The New Jersey Wildlife Viewing Guide Laurie Pettigrew 1998 From scenic mountain ridges to vast coastal marshes, the "New Jersey Wildlife Viewing Guide" will lead you to 87 premier wildlife viewing areas, and will better your chances of seeing wildlife site once you get there. Included are detailed descriptions of each viewing site and its wildlife, maps and access information, helpful viewing tips, and 93 color photographs featuring the flora and fauna of the Garden State. This guide was created through the National Watchable Wildlife Program, a unique partnership initiative coordinated by Defenders of Wildlife. The New Jersey Division of Fish, Game, and Wildlife, Endangered and Nongame Species Program, provided major funding for the guide from the sale of New Jersey's Conserve Wildlife license plates and the state income tax "check-off for Wildlife." The division hopes that this guide will provide, in addition to enjoyment and satisfaction, a heightened appreciation for New Jersey's natural environment and its wildlife treasures.

Living with Bears Linda Masterson 2006 Colorado author Linda Masterson dispels myths, replaces fear with respect, and lays the foundation for improving human-black bear relations with an inside look at the fascinating world of these highly intelligent, adaptable and resourceful animals found in 41 U.S. states and every province in Canada. With over 900,000 black bears roaming North America today, people from Florida to British Columbia are encountering bears more often, and as a result, human-bear conflicts are on the rise. This guidebook to life in bear country is packed with a wealth of useful and often surprising information, and down-to-earth advice from bear experts all over the continent, along with real-life stories from wildlife managers, organizations and communities who've discovered creative, workable ways for people and bears to share space. - Understanding Black Bears and Their Behavior - Bear-Proofing Your Home - Safe Trash Stashing - Hiking, Camping & Playing in Bear Country - Birdfeeding, Bee-Keeping in Bear Country - Gardening, Orchards & Farming in Bear Country - Bear Behavior Modification - Avoiding Encounters & Attacks - Appendix: bear organizations, volunteer groups, state agencies, resources and index Case Studies from National Parks, wildlife sanctuaries and communities in Colorado, Pennsylvania, Florida, Tennessee, Washington, Nevada, California, Minnesota and Canada.

Wild New Jersey David Wheeler 2011 "Wild New Jersey brings the reader on a real-life safari through the Garden State's wildlife and natural wonders."-Tom Gilmore, President, New Jersey Audubon Society "Once you read this book, don't be surprised if you find yourself going straight to the nearest outdoor adventure, whether it be boating and birding the Meadowlands, hiking the Appalachian Trail, or exploring the Pinelands."-Captain Bill Sheehan, Hackensack Riverkeeper "What is wonderful about this book is it shows we still have wild places left even in the middle of our state's most developed urban areas. This book captures why we must preserve what's left of nature in New Jersey-and it reads like page-turner you can't put down."-Jeff Tittel, Director, New Jersey Sierra Club "Full of exciting tales about New Jersey, from the crowded urban areas to the most remote places of the state."-Joanna Burger, author of A Naturalist Along the New Jersey Shore The fastest animal on earth

dive-bombs him from the skies. A young black bear bounds up a mountain trail a few yards away. Poisonous snakes swirl at his feet. A thousands bats careen past his head in a pitch-black roost. Pods of dolphins swim right past him by the scores. Who? Experienced naturalist David Wheeler. Where? Inside the pages of *Wild New Jersey*, of course. Count on this to be the first nature book to paint the extraordinary picture of New Jersey's unlikely wilderness in all its glory.

Puerto Rico and Virgin Islands Wildlife Viewing Guide David W. Nellis 1999 The turquoise blue of the Caribbean waters and the rainbow hues of the marine life found therein make this guide to 59 wildlife viewing sites an eye-pleaser. Besides snorkeling and diving sites, the book also leads the way to shoreline and inland viewing areas. Species featured include mangrove cuckoo; manatee; Puerto Rican flycatcher; angelfish; sea turtles; barracuda; anolis lizards; and several species of coqui, a tree frog.
