-01-31 The story tells of how London becomes a swampland after an unspecified natural disaster delivers England over to the mercy of nature. Divided into two parts, "The Relapse into Barbarism" recounts the fall of civilisation while the second longer section entitled "Wild England" follows Felix Aquila, the male protagonist, as he builds a canoe and explores more of the world around him.

In a Bear's Eye Yannick Murphy 2008 A collection of short stories explores issues of loss, connection, and dysfunctional family life.

Dancing with Bears Michael Swanwick 2011-05-01 Michael Swanwick—The Hugo, Nebula, and World Fantasy award-winning author of *Stations of the Tide*—delivers a stunning "Postutopian" novel of swashbuckling adventure, dangerous women, and genocidal AIs. *Dancing with Bears* follows the adventures of notorious con men Darger and Surplus: They've lied and cheated their way onto the caravan that is delivering a priceless gift from the Caliph of Baghdad to the Duke of Muscovy. The only thing harder than the journey to Muscovy is their arrival in Muscovy. An audience with the duke seems impossible to obtain, and Darger and Surplus quickly become entangled in a morass of deceit and revolution. The only thing more dangerous than the convoluted political web surrounding Darger and Surplus is the gift itself, the Pearls of Byzantium, and Zoësophia, the governess sworn to protect their virtue. This steampunk-esque adventure explores the great game of espionage and empire building, from the point of view of the world's most accomplished con men, Darger and Surplus.

Wise Bear William Arthur Wooten 2012 "Wise Bear William is one of the most delightful books for young readers ever! Adults will enjoy it as well." - Phylcia Rashad "Heartfelt, winning and tender, Wise Bear William will become an instant classic for your child's home library to be savored and shared in the years to come. I loved it. Highly recommended! Paws up!" - Constance Marks, Director of the award winning documentary Being Elmo: A Puppeteer's Journey "Wise Bear William offers such a beautiful glimpse into the world of our children, while reminding us about the important things in life - friendship, loyalty, and loving one another. This is a book that children and their parents will enjoy together." - Dina Spiegel, Psy.D, Child Psychologist "Arthur Wooten has created a vividly imaginative world of talking toys that transports us to another time and place with the luscious illustrations by Bud Santora." - Gregory G. Allen, Playwright/Director of children's musicals EDITORIAL REVIEW: In *Wise Bear William: A New Beginning*, toys long forgotten in an attic discover that children are coming up to rescue them. All wanting to be picked, each toy examines their own self-described shortcomings and turn to one another for comfort and advice. But the most important thing they discover is that as much as you fix things up on the outside, it's what's on the inside that really counts. With an emotional and surprising ending for all the toys, this heartwarming and timeless tale of love and friendship is destined to become a favorite of young and old for years to come.

The Bear Andrew Krivak 2020-02-11 From National Book Award in Fiction finalist Andrew Krivak comes a gorgeous fable of Earth's last two human inhabitants, and a girl's journey home In an Edenic future, a girl and her father live close to the land in the shadow of a lone mountain. They possess a few remnants of civilization: some books, a pane of glass, a set of flint and steel, a comb. The father teaches the girl how to fish and hunt, the secrets of the seasons and the stars. He is preparing her for an adulthood in harmony with nature, for they are the last of humankind. But when the girl finds herself alone in an unknown landscape, it is a bear that will lead her back home through a vast wilderness that offers the greatest lessons of all, if she can only learn to listen. A cautionary tale of human fragility, of love and loss, *The Bear* is a stunning tribute to the beauty of nature's dominion. Andrew Krivak is the author of two previous novels: *The Signal Flame*, a Chautauqua Prize finalist, and *The Sojourn*, a National Book Award finalist and winner of both the Chautauqua Prize and Dayton Literary Peace Prize. He lives with his wife and

three children in Somerville, Massachusetts, and Jaffrey, New Hampshire, in the shadow of Mount Monadnock, which inspired much of the landscape in *The Bear*.

Blood Music Greg Bear 1996 The Hugo and Nebula Award-winning author of *Moving Mars* presents the book that launched his career, featuring a scientist who conducts an experiment in cell restructuring that takes on a threatening life of its own. Reprint.

We're Going on a Bear Hunt Michael Rosen 2015-03

War Bears Margaret Atwood 2019-04-09 From the Booker Prize-winning author of *The Handmaid's Tale*, comes this historical fiction graphic novel tracing the Golden Age of Canadian comic books. Collects *War Bears* issues #1-3. Oursonette, a fictional Nazi-fighting superheroine, is created at the peak of World War II by comic book creator Al Zurakowski who dreams of making it big in the early world of comics publishing. A story that follows the early days of comics in Toronto, a brutal war that greatly strains Al personally and professionally, and how the rise of post-war American comics puts an end to his dreams. Internationally and *New York Times* best-selling novelist Margaret Atwood and acclaimed artist Ken Steacy collaborate for one of the most highly anticipated comic book and literary events!

In the Eye of the Wild Nastassja Martin 2021-11-16 After enduring a vicious bear attack in the Russian Far East's Kamchatka Peninsula, a French anthropologist undergoes a physical and spiritual transformation that forces her to confront the tenuous distinction between animal and human. *In the Eye of the Wild* begins with an account of the French anthropologist Nastassja Martin's near fatal run-in with a Kamchatka bear in the mountains of Siberia. Martin's professional interest is animism; she addresses philosophical questions about the relation of humankind to nature, and in her work she seeks to partake as fully as she can in the lives of the indigenous peoples she studies. Her violent encounter with the bear, however, brings her face-to-face with something entirely beyond her ken—the untamed, the nonhuman, the animal, the wild. In the course of that encounter something in the balance of her world shifts. A change takes place that she must somehow reckon with. Left severely mutilated, dazed with pain, Martin undergoes multiple operations in a provincial Russian hospital, while also being grilled by the secret police. Back in France, she finds herself back on the operating table, a source of new trauma. She realizes that the only thing for her to do is to return to Kamchatka. She must discover what it means to have become, as the Even people call it, *medka*, a person who is half human, half bear. *In the Eye of the Wild* is a fascinating, mind-altering book about terror, pain, endurance, and self-transformation, comparable in its intensity of perception and originality of style to J. A. Baker's classic *The Peregrine*. Here Nastassja Martin takes us to the farthest limits of human being.
