10% Happier Dan Harris 2014-03-11 #1 New York Times Bestseller REVISED WITH NEW MATIERAL Winner of the 2014 Living Now Book Award for Inspirational Memoir "An enormously smart, clear-eyed, brave-hearted, and quite personal look at the benefits of meditation." —Elizabeth Gilbert Nightline anchor Dan Harris embarks on an unexpected, hilarious, and deeply skeptical odyssey through the strange worlds of spirituality and self-help, and discovers a way to get happier that is truly achievable. After having a nationally televised panic attack, Dan Harris knew he had to make some changes. A lifelong nonbeliever, he found himself on a bizarre adventure involving a disgraced pastor, a mysterious self-help guru, and a gaggle of brain scientists. Eventually, Harris realized that the source of his problems was the very thing he always thought was his greatest asset: the incessant, insatiable voice in his head, which had propelled him through the ranks of a hypercompetitive business, but had also led him to make the profoundly stupid decisions that provoked his on-air freak-out. Finally, Harris stumbled upon an effective way to rein in that voice, something he always assumed to be either impossible or useless: meditation, a tool that research suggests can do everything from lower your blood pressure to essentially rewire your brain. *10% Happier* takes readers on a ride from the outer reaches of neuroscience to the inner sanctum of network news to the bizarre fringes of America's spiritual scene, and leaves them with a takeaway that could actually change their lives.

The Autobiography of Alice B. Toklas Gertrude Stein 2000-11-01 Selected by the Modern Library as one of the 100 best nonfiction books of all time 'I always wanted to be historical,' Gertrude Stein once quipped. In 1932, Stein began writing the 'autobiography' of her longtime friend and companion, Alice B. Toklas. The book, an immediate bestseller, guaranteed them both a place in history. An account of their life together in Paris before, during, and after World War I, it is full of the atmosphere of the changing life of the city and of idiosyncratic glimpses of such figures as Matisse, Picasso, Braque, Cocteau, Apollinaire, Pound, Eliot, Hemingway, and other luminaries and aspirants who were their close friends. But at the center of the narrative there is always the titanic figure of Gertrude Stein, the self-proclaimed 'first-class genius' who some dismissed as the 'Mother Goose of Montparnasse,' presiding over her celebrated residence-salon-art gallery at 27, rue de Fleurus. William Troy remarked about her: 'It is not flippant to say that if she had not come to exist . . . it would be necessary to invent Miss Gertrude Stein.'

[The Autobiography of Alice B. Toklas Illustrated](#) Gertrude Stein 2020-03-03 An illustrated edition of Gertrude Stein's most well-known work, The Autobiography of Alice B. Toklas, bursting with the bright, sophisticated, and fanciful images of artist Maira Kalman. Considered one of the richest and most irreverent biographies in history, The Autobiography of Alice B. Toklas was written by Gertrude Stein in the style and voice of her life partner, Alice B. Toklas. Published in 1933 and narrated by Alice, this autobiography begins with her initial move to France in 1907, the day after which she meets Gertrude, sparking a relationship that lasts for nearly four decades. Recounting the vibrant and literary life the

two make for themselves among the Parisian avant-garde, Alice opens the doors to the prominent salons they held in their home at rue de Fleurus, hosting fellow expatriate American writers such as Ernest Hemingway, T. S. Eliot, and Ezra Pound as well as artists Pablo Picasso, Henri Matisse, and Man Ray, and speaks of the twilight of the Paris belle époque. In this edition, the wildly talented Maira Kalman brings this glittering Parisian world to life, and celebrates Stein and Toklas in vivid color. Her whimsical and inimitable illustrations complement the wit and humor of Stein's narrative, and elevate the exciting intrigues of these famous women and their friends. Inviting readers to experience this book in a completely new way, the illustrated edition of *The Autobiography of Alice B. Toklas* will prompt a contemporary reading of this cherished and singular classic.

The 48 Laws Of Power Robert Greene 2010-09-03 THE MILLION COPY INTERNATIONAL BESTSELLER Drawn from 3,000 years of the history of power, this is the definitive guide to help readers achieve for themselves what Queen Elizabeth I, Henry Kissinger, Louis XIV and Machiavelli learnt the hard way. Law 1: Never outshine the master Law 2: Never put too much trust in friends; learn how to use enemies Law 3: Conceal your intentions Law 4: Always say less than necessary. The text is bold and elegant, laid out in black and red throughout and replete with fables and unique word sculptures. The 48 laws are illustrated through the tactics, triumphs and failures of great figures from the past who have wielded - or been victimised by - power. _____ (From the Playboy interview with Jay-Z, April 2003) PLAYBOY: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? JAY-Z: I would say that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In *The 48 Laws of Power*, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my childhood friends. This guy right here (gestures to the studio manager), he's my friend, and he told me that one of my records, Volume Three, was wack. People set higher standards for me, and I love it.

White Fragility Dr. Robin DiAngelo 2018-06-26 The New York Times best-selling book exploring the counterproductive reactions white people have when their assumptions about race are challenged, and how these reactions maintain racial inequality. In this “vital, necessary, and beautiful book” (Michael Eric Dyson), antiracist educator Robin DiAngelo deftly illuminates the phenomenon of white fragility and “allows us to understand racism as a practice not restricted to ‘bad people’ (Claudia Rankine). Referring to the defensive moves that white people make when challenged racially, white fragility is characterized by emotions such as anger, fear, and guilt, and by behaviors including argumentation and silence. These behaviors, in turn, function to reinstate white racial equilibrium and prevent any meaningful cross-racial dialogue. In this in-depth exploration, DiAngelo examines how white fragility develops, how it protects racial inequality, and what we can do to engage more constructively.
