Middle Kingdom and Empire of the Rising Sun June Teufel Dreyer 2016-06-02 Japan and China have

been rivals for more than a millennium. In more recent times, China was the more powerful until the late nineteenth century, while Japan took the upper hand in the twentieth. Now, China's resurgence has emboldened it even as Japan perceives itself falling behind, exacerbating long-standing historical frictions. June Teufel Dreyer's *Middle Kingdom and Empire of the Rising Sun* provides a highly accessible overview of one of the world's great civilizational rivalries. Dreyer, a senior scholar of East Asia, begins in the seventh century in order to provide a historical background for the main story: by the mid-nineteenth century, the shrinking distances afforded by advances in technology and the intrusion of Western powers brought the two into closer proximity in ways that alternately united and divided them. In the aftermath of multiple wars between them, including a long and brutal conflict in World War II, Japan developed into an economic power but rejected any concomitant military capabilities. China's journey toward modernization was hindered by ideological and leadership struggles that lasted until the death of revolutionary leader Mao Zedong in 1976. Bringing the narrative up to the present day, Dreyer focuses on the issues that dominate China and Japan's fraught current relationship: economic rivalry, memories of World War II, resurgent nationalism, military tensions, Taiwan, the Diaoyu/Senkaku Islands, and globalization. Dreyer argues that recent disputes should be seen as manifestations of embedded rivalries rather than as issues whose resolution would provide a lasting solution to deep-standing disputes. For anyone interested in the political dynamics of East Asia, this integrative history of the relationship between the region's two giants is essential reading.

Seven Days that Divide the World, 10th Anniversary Edition John C. Lennox 2021-10-12 Now revised and updated--John Lennox's acclaimed method of reading and interpreting the first chapters of Genesis without discounting either science or Scripture. What did the writer of Genesis mean by "the first day?" Are the seven days in Genesis 1 a literal week or a series of time periods? If I believe that the earth is 4.5 billion years old as cosmologists believe, am I denying the authority of Scripture? With examples from history, a brief but thorough exploration of the major interpretations, and a look into the particular significance of the creation of human beings, Lennox suggests that Christians can heed modern scientific knowledge while staying faithful to the biblical narrative. He moves beyond a simple response to the controversy, insisting that Genesis teaches us far more about the God of Jesus Christ and about God's intention for creation than it does about the age of the earth. With this book, Lennox offers a careful and accessible introduction to a scientifically-savvy, theologically-astute, and Scripturally faithful interpretation of Genesis. Since its publication in 2011, this book has enabled many readers to see that the major controversy with which it engages can be resolved without compromising commitment to the authority of Scripture. In this newly revised and expanded edition, John clarifies his arguments, responds to comments and critiques of the past decade since its first publication. In particular, he describes some of the history up to modern times of Jewish scholarly interpretation of the Genesis creation narrative as well as spelling out in more detail the breadth of views in the Great Tradition of interpretation due to the early Church Fathers. He shows that, contrary to what many people think, much of the difficulty with understanding the biblical texts does not arise from modern science but from attempting to elucidate the texts in their own right.

*European Tort Law* Cees van Dam 2013-03-21 This textbook provides insight into the differences commonalities and mutual influence of the tort law systems of various European jurisdictions, bringing together national tort law, comparative law, EU law, and human rights law.

*Forget Me Not (17th Anniversary Edition)* Michelle M. Pillow 2020-11-02 Re-Edited and Revised 17th Anniversary Edition Regency Paranormal Gothic Romance From NYT Bestselling Author Michelle M. Pillow comes a tragically beautiful love story that defies perception. When the scandalously independent Isabel Drake refuses to marry the man her parents choose for her, they force her to take lessons on how to become a respectable lady. However, her new tutor makes her feel anything but proper. Although her attraction to Mr. Weston is instantaneous, he resolves to keep her in her place—even as his desires for her become unmistakable. Things are not what they seem at Rothfield Park. With Mr. Weston's arrival, there comes an abundance of restless spirits who insinuate themselves into her life. Quickly, Isabel loses her grasp on reality, not knowing who's alive or dead. Time is running out, and Isabel must solve the ghostly mystery of the eerie night mist that surrounds the manor before it comes to claim everyone she holds dear—including her Mr. Weston. Praise for *Forget Me Not* "If you enjoyed books like *Pride and Prejudice* and *Zombies* or *Mr. Darcy, Vampyre*, then *Forget Me Not* should give you plenty of ghostly pleasure. If you're a fan of television shows like *The Ghost Whisperer* or films like *The Sixth Sense*, you'll also find more enjoyable modern spins on ghosts and the Gothic in these pages. After you finish *Forget Me Not*, I suspect you will want to read more of Michelle Pillow's novels—fortunately, she has written plenty in both the romance and paranormal genres." Tyler Tichelaar, Ph.D. on *The Gothic Wanderer* 5 Stars! "Things that go bump in the night... ghosts of course and romance! Loved this book! Gave me my Jane Austen fix with attitude and paranormal thrills as well as hot romance- the perfect storm! It's like reading a ghost story by the fire... and feeling every chill and thrill!" - Amazon 5 Stars! "Forget me Not was a beautifully written story. It's about two people from different times that are brought together by tragic events only to fall in-love with one another." Dawn M Dohey, Amazon *Forget Me Not, Re-Edited and Revised 17th Anniversary Edition* published November 2020 Genres: Paranormal, Regency, Historical, Ghost, Gothic Romance, European, Nobility, Romance, historical romance, damaged hero, action and adventure, dark romance, gothic, legends, romantic adventure, Arranged Marriage, Victorian Romance, Regency Romance, mystery, suspense, haunting, spirits, regency gothic paranormal, 19th century historical fiction, victorian ghost romance, supernatural mystery novel, afterlife, suspense romance books, aristocrat nobility Paranormal Regency Historical Ghost Gothic Romance Formerly Titled: *The Mists of Midnight*, Originally Published 2004

*Apollo 11: An AP Special Anniversary Edition* Associated Press 2019-06-26 HOW AMERICA WON THE RACE TO THE MOON! In this fascinating history of the Apollo 11 mission, The Associated Press chronicles America's journey to the moon. In 1957 the Soviet Union sent Sputnik, the first man-made satellite, into space. America took up the challenge to explore the next frontier. A dozen years, and 25 billion dollars later, the mission of Apollo 11 would yield man's finest hour. For that was the first time man's foot left prints on another heavenly body. And that was only the beginning. "Apollo 11" is the incredible story of how a nation forged the technology during the turbulent 1960s to slip humanity from the bonds of its native planet. This inside look remembers those who made the great enterprise succeed. The achievement of the astronauts, especially Neil Armstrong, Buzz Aldrin, and Michael Collins, was more than a victory for the United States; it was a triumphant moment for all mankind. And no other moment will seem as big until we reach beyond the moon for other planets, other stars. This

special anniversary edition features an introduction by AP's Aerospace Correspondent Marcia Dunn, a bonus photo gallery and select artifacts from the corporate archives of The Associated Press.

**The Psychology of Spirit** Mary Devlin 2000-12 A book on the psychology of the soul, blending modern transpersonal psychology, ancient myth, and years of experience with past-life regression. The Psychology of Spirit presents the results of over 20 years of study of esoteric philosophy, psychology, world mythology and religions, reincarnation and past-life regression - all coming together in a new psychological paradigm for the purpose of clearing the soul rather than the personality of ancient trauma and enabling the transition to enlightenment.

*Stand Like Mountain, Flow Like Water* Brian Luke Seaward 2010-01-01 Self-Help/Spirituality “Every now and then you come across an author whose words transform your life and inspire you forever. The wisdom, insight, stories, and gentle guidance within the pages of *Stand Like Mountain* proved to be a blessing in my life. I am eternally grateful. This tenth anniversary edition not only reinvigorates the human spirit, it's a celebration of life. Timeless and ageless wisdom is never out of style on the human journey.” --Joan Lunden, Author of *Joan Lunden's Wake-up calls* Times of stress may bring feelings of panic and mayhem, but when we call upon our inner resources, stress also provides the opportunity for spiritual growth. However, our path to our ultimate purpose is often blocked by guilt, greed, laziness, worry, and most destructive of all: fear and anger. In his inspiring and insightful book *Stand Like Mountain, Flow Like Water*, renowned expert on stress management, Brian Luke Seaward, Ph.D., teaches you how to maneuver around these troublesome roadblocks and outlines the key to life: Balance--to stand secure and grounded like a mountain, but to flow like water. To help you reach your goals and destinations, Seaward points out that the mind, body, and spirit must be in harmony during our journey from the tumultuous sea of stress to the unfaltering rock of our spirituality. We can do so by relying on our natural-born inner resources (muscles of the soul) as our guides. This Tenth Anniversary Edition is filled with the most up-to-date insights and compelling stories regarding the mind-body-spirit connection and includes Dr. Seaward's latest stress-busting and healing strategies to help you:

- Identify your innate resources to cope effectively to stressors
- Strengthen the muscles of your soul for life's challenges
- Deepen your soul-searching process to gain personal insights
- Maintain a sense of balance and inner peace in a stressed-filled world
- Identify and transition peacefully through the Seasons of the Soul

Dr. Seaward's extensive research and teachings on the connection between stress and spirituality will soothe and harmonize your spirit and give you the tools to enhance and sustain connectedness with yourself, your purpose, and nature around you.

*Why We Love Dogs, Eat Pigs, and Wear Cows* Melanie Joy 2020-08-01 An Introduction to Carnism. “An important and groundbreaking contribution to the struggle for the welfare of animals.” — Yuval Harari, New York Times best-selling author of *Sapiens: A Brief History of Humankind* “An absorbing examination of why humans feel affection and compassion for certain animals but are callous to the suffering of others.” — Publishers Weekly *Why We Love Dogs, Eat Pigs, and Wear Cows* offers an absorbing look at what social psychologist Melanie Joy calls carnism, the belief system that conditions us to eat certain animals when we would never dream of eating others. Carnism causes extensive animal suffering and global injustice, and it drives us to act against our own interests and the interests of others without fully realizing what we are doing. Becoming aware of what carnism is and how it functions is vital to personal empowerment and social transformation, as it enables us to make our food choices more freely—because without awareness, there is no free choice.

The Ripple Trilogy Tenth Anniversary Edition Cidney Swanson 2021-12-01 From Kirkus Award-Winning Author Cidney Swanson: Samantha Ruiz has always blamed herself for her mother's untimely death, until she learns it may be linked to genetic experiments dating back to World War II. Suddenly Samantha's uncanny ability to vanish from sight or "ripple" looks like more than just an amusing superpower. Now it might get her killed. A swoon-y crush shows up in her life, offering help and secrecy, but he also confirms there are people eager to get their hands on her for her secret ability. Uncertain who to trust, Samantha can't resist gorgeous Will and is soon sneaking around ancient French castles by moonlight to unravel the mystery of who wants her and why - before it's too late. Packed with action and sweet romance, the Ripple Trilogy delivers a heart-pounding collision of beauty and darkness. The Ripple Series is for readers who love YA fantasy in a contemporary setting with thriller action and a touch of clean romance. The enhanced tenth anniversary edition includes a new author's note as well as bonus recipes for the drool-worthy foods described in the series. This trilogy forms a complete story, but there are four additional books for those who fall in love with the Ripple world and want even more!

*Cut Me Free* J. R. Johansson 2015-01-27 Seventeen-year-old Charlotte barely escaped from her abusive parents. Her little brother, Sam, wasn't as lucky. Now she's trying to begin the new life she always dreamed of for them, but never thought she'd have to experience alone. She's hired a techie-genius with a knack for forgery to remove the last ties to her old life. But while she can erase her former identity, she can't rid herself of the memories. And her troubled history won't let her ignore the little girl she sees one day in the park. The girl with the bruises and burn marks. That's when Charlotte begins to receive the messages. Threatening notes left in her apartment--without a trace of entry. And they're addressed to Piper, her old name. As the messages grow in frequency, she doesn't just need to uncover who is leaving them; she needs to stop whoever it is before anyone else she loves ends up dead.

*Archie: The Married Life - 10th Anniversary #5* Michael Uslan 2020-01-01 Tensions are on the rise all over both versions of Riverdale and there's only one person who can restore everything to order—Dilton Doiley! It's up to him to right all the wrongs that have happened to his friends—if they'll let him. But in Riverdale, when things are tough, there's only one true way to handle any problem—over a malt at the Chocklit Shoppe!

*I Am a Bacha Posh* Ukmına Manoori 2014-10-14 A 2015 Amelia Bloomer List Selection "You will be a son, my daughter." With these stunning words Ukmına learned that she was to spend her childhood as a boy. In Afghanistan there is a widespread practice of girls dressing as boys to play the role of a son. These children are called bacha posh: literally "girls dressed as boys." This practice offers families the freedom to allow their child to shop and work—and in some cases, it saves them from the disgrace of not having a male heir. But in adolescence, religion restores the natural law. The girls must marry, give birth, and give up their freedom. Ukmına decided to confront social and family pressure and keep her menswear. This brave choice paved the way for an extraordinary destiny: she wages war against the Soviets, assists the mujaheddin and ultimately commands the respect of all whom she encounters. She

eventually becomes one of the elected council members of her province. But freedom always has a price. For "Ukmina warrior" that price was her life as a woman. This is a stunning and brave memoir about a little known practice that will challenge your perceptions about gender and the courage it takes to live your life to the fullest. Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing, and Yucca imprints, is proud to publish a broad range of biographies, autobiographies, and memoirs. Our list includes biographies on well-known historical figures like Benjamin Franklin, Nelson Mandela, and Alexander Graham Bell, as well as villains from history, such as Heinrich Himmler, John Wayne Gacy, and O. J. Simpson. We have also published survivor stories of World War II, memoirs about overcoming adversity, first-hand tales of adventure, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

**Trapped Under the Sea** Neil Swidey 2014-02-18 The harrowing story of five men who were sent into a dark, airless, miles-long tunnel, hundreds of feet below the ocean, to do a nearly impossible job—with deadly results A quarter-century ago, Boston had the dirtiest harbor in America. The city had been dumping sewage into it for generations, coating the seafloor with a layer of “black mayonnaise.” Fisheries collapsed, wildlife fled, and locals referred to floating tampon applicators as “beach whistles.” In the 1990s, work began on a state-of-the-art treatment plant and a 10-mile-long tunnel—its endpoint stretching farther from civilization than the earth’s deepest ocean trench—to carry waste out of the harbor. With this impressive feat of engineering, Boston was poised to show the country how to rebound from environmental ruin. But when bad decisions and clashing corporations endangered the project, a team of commercial divers was sent on a perilous mission to rescue the stymied cleanup effort. Five divers went in; not all of them came out alive. Drawing on hundreds of interviews and thousands of documents collected over five years of reporting, award-winning writer Neil Swidey takes us deep into the lives of the divers, engineers, politicians, lawyers, and investigators involved in the tragedy and its aftermath, creating a taut, action-packed narrative. The climax comes just after the hard-partying DJ Gillis and his friend Billy Juse trade assignments as they head into the tunnel, sentencing one of them to death. An intimate portrait of the wreckage left in the wake of lives lost, the book—which Dennis Lehane calls “extraordinary” and compares with *The Perfect Storm*—is also a morality tale. What is the true cost of these large-scale construction projects, as designers and builders, emboldened by new technology and pressured to address a growing population’s rapacious needs, push the limits of the possible? This is a story about human risk—how it is calculated, discounted, and transferred—and the institutional failures that can lead to catastrophe. Suspenseful yet humane, *Trapped Under the Sea* reminds us that behind every bridge, tower, and tunnel—behind the infrastructure that makes modern life possible—lies unsung bravery and extraordinary sacrifice.

**Road Companion to Democracy and Meritocracy** B. Tangwa 2010-08-26 Each of the essays in this book is marked by a certain simplicity and clarity, a seriousness tinged with humour, masking a profundity that are unmistakably characteristic of Godfrey B. Tangwa alias Rodcod Gobata, one of the leading critical minds amongst Cameroonians. The essays are centred on the theme of democracy and meritocracy which the author believes to be the pre-conditions for genuine development in Africa. The immediate focus of these essays is Cameroon, a country remarkable for experimenting with French/English bilingualism and for having a political dictatorship which claims, wrongly or rightly, to have transformed itself into a democracy; but they are equally relevant to other countries in Africa and beyond. Each of the essays stands alone but they are all telling various aspects of the same story from various angles at various times using different modes of expression. Anyone who seeks a glimpse of understanding of the trouble with Africa and particularly with Cameroon, 10 years into the 21st century, would read this book with great profit.

In the Shadow Of the Poorhouse (Tenth Anniversary Edition) Michael B Katz 1996-12-11 With welfare reform a burning political issue, this special anniversary edition of the classic history of welfare in America has been revised and updated to include the latest bipartisan debates on how to “end welfare as we know it.” In the Shadow of the Poorhouse examines the origins of social welfare, both public and private, from the days of the colonial poorhouse through the current tragedy of the homeless. The book explains why such a highly criticized system persists. Katz explores the relationship between welfare and municipal reform; the role of welfare capitalism, eugenics, and social insurance in the reorganization of the labor market; the critical connection between poverty and politics in the rise of the New Deal welfare state; and how the War on Poverty of the '60s became the war on welfare of the '80s.

American Journal of Roentgenology 1917

**Aldo Leopold's Odyssey, Tenth Anniversary Edition** Julianne Lutz Warren 2016-05-24 In 2006, Julianne Lutz Warren (née Newton) asked readers to rediscover one of history's most renowned conservationists. Aldo Leopold's *Odyssey* was hailed by *The New York Times* as a “biography of ideas,” making “us feel the loss of what might have followed *A Sand County Almanac* by showing us in authoritative detail what led up to it.” Warren's astute narrative quickly became an essential part of the Leopold canon, introducing new readers to the father of wildlife ecology and offering a fresh perspective to even the most seasoned scholars. A decade later, as our very concept of wilderness is changing, Warren frames Leopold's work in the context of the Anthropocene. With a new preface and foreword by Bill McKibben, the book underscores the ever-growing importance of Leopold's ideas in an increasingly human-dominated landscape. Drawing on unpublished archives, Warren traces Leopold's quest to define and preserve land health. Leopold's journey took him from Iowa to Yale to the Southwest to Wisconsin, with fascinating stops along the way to probe the causes of early land settlement failures, contribute to the emerging science of ecology, and craft a new vision for land use. Leopold's life was dedicated to one fundamental dilemma: how can people live prosperously on the land and keep it healthy, too? For anyone compelled by this question, the Tenth Anniversary Edition of Aldo Leopold's *Odyssey* offers insight and inspiration.

**Vampire Academy 10th Anniversary Edition** Richelle Mead 2016-11-29 Richelle Mead celebrates 10 years of *Vampire Academy* with an exclusive, never-before-seen collection of stories that sheds new light on the world and its players: *The Turn and the Flame* takes a deeper look into the dark stain on the Ozer dynasty... From the *Journal of Vasilisa Dragomir* unearths the princess's private thoughts from a transformative period of her life... *The Meeting* gives us a glimpse of Rose Hathaway through Dimitri's eyes... *Hello My Name Is Rose Hathaway* tracks the shenanigans that ensue when Rose and Dimitri become unlikely teammates in a high-stakes scavenger hunt... Lissa Dragomir is a Moroi princess: a mortal vampire with a rare gift for harnessing the earth's magic. She must be protected at all times from Strigoi; the fiercest vampires--the ones who never die. The powerful blend of human and vampire blood that flows through Rose Hathaway, Lissa's best friend, makes her a Dhampir. Rose is dedicated to a dangerous life of protecting Lissa from Strigoi, who are hell-bent on making Lissa one of them. After two years of freedom, Rose and Lissa are caught and dragged back to St. Vladimir's Academy, where vampire royalty and their guardians-to-be prepare for a life fraught with danger. Rose and Lissa must navigate their treacherous world and never once let their guard down, lest the evil undead make Lissa one of them forever. But soon Rose finds herself gripped by temptation of forbidden love, leaving Lissa exposed to Strigoi attack. Now she must choose between the best friend she lives for, and the man she can't live without....

**No More Excuses** Tony Evans 2017 Popular pastor and radio host Tony Evans gives men the advice and inspiration they need to battle on through difficult circumstances and be the men God made them to be.

*Academy, with which are Incorporated Literature and the English Review 1903*

Inexcusable Chris Lynch 2015-01-13 Date rape—from the accused’s point of view—is the subject of this “finely crafted and thought-provoking page-turner” (SLJ), a National Book Award Finalist from Printz Honor-winning author Chris Lynch. Now available in a tenth-anniversary edition. Keir Sarafian may not know much, but he knows himself. And the one thing he knows about himself is that he is a good guy. A guy who’s a devoted son and brother, a loyal friend, and a reliable teammate. And, maybe most important of all, Keir is a guy who understands that when a girl says no, she means it. But that is not what Gigi Boudakian, childhood friend and Keir’s lifelong love, says at all. What Gigi says seems impossible to Keir—something inexcusable—the worst thing he can imagine, the very opposite of everything he wants to be. As Keir recalls the events leading up to his fateful night with Gigi, he realizes that the way things look are definitely not the way they really are...and that it may be all too easy for a good guy to do something terribly wrong. Chris Lynch has written a no-holds-barred story about truth, lies, and responsibility—a story that every good guy needs to hear.

The Last Best League, 10th anniversary edition Jim Collins 2014-05-27 Every summer, in ten small towns across Cape Cod, the finest college baseball players in the country gather in hopes of making it to "The Show." The hopes are justifiably high: The Cape Cod Baseball League is the best amateur league in the world, producing one out of every six major league players. Ten years ago, Jim Collins chronicled a season in the life of one team: the Chatham A's, perhaps the most celebrated team in the league. Set against the backdrop of a resort town on the bend of the outer Cape, the story charted the changing fortunes of a handful of players battling slumps and self-doubt in their effort to make the league playoffs and, more importantly, impress the major league scouts. Over the last decade, baseball's hard truths became evident for the Chatham stars who went on to play professionally, and the final chapter of their story can now be written. In a new afterword for the tenth anniversary, Collins explores questions that sports literature rarely touches: What does it mean to devote your life to an almost impossible goal and almost but not quite make it? Or make it only briefly before it slips away? What does a dream look like in retrospect? How does the game look now?

Official Report of the Proceedings and Debates ... Church of the United Brethren in Christ (1800-1889). General Conference 1921

**Sexuality in Literature for Children and Young Adults** Paul Venzo 2021-06-09 Expanding outward from previous scholarship on gender, queerness, and heteronormativity in children’s literature, this book offers fresh insights into representations of sex and sexuality in texts for young people. In this collection, new and established scholars examine how fiction and non-fiction writing, picture books, film and television and graphic novels position young people in relation to ideologies around sexuality, sexual identity, and embodiment. This book questions how such texts communicate a sense of what is possible, impossible, taboo, or encouraged in terms of being sexual and sexual being. Each chapter is motivated by a set of important questions: How are representations of sex and sexuality depicted in texts for young people? How do these representations affect and shape the kinds of sexualities offered as models to young readers? And to what extent is sexual diversity acknowledged and represented across different narrative and aesthetic modes? This work brings together a diverse range of conceptual and theoretical approaches that are framed by the idea of sexual becoming: the manner in which texts

for young people invite their readers to assess and potentially adopt ways of thinking and being in terms of sex and sexuality.

Fagin The Jew 10th Anniversary Edition Will Eisner 2013-08-13 Comics luminary Will Eisner takes on literary giant Charles Dickens, in this fascinating retelling of the life of Oliver Twist's Fagin! Imagining Fagin's impoverished childhood in the slums of London and his initiation into the criminal underworld, Eisner's story counters the anti-Semitism of Victorian literature as his gorgeous brushwork creates an evocative portrait of the era. \* Now with Eisner's previously unused full-color cover art! \* Foreword by Brian Michael Bendis! \* Introduction by Dickens scholar Jeet Heer!
