Letters from Cuba Ruth Behar 2021-08-31 Pura Belpré Award Winner Ruth Behar's inspiring story of a Jewish girl who escapes Poland to make a new life in Cuba, where she works to rescue the rest of her family The situation is getting dire for Jews in Poland on the eve of World War II. Esther's father has fled to Cuba, and she is the first one to join him. It's heartbreaking to be separated from her beloved sister, so Esther promises to write down everything that happens until they're reunited. And she does, recording both the good--the kindness of the Cuban people and her discovery of a valuable hidden talent--and the bad: the fact that Nazism has found a foothold even in Cuba. Esther's evocative letters are full of her appreciation for life and reveal a resourceful, determined girl with a rare ability to bring people together, all the while striving to get the rest of their family out of Poland before it's too late. Based on Ruth Behar's family history, this compelling story celebrates the resilience of the human spirit in the most challenging times.

Immigration Control, Law, and Morality Bente Puntervold Bø 2002 This research paper evaluates Norwegian visa policies within a legal and moral frame of reference. It discusses the use of restrictive visa granting policy as an instrument of selective, nationality-based immigration control and examines its implication on Norway's compliance with its refugee obligations and on refugee access to normal asylum procedures. The discussion is based on a case study of visa applications from Pakistani citizens as opposed to other nationalities. The researcher reveals that despite a consistent pattern of discrimination towards targeted national groups like Pakistanis, the Norwegian government cannot be challenged for this differential visa policy since the letters of rejection are formulated in very general terms. The thesis is divided into three parts. Part I presents an empirical description of the development of the Norwegian visa policies; in Part II the visa policies are discussed in a legal framework of reference and evaluated according to accepted principles of law; and in Part III visa and immigration policies are evaluated according to principles of morality.

Black Identities Mary C. WATERS 2009-06-30 The story of West Indian immigrants to the United States is generally considered to be a great success. Mary Waters, however, tells a very different story. She finds that the values that gain first-generation immigrants initial success--a willingness to work hard, a lack of attention to racism, a desire for education, an incentive to save--are undermined by the realities of life and race relations in the United States. Contrary to long-held beliefs, Waters finds, those who resist Americanization are most likely to succeed economically, especially in the second generation.

Earning Freedom! Michael G Santos 2020-05 Michael Santos helps audiences understand how to overcome the struggle of a lengthy prison term. Readers get to experience the mindset of a 23-year-old young man that goes into prison at the start of America's War on Drugs. They see how decisions that Santos made at different stages in the journey opened opportunities for a life of growth, fulfillment, and meaning. Santos tells the story in three sections: Veni, Vidi, Vici. In the first section of the book, we see the challenges of the arrest, the reflections while in jail, the criminal trial, and the imposition of a 45-year prison term. In the second section of the book, we learn how Santos opened opportunities to grow. By writing letters to universities, he found his way into a college program. After earning an undergraduate degree, he pursued a master's degree. After earning a master's degree, he began work toward a doctorate degree. When authorities blocked his pathway to complete his formal education, Santos shifted his energy to publishing and creating business opportunities from inside of prison boundaries. In the final section, we learn how Santos relied upon critical-thinking skills to position himself for a successful journey inside. He nurtured a relationship with Carole and married her inside of a prison visiting room. Then, he began building businesses that would allow him to return to society strong, with his dignity

intact. Through *Earning Freedom!* readers learn how to overcome struggles and challenges. At any time, we can recalibrate, we can begin working toward a better life. Santos served 9,135 days in prison, and another 365 days in a halfway house before concluding 26 years as a federal prisoner. Through his various websites, he continues to document how the decisions he made in prison put him on a pathway to succeed upon release.
