The Blue Guitar John Banville 2015-09-15 John Banville, the Man Booker Prize-winning author of *The*

Sea and Ancient Light, now gives us a new novel—at once trenchant, witty, and shattering—about the intricacies of artistic creation, about theft, and about the ways in which we learn to possess one another, and to hold on to ourselves. Equally self-aggrandizing and self-deprecating, our narrator, Oliver Otway Orme (“O O O. An absurdity. You could hang me over the door of a pawnshop”), is a painter of some renown and a petty thief who has never before been caught and steals only for pleasure. Both art and the art of thievery have been part of his “endless effort at possession,” but now he’s pushing fifty, feels like a hundred, and things have not been going so well. Having recognized the “man-killing crevasse” that exists between what he sees and any representation he might make of it, he has stopped painting. And his last act of thievery—the last time he felt its “secret shiver of bliss”—has been discovered. The fact that the purloined possession was the wife of the man who was, perhaps, his best friend has compelled him to run away—from his mistress, his home, his wife; from whatever remains of his impulse to paint; and from a tragedy that has long haunted him—and to sequester himself in the house where he was born. Trying to uncover in himself the answer to how and why things have turned out as they have, excavating memories of family, of places he has called home, and of the way he has apprehended the world around him (“one of my eyes is forever turning towards the world beyond”), Olly reveals the very essence of a man who, in some way, has always been waiting to be rescued from himself.

I miti fondatori della massoneria Gilbert Durand 2021-09-30T00:00:00+02:00 La Massoneria, per le sue ridondanze sovramoltiplicate, è un terreno privilegiato in cui può impegnarsi un mitoanalista come Gilbert Durand, discepolo di Bachelard e Corbin, tra i più illustri studiosi dell’immaginario e della mitologia. Come afferma l’autore, “Nessun comportamento è maggiormente marcato dalla ridondanza di quello massonico. In tutte le fasi del percorso iniziatico tutto si ripete”. Questo saggio sviscera per la prima volta l’universo di simboli e di reiterazioni che risiedono alla base dell’accesso iniziatico massonico.

La Fortezza di Montefeltro. San Leo: processi di trasformazione, archeologia dell'architettura e restauri storici Daniele Sacco 2016-01-11 Il masso di San Leo conserva un patrimonio inestimabile per la storia dell'architettura militare europea e del paesaggio. La sua maestosità, che impressionò lo stesso Dante Alighieri, sta nel connubio tra strutture e posizione naturale. Posizione precaria che, nel corso dei secoli, ha prodotto la perdita per frana di molti dei suoi volumi originali. Il masso è talmente tanto arretrato che la Fortezza si trova in punta di piedi sul ciglio del precipizio in una continua corsa contro il tempo per la sua conservazione. Attraverso le discipline dell'Archeologia dell'architettura e del Restauro architettonico questo volume avvia un nuovo corso per la Fortezza, costituendo uno strumento di lettura, comprensione e tutela utile agli addetti ai lavori e a tutti coloro che nelle tematiche della conservazione e fruizione del Bene Culturale trovano oggi spunti di vivo interesse.

Threads and Traces Carlo Ginzburg 2012-09-02 "This book is a translation of historian Carlo Ginzburg's latest collection of essays. Through the detective work of uncovering a wide variety of stories or microhistories from fragments, Ginzburg takes on the bigger questions: How do we draw the line between truth and fiction? What is the relationship between history and memory? Stories range from medieval

Europe, the inquisitional trial of a witch, seventeenth-century antiquarianism, and twentieth-century historians."--Provided by publisher.

The Secrets of the Seducer Francesco Cibelli 2019-10-30 For years, men have been perfecting the art of seducing women. Francesco Cibelli, one of the most experienced Italian masters in the art of seduction, is ready to share all of his tips and tricks to score a woman. Stop puzzling over how many girls you are missing out on because you don't know the right techniques. With this eBook you can unlock the mysteries of what women really want in a man and learn how to effectively pick up the best girls, but with a delicious, magnetic, and effective seduction method. Unlike most guides, this is a comprehensive code of gallant strategies that are aimed at the more reserved females. The women you want to take home to meet your mother. In this easy to follow guide, the author will show you how to:
seduce a woman without appearing too romantic or corny
understand techniques and rules from real-world experience
hypnotize women with love, regardless of their current relationship status
Pick up this book today and see what everyone is saying about this amazing guide. "I'm a young guy and I still don't know how to approach girls, but this eBook has helped me to pick up more girls in bars and clubs. Highly recommended for those seeking advice on seduction!"
"Francesco Tesei" "I never had a problem getting girls but reading this guide I actually learned how to seduce in a magnetic and delicious way! Now I pick up girls even at the bus stop!"
"Paolo Rieti" "My friends always talk to me about liquid love, and about how to talk to girls the right way so as to pick them up and seduce them. Well, in this book you will find a very up-to-date and interesting guide on how to have a magnetic and delicious seduction! Congratulations to the author."
"Fabio Persico" "With this book seducing women seems a piece of cake, but is it true? I still have to try many of the techniques, but so far it seems to be better in picking up girls. So, kudos to the author."
"Enzo Dellerà

A Scientific Autobiography, reissue Aldo Rossi 2010-01-29 A lyrical memoir by one of the major figures of postmodernist architecture; with drawings of architectural projects prepared especially for the book. This revealing memoir by Aldo Rossi (1937–1997), one of the most visible and controversial figures ever on the international architecture scene, intermingles discussions of Rossi's architectural projects—including the major literary and artistic influences on his work—with his personal history. Drawn from notebooks Rossi kept beginning in 1971, these ruminations and reflections range from his obsession with theater to his concept of architecture as ritual.
