Designed in consultation with parents and families, YOUCAT for Kids is an essential addition to every family bookshelf and Catholic school classroom.

**De Reditu Suo Libri Duo** Claudius Rutilius Namatianus 1840

**La Chiesa dei Padri** Basilio Petrà 2015-11-10T00:00:00+01:00 Molti considerano l'esperienza ortodossa del cristianesimo una semplice variante di quella occidentale e l'Ortodossia solo una sorta di cattolicesimo «esotico». In realtà non è così. Nel corso dei secoli ogni grande tradizione religiosa ha strutturato propri modi di sentire, pensare e valutare, un universo di valori e attitudini che può essere compreso solo cogliendo le sue fondamentali categorie. Su questo terreno, la Chiesa d'Oriente si interpreta come la Chiesa dell'Ortodossia, la Chiesa dei padri, la Chiesa della divinizzazione, la Chiesa dell'economia. A ognuna di queste determinazioni è dedicato un capitolo del volume, che si conclude con cinque appendici: la prima presenta il canone biblico ortodosso, la seconda offre annotazioni teologiche sulle icone e il loro culto, la terza prospetta il percorso del dialogo recente tra cattolicesimo e ortodossia, la quarta fornisce una descrizione essenziale di tutte le Chiese ortodosse, mentre la quinta raccoglie una breve bibliografia italiana sul tema. Il testo è stato interamente rivisto e aggiornato dall'autore, alla luce degli ultimi sviluppi in merito alle tematiche affrontate, con l'aggiunta di parti inedite.

*The Fourth Secret of Fatima* Antonio Socci 2009-07 This is the book that has been electrifying Rome and the rest of Europe for three years! This fascinating inquiry into the theories and the truths of the most disconcerting mystery of the 20th Century was a huge best-seller in Europe. On June 26, 2000, Vatican officials (including Cardinal Bertone) released what they claim was the Third Secret of Fatima. They further said that it was a prediction of the attempted assassination of Pope John Paul II in 1981. Antonio Socci, an acclaimed Italian journalist and television personality, originally sided with the Vatican's interpretation of the Third Secret. Upon closer investigation of this matter, the evidence led him to the conclusion that there is another document of the Third Secret containing the actual words of Our Lady. So far, the Vatican is still hiding this text while claiming that all is released. Antonio Socci, for the first time, in this book produces the testimony of a still-living witness from the inner circle of Pope John XXIII, to prove his point. This book has caused a public sensation and debate. Far from being a 'dead issue' the urgent message of Our Lady to the shepherd children of Fatima is now being more critically discussed and examined than ever before.

**Catalogo cumulativo, 1886-1957 del Bollettino delle pubblicazioni italiane** Biblioteca nazionale centrale di Firenze 1968

**Storia del rito ambrosiano** Angelo Paredi 1990

*The Baron in the Trees* Italo Calvino 2017-10-03 Cosimo di Rondó, a young Italian nobleman of the eighteenth century, rebels against his parents by climbing into the trees and remaining there for the rest of his life. He adapts efficiently to an existence in the forest canopy—he hunts, sows crops, plays games with earth-bound friends, fights forest fires, solves engineering problems, and even manages to have love affairs. From his perch in the trees, Cosimo sees the Age of Enlightenment pass by and a new century dawn.

*Gazzetta del popolo* 1861

*War, Progress, and the End of History* Vladimir Sergejevich Solovyov 1915 Vladimir Solovyov's philosophical classic explores the nature of war and battle in human society, and the potential manifestations of the Antichrist foreseen in Christian texts. Taking the form of a dialogue between several participants, Solovyov explores a series of philosophical ideas. At times lively freeform conversation sparkling with wit and insight, at times making intensive use of the Socratic method of questioning, Solovyov's wide-ranging enquiries are intensely readable. Some of the conversationalists

have little to no knowledge of philosophy; with this in mind, the book is made entertaining and plain-spoken, advancing deep ideas in a manner understandable. As one of Solovyov's final works prior to his death in 1900, the introduction represents the author's mature outlook, encompassing Western and Eastern religious and philosophic questions, plus a suspicion that East Asian nations were an imminent threat to Russia. This outlook proved somewhat accurate with the outbreak of war between Russia and Japan in 1904-1905, in which Japan emerged victorious. Questions include whether war is an inevitability given human nature, the geopolitics of the day, and how to recognize manifestations of good and evil in the world. Perhaps most distinctive however is the energetic and insightful concluding monologue on the Antichrist; incisive and stark in its portrayal, this tale offers a memorable finish.
