The Tradition of the Actor-author in Italian Theatre Donatella Fischer 2017-12-02 "The central importance of the actor-author is a distinctive feature of Italian theatrical life, in all its eclectic range of regional cultures and artistic traditions. The fascination of the figure is that he or she stands on both sides of one of theatre's most important power relationships: between the exhilarating freedom of performance and the austere restriction of authorship and the written text. This broad-ranging volume brings together critical essays on the role of the actor-author, spanning the period from the Renaissance to the present. Starting with Castiglione, Ruzante and the commedia dell'arte, and surveying the works of Dario Fo, De Filippo and Bene, among others, the

contributors cast light on a tradition which continues into Neapolitan and Sicilian theatre today, and in Italy's currently fashionable 'narrative theatre', where the actor-author is centre stage in a solo performance."

Archives Internationales de Pharmacodynamie Et de Therapie 1924

Numerical Flow Simulation II Deutsche Forschungsgemeinschaft 2001-04-24 This volume contains nineteen contributions of works conducted since 1998 in the French-German research programme "Numerical Flow Simulation", which was initiated in 1996 by the Centre National de la Recherche Scientifique (CNRS) and the Deutsche Forschungsgemeinschaft (DFG). The main purpose of this second publication on the research programme is to give an overview of recent progress and to make the obtained results available to the public. The reports are grouped, like those in the first publication, under the four headings "Development of Solution Techniques", "Crystal Growth and Melts", "Flows of Reacting Gases" and "Turbulent Flows". All contributions to this publication were reviewed by a board consisting of T. Alziary de Roquefort, H.W. Buggisch, Th. Gallouet, W. Kordulla, A. Lerat, R. Rannacher, G. Warnecke, and the editor. The responsibility for the contents of the reports nevertheless lies with the contributors.

Pathologica 1913

Der Lange Türkenkrieg (1593-1606) Bruno Mugnai 2014-09-23 After more than half-a-century of wars in Hungary, the conflict between the Habsburgs and the Sublime Porte explodes in 1593, after a series of border incidents. The confrontation was soon regarded as crucial by both sides, also involving the neighbouring states in a complex and ruthless game of diplomacy and betrayal. The organization and the equipment of the various armies of the protagonists of those campaigns are treated together, along with the military operations, and the warfare of the first modern conflict in Eastern Europe.

L'autore afferma che è possibile. Non mi creda? L'unico guadagno di vendere questo libro su Internet coprirà questo importo. Così gli autori affermano...

EBOOK: Prego! An Invitation to Italian Graziana Lazzarino 2011-05-16 Prego! is easy to use! For this exciting new edition, we listened to our many adopters and made significant revisions to adapt Prego! to the changing needs of your students. Every aspect of this program is based on the strong foundation of vocabulary and grammar presentations unique to Prego along with communicative activities and expanded cultural material to help students develop language proficiency. As a result, the program is even stronger, offering a truly integrated approach to presenting culture that inspires students to develop their communication skills. All print and media supplements for the program are completely integrated in CENTRO, our comprehensive digital platform that brings together all the online and media resources of the Prego! program. These include the Quia online versions of the workbook and laboratory manual, the video program, the music playlist, and new interactive games. Instructors will also find an easy-to-use grade book, an instructor dashboard, and a class roster system that facilitates course management and helps reduce administrative workload.

A Cena Con Fluffy Giovanni Tempesta 2019-04-19 Tempesta's stories explore complexities that are both profound and profoundly human, for example in

cultural differences between life in the USA and in Italy. Most of his stories ask the reader to consider such questions as whether friendship possesses substance beyond illusion, and whether new life and new joy can emerge from surrender to aestheticized memories. Translating short stories is an arduous task but he succeeded in recreating in English, the emotional impact of his original stories in Italian. The importance of his writing lies in his capacity to generate dialogue. A reader must actively engage his texts, not to arbitrarily construct meaning, but to capture the abundance of subtlety and nuance that his work evokes. His prose (just like his poetry) does not ask to be received or decoded. Rather, it asks the reader to reflect on it and converse with it.
