Micro, Small, and Medium Enterprises in Vietnam John Rand 2020 This is an open access title available under the terms of a CC BY-NC-ND 3.0 IGO licence. It is free to read at Oxford Scholarship Online and offered as a free PDF download from OUP and selected open access locations. *Micro, Small, and Medium Enterprises in Vietnam* provides a comprehensive analytic contribution to a crucial topic within development economics. Based on fifteen years of continued data collection and research efforts it brings together nine up-to-date studies on micro, small, and medium enterprise (SME) development in a coherent framework to help persuade national and international policymakers of the need to take the international call for a data revolution seriously. This edited volume provides an in-depth evaluation of the development of private sector formal and informal manufacturing SMEs in Vietnam over the past decade, combining a unique primary data source with the best panel data and analytical tools available. It generates a comprehensive understanding of the impact of business risks, credit access, institutional characteristics, and government policies, and makes available a set of materials and studies of use to academics, students, and development practitioners interested in an integrated approach to the study of growth, private sector development, and the microeconomic analysis of SME development in a fascinating developing country. *Micro, Small, and Medium Enterprises in Vietnam* serves as a lense

through which other countries, and the international development community at large, may wish to approach the massive task of pursuing a meaningful data revolution as an integral element of the Sustainable Development Goals agenda.

Epic Bike Rides of the World Lonely Planet 2016-08-01 Lonely Planet: The world's leading travel guide publisher Discover 200 of the best places to ride a bike in this beautifully illustrated hardback. From family-friendly, sightseeing urban rides to epic adventures off the beaten track. Destinations range from France and Italy, for the world's great bike races, to the wilds of Mongolia and Patagonia. These journeys will inspire - whether you are an experienced cyclist or just getting started. The book is organised by continent. In the Americas we join a family bikepacking trip in Ecuador; we pedal the Natchez Trace Parkway and stop at legendary music spots; we ride the Pacific Coast Highway in Oregon and California; go mountain biking in Moab and Canada; and explore the cities of Buenos Aires and New York by bicycle. European rides include easy-going trips around Lake Constance, along the Danube and the Loire, and coast-to-coast routes; routes in Tuscany, Spain and Corsica; and professional journeys up Mt Ventoux and around the Tour of Flanders. In Asia, we venture through Vietnam's valleys; complete the Mae Hong Son circuit in northern Thailand; cross the Indian Himalayas; and pedal through Bhutan. And in Australia and New Zealand we take in Tasmania and Queensland by mountain bike; cycle into Victoria's high country and around Adelaide on road bikes; and try some of New Zealand's celebrated cycle trails. Each ride is illustrated with stunning photography and a map. A toolkit of practical details - where to start and finish, how to get there, where to stay and more - helps riders plan their own trips. There are also suggestions for three more similar rides around the world for each story. Each piece shows how cycling is a fantastic way to get to know a place, a people and their culture. About Lonely Planet: Started in 1973, Lonely Planet has become the world's leading travel guide publisher with guidebooks to every destination on the planet, gift and lifestyle books and stationery, as well as an award-winning website, magazines, a suite of mobile and digital travel products, and a dedicated traveller community.
