Twelve Years a Slave Solomon Northup 2021-01-01 "Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

Girl in Pieces Kathleen Glasgow 2018-04-10 Fans of *Girl, Interrupted*, *Thirteen Reasons Why*, and *All the Bright Places* will love this New York Times bestseller. "A haunting, beautiful, and necessary book that will stay with you long after you've read the last page."—Nicola Yoon, #1 New York Times bestselling author of *Everything, Everything* and *The Sun Is Also a Star* Charlotte Davis is in pieces. At seventeen she's already lost more than most people do in a lifetime. But she's learned how to forget. The broken glass washes away the sorrow until there is nothing but calm. You don't have to think about your father and the river. Your best friend, who is gone forever. Or your mother, who has nothing left to give you. Every new scar hardens Charlie's heart just a little more, yet it still hurts so much. It hurts enough to not care anymore, which is sometimes what has to happen before you can find your way back from the edge. A deeply moving portrait of a girl in a world that owes her nothing, and has taken so much, and the journey she undergoes to put herself back together. Kathleen Glasgow's debut is heartbreakingly real and unflinchingly honest. It's a story you won't be able to look away from. And don't miss Kathleen Glasgow's novels *You'd Be Home Now* and *How to Make Friends with the Dark*, both raw and powerful stories of life.

Grumpy Badger's Christmas Paul Bright 2009 The forest animals' Christmas celebrations keep interrupting Grumpy Badger's winter hibernation, until he decides to join them.

MacOS Support Essentials 11 - Apple Pro Training Series Arek Dreyer 2021 The Apple-Certified Way to Learn macOS Support Essentials 11 , the official book for macOS support, is a top-notch primer for anyone who needs to support, troubleshoot, or optimize macOS Big Sur, such as IT professionals, technicians, help desk specialists, and ardent Mac users. This is the only Apple Pro Training Series book that covers Big Sur. You'll find in-depth, step-by-step instructions on everything from upgrading, updating, reinstalling and configuring macOS Big Sur to setting-up network services like the Content Caching service. This book covers updated system utilities and new features in macOS Big Sur, including security and privacy enhancements, Control Center and Notification Center, Safari, system extensions, macOS Recovery, Startup Security Utility, and the Signed System Volume (SSV). Lonely Planet's Best in Travel 2020 Lonely Planet 2019-10-22 This annual bestseller ranks the hottest countries, regions and cities for 2020, and reveals how well-planned, sustainable travel can be a force for good. Drawing on the knowledge and passion of Lonely Planet's staff, authors and online community, we present a year's worth of inspiration to take you out of the ordinary and into the unforgettable.

The Boy at the Top of the Mountain John Boyne 2016-06-07 The powerful, unforgettable new novel from the bestselling author of *The Boy in the Striped Pajamas*, for ages 12+. When Pierrot becomes an orphan, he must leave his home in Paris for a new life with his Aunt Beatrix, a servant in a wealthy household at the top of the German mountains. But this is no ordinary time, for it is 1935 and the Second World War is fast approaching; and this is no ordinary house, for this is the Berghof, the home of Adolf Hitler. Quickly, Pierrot is taken under Hitler's wing, and is thrown into an increasingly dangerous new world: a world of terror, secrets and betrayal, from which he may never be able to escape.

EPUB Straight to the Point Elizabeth Castro 2010-07-28 Almost overnight, EPUB has become the favored standard for displaying digital text on ereaders. The EPUB specification is a powerful method for creating gorgeous ebooks for EPUB-capable readers such as the iPad, Nook, and Kindle. Alas, it is far from perfect, with frustrating limitations, sketchy documentation, and incomplete creation tools. This extensively researched guide to creating EPUB files by best-selling author Elizabeth Castro shows you how to prepare EPUB files, make the files look great on the screen, work around EPUB weaknesses, and fix common errors. In this essential book, Liz shares her hard-earned experience for how to: Create EPUB files from existing Microsoft Word or Adobe InDesign files, or from scratch. Tweak EPUB files to take full advantage of the power of EPUB in each respective ereader. Control spacing, indents, and margins. Insert images and sidebars and wrap text around them. Create links to external sources and cross-references to internal ones. Add video to ebooks for the iPad.

Dadu Dayal Paul Smith 2020-12-21 DADU DAYAL Bhakti Poet/Saint of India. Translation & Introduction Paul Smith. Dadu Dayal (1544-1603) was a Bhakti poet/saint from Ahmedabad, Gujarat, India. 'Dadu' means brother and 'Dayal' means 'the compassionate one'. He was found by an affluent businessman floating on the river Sabarmati. He later moved to Amer near Jaipur Rajasthan, where he gathered around himself a group of followers, forming a sect that became known as the Dadu-panth. Dadu's compositions were recorded by his disciple Rajjab and are known as the Dadu Anubhav Vani, a compilation of 5,000 couplets, many of them bhajans and dohas. Dadu spent the latter years of his life in Naraiana. Five ashrams are considered sacred by the followers: Naraiana, Bhairanaji, Sambhar, Amer, and Karadala (Kalyanpura). He was born in 1544, and died in 1603. He made his living by sewing skins into bags for raising water from wells, until eventually he was initiated into the religious life by the sadhu Sundardas. Dadu had no book-learning but his natural genius and the vision gained by his devotion made him a lover of beauty and a poet. Here are over 85

of his wonderful, powerful bhajans & dohas in the correct rhyming form for the first time. Large Print (16pt) & Large Format (8" x 10") Edition. 128 pages. Paul Smith (b. 1945) is a poet, author and translator of many books of Sufi poets from the Persian, Arabic, Urdu, Turkish, Pashtu, Hindi and other languages including Hafiz, Sadi, Nizami, Rumi, 'Attar, Sana'i, Jahan Khatun, Obeyd Zakani, Mu'in, Amir Khusrau, Nesimi, Kabir, Anvari, Ansari, Jami, Khayyam, Rudaki, Lalla Ded, Mahsati, Baba Farid, Iqbal, Vrind, Rahim and others, and his own poetry, fiction, biographies, plays, children's

A Very Large Expanse of Sea Tahereh Mafi 2018-10-16 Longlisted for the National Book Award for Young People's Literature! From the New York Times and USA Today bestselling author of the Shatter Me series comes a powerful, heartrending contemporary novel about fear, first love, and the devastating impact of prejudice. It's 2002, a year after 9/11. It's an extremely turbulent time politically, but especially so for someone like Shirin, a sixteen-year-old Muslim girl who's tired of being stereotyped. Shirin is never surprised by how horrible people can be. She's tired of the rude stares, the degrading comments—even the physical violence—she endures as a result of her race, her religion, and the hijab she wears every day. So she's built up protective walls and refuses to let anyone close enough to hurt her. Instead, she drowns her frustrations in music and spends her afternoons break-dancing with her brother. But then she meets Ocean James. He's the first person in forever who really seems to want to get to know Shirin. It terrifies her—they seem to come from two irreconcilable worlds—and Shirin has had her guard up for so long that she's not sure she'll ever be able to let it down.

Howl Allen Ginsberg 2010-01-01 Beat movement icon and visionary poet, Allen Ginsberg was one of the most influential poets of the twentieth century, and broke boundaries with his fearless, pyrotechnic verse. The apocalyptic 'Howl', originally written as a performance piece, became the subject of an obscenity trial when it was first published in 1956. It is considered to be one of the defining works of the Beat Generation, standing alongside that of Burroughs, Kerouac, and Corso. In it, Ginsberg attacks what he saw as the destructive forces of materialism and conformity in the United States at the time, and takes on issues of sex, drugs and race, simultaneously creating what would become the poetic anthem for US counterculture.

The Sun Is Also a Star Nicola Yoon 2016-11-01 The #1 New York Times bestseller and National Book Award Finalist from the bestselling author of Everything, Everything will have you falling in love with Natasha and Daniel as they fall in love with each other. Natasha: I'm a girl who believes in science and facts. Not fate. Not destiny. Or dreams that will never come true. I'm definitely not the kind of girl who meets a cute boy on a crowded New York City street and falls in love with him. Not when my family is twelve hours away from being deported to Jamaica. Falling in love with him won't be my story. Daniel: I've always been the good son, the good student, living up to my parents' high expectations. Never the poet. Or the dreamer. But when I see her, I forget about all that. Something about Natasha makes me think that fate has something

much more extraordinary in store—for both of us. The Universe: Every moment in our lives has brought us to this single moment. A million futures lie before us. Which one will come true? *** "Beautifully crafted."--People Magazine "A book that is very much about the many factors that affect falling in love, as much as it is about the very act itself . . . fans of Yoon's first novel, Everything Everything, will find much to love—if not, more—in what is easily an even stronger follow up." –Entertainment Weekly "Transcends the limits of YA as a human story about falling in love and seeking out our futures." –POPSUGAR.com

They aim at establishing a tradition of collaborative, localized research...

Design Ethnography Francis Müller 2020-12-14 This open access book describes methods for research on and research through design. It posits that ethnography is an appropriate method for design research because it constantly orients itself, like design projects, towards social realities. In research processes, designers acquire project-specific knowledge, which happens mostly intuitively in practice. When this knowledge becomes the subject of reflection and explication, it strengthens the discipline of design and makes it more open to interdisciplinary dialogue. Through the use of the ethnographic method in design, this book shows how design researchers can question the certainties of the everyday world, deconstruct reality into singular aesthetic and semantic phenomena, and reconfigure them into new contexts of signification. It shows that design ethnography is a process in which the epistemic and creative elements flow into one another in iterative loops. The goal of design ethnography is not to colonize the discipline of design with a positivist and objectivist scientific ethos, but rather to reinforce and reflect upon the explorative and searching methods that are inherent to it. This innovative book is of interest to design researchers and professionals, including graphic artists, ethnographers, visual anthropologists and others involved with creative arts/media.

European Islamophobia Report 2015 Enes Bayraklı 2016-03-23 The Report is an annual report, which is presented for the first time this year. It currently comprises 25 national reports regarding each state and the tendencies of Islamophobia in each respective country.

The Triumph of the Airheads Shelley Gare 2006 'Incarceration has worked a miracle on Martha Stewart's bottom line...' - The Daily Telegraph (London)'Not one of my 33 second-year university students had ever heard of Chairman Mao...' - Letter to The Australian'It sold well because lots of people bought it.' - Publisher Andrew FranklinEver felt as if someone's stolen your brain... numerous examples of idiocy, buffoonery in high places, 'famous' nobodies,

decisions that defy all logic? The question is why? How come our world - yours and mine - has been taken over by morons? How come questions are answered by a 'whatever' shrug, or not answered at all... while you're put on hold? Multi-award-winning journalist Shelley Gare reveals the answers in her insightful, funny, and scary new book.

Beyond Order Jordan B. Peterson 2021-03-02 The companion volume to 12 Rules for Life offers further guidance on the perilous path of modern life. In 12 Rules for Life, clinical psychologist and celebrated professor at Harvard and the University of Toronto Dr. Jordan B. Peterson helped millions of readers impose order on the chaos of their lives. Now, in this bold sequel, Peterson delivers twelve more lifesaving principles for resisting the exhausting toll that our desire to order the world inevitably takes. In a time when the human will increasingly imposes itself over every sphere of life—from our social structures to our emotional states—Peterson warns that too much security is dangerous. What's more, he offers strategies for overcoming the cultural, scientific, and psychological forces causing us to tend toward tyranny, and teaches us how to rely instead on our instinct to find meaning and purpose, even—and especially—when we find ourselves powerless. While chaos, in excess, threatens us with instability and anxiety, unchecked order can petrify us into submission. Beyond Order provides a call to balance these two fundamental principles of reality itself, and guides us along the straight and narrow path that divides them.

The Grace Year Kim Liggett 2019-10-08 The Instant New York Times Bestseller! A speculative thriller in the vein of The Handmaid's Tale and The Power. Optioned by Universal and Elizabeth Banks to be a major motion picture! "A visceral, darkly haunting fever dream of a novel and an absolute page-turner. Liggett's deeply suspenseful book brilliantly explores the high cost of a misogynistic world that denies women power and does it with a heart-in-your-throat, action-driven story that's equal parts horror-laden fairy tale, survival story, romance, and resistance manifesto. I couldn't stop reading." – Libba Bray, New York Times bestselling author Survive the year. No one speaks of the grace year. It's forbidden. In Garner County, girls are told they have the power to lure grown men from their beds, to drive women mad with jealousy. They believe their very skin emits a powerful aphrodisiac, the potent essence of youth, of a girl on the edge of womanhood. That's why they're banished for their sixteenth year, to release their magic into the wild so they can return purified and ready for marriage. But not all of them will make it home alive. Sixteen-year-old Tierney James dreams of a better life—a society that doesn't pit friend against friend or woman against woman, but as her own grace year draws near, she quickly realizes that it's not just the brutal elements they must fear. It's not even the poachers in the woods, men who are waiting for a chance to grab one of the girls in order to make a fortune on the black market. Their greatest threat may very well be each other. With sharp prose and gritty realism, The Grace Year examines the complex and sometimes twisted relationships between girls, the women they eventually become, and the difficult decisions they make in-between.

Digital Transformation Challenges in Large and Complex Organizations Roland Deiser 2018-12-05 Based on in-depth conversations with more than 30 top executives from six major global corporations, the paper discusses nine key challenges large organizations face in their complex journey towards digital maturity: The Legacy Challenge, The Resource Allocation Challenge, The Agility Challenge, The Ambidexterity Challenge, The Challenge of Working with Start-ups, The Connectivity Challenge - Dealing with Boundaries, The Governance Challenge, The Functional Identity Challenge, The People Challenge: Re-skilling, Talent Shortage, Mindset Issues. Understanding these challenges and their interplay will help leaders to structure the complex arena of large-scale digital transformation efforts.

Maps of Meaning Jordan B. Peterson 2002-09-11 Why have people from different cultures and eras formulated myths and stories with similar structures? What does this similarity tell us about the mind, morality, and structure of the world itself? From the author of 12 Rules for Life: An Antidote to Chaos comes a provocative hypothesis that explores the connection between what modern neuropsychology tells us about the brain and what rituals, myths, and religious stories have long narrated. A cutting-edge work that brings together neuropsychology, cognitive science, and Freudian and Jungian approaches to mythology and narrative, Maps of Meaning presents a rich theory that makes the wisdom and meaning of myth accessible to the critical modern mind.

Adolph Gottlieb Lawrence Alloway 1995 Covers the full scope of Gottlieb's achievement.

The Unbearable Lightness of Being Milan Kundera 2004-05-04 When The Unbearable Lightness of Being was first published in English, it was hailed as "a work of the boldest mastery, originality, and richness" by critic Elizabeth Hardwick and named one of the best books of 1984 by the New York Times Book Review. It went on to win the Los Angeles Times Book Prize for Fiction and quickly became an international bestseller. Twenty years later, the novel has established itself as a modern classic. To commemorate the anniversary of its first English-language publication, HarperCollins is proud to offer a special hardcover edition. A young woman in love with a man torn between his love for her and his incorrigible womanizing; one of his mistresses and her humbly faithful lover -- these are the two couples whose story is told in this masterful novel. Controlled by day, Tereza's jealousy awakens by night, transformed into ineffably sad death-dreams, while Tomas, a successful surgeon, alternates loving devotion to the dependent Tereza with the ardent pursuit of other women. Sabina, an independent, free-spirited artist, lives her life as a series of betrayals -- of parents, husband, country, love itself -- whereas her lover, the intellectual Franz, loses all because of his earnest goodness and fidelity. In a world in which lives are shaped by irrevocable choices and by fortuitous events, a world in which everything occurs but once, existence seems to lose its substance, its weight. Hence we feel, says the novelist, "the

unbearable lightness of being" -- not only as the consequence of our private acts but also in the public sphere, and the two inevitably intertwine. This magnificent novel encompasses the extremes of comedy and tragedy, and embraces, it seems, all aspects of human existence. It juxtaposes geographically distant places (Prague, Geneva, Paris, Thailand, the United States, a forlorn Bohemian village); brilliant and playful reflections (on "eternal return," on kitsch, on man and animals -- Tomas and Tereza have a beloved doe named Karenin); and a variety of styles (from the farcical to the elegiac) to take its place as perhaps the major achievement of one of the world's truly great writers.

Human-Friendly Robotics 2019 Federica Ferraguti 2020-02-20 This book covers a wide range of topics related to human-robot interaction, both physical and cognitive, including theories, methodologies, technologies, and empirical and experimental studies. The International Workshop on Human-Friendly Robotics (HFR) is an annual meeting that brings together academic scientists, researchers and research scholars to present their latest, original findings on all aspects concerning the introduction of robots into everyday life. The growing need to automate daily tasks, combined with new robot technologies, is driving the development of human-friendly robots, i.e., safe and dependable machines that operate in close proximity to humans or directly interact with them in a wide range of contexts. The technological shift from classical industrial robots, which are safely kept away from humans in cages, to robots that are used in close collaboration with humans, is faced with major challenges that need to be overcome. The objective of the workshop was to stimulate discussion and exchange knowledge on design, control, safety and ethical issues concerning the introduction of robots into everyday life. The 12th installment was organized by the University of Modena and Reggio Emilia and took place in Reggio Emilia, Italy.

One Of Us Is Lying Karen M. McManus 2017-06-01 The international bestselling YA thriller by acclaimed author, Karen M. McManus - NOW A MAJOR NETFLIX SERIES. Five students go to detention. Only four leave alive. Yale hopeful Bronwyn has never publicly broken a rule. Sports star Cooper only knows what he's doing in the baseball diamond. Bad boy Nate is one misstep away from a life of crime. Prom queen Addy is holding together the cracks in her perfect life. And outsider Simon, creator of the notorious gossip app at Bayview High, won't ever talk about any of them again. He dies 24 hours before he could post their deepest secrets online. Investigators conclude it's no accident. All of them are suspects. Everyone has secrets, right? What really matters is how far you'll go to protect them. 'Tightly plotted and brilliantly written, with sharp, believable characters, this whodunit is utterly irresistible' - HEAT 'Twisty plotting, breakneck pacing and intriguing characterisation add up to an exciting single-sitting thrillerish treat' -THE GUARDIAN 'A fantastic murder mystery, packed with cryptic clues and countless plot twists. I could not put this book down' - THE SUN 'Pretty Little Liars meets The Breakfast Club' - ENTERTAINMENT WEEKLY

Permanently Online, Permanently Connected Peter Vorderer 2017-07-28 Permanently

Downloaded from avenza-dev.avenza.com
on November 29, 2022 by guest

Online, Permanently Connected establishes the conceptual grounds needed for a solid understanding of the permanently online/permanently connected phenomenon, its causes and consequences, and its applied implications. Due to the diffusion of mobile devices, the ways people communicate and interact with each other and use electronic media have changed substantially within a short period of time. This megatrend comes with fundamental challenges to communication, both theoretical and empirical. The book offers a compendium of perspectives and theoretical approaches from leading thinkers in the field to empower communication scholars to develop this research systematically, exhaustively, and quickly. It is essential reading for media and communication scholars and students studying new media, media effects, and communication theory.

The Wagers Sean Michaels 2020-01-21 From Giller-Prize-winning author Sean Michaels, *The Wagers* is a wild and magical novel about what it means to not only chase luck, but find it. When Theo Potiris performed his stand-up comedy act on Conan at 25, he thought he'd hit it big. But ten years later, he's still spending his days working at his parents' grocery store, bicycling to the local open mic, and writing letters to a girlfriend who lives halfway around the world. Theo's desperate for a break. But when he brings his thirteen-year-old niece to the horse track to place a birthday bet—a Potiris family tradition—the goddess of good luck strikes her instead, in the form of a small fortune. Try as he might to be happy for her, Theo's shock and envy finally push him out of the family nest, away from his comedy dreams and toward a new calling. First: a mysterious corporation called The Rabbit's Foot, which carefully quantifies and cashes in on luck. Then: to a gang of vigilantes, who recruit Theo to help them steal luck from those who carry more than their fair share. *The Wagers* is a literary motorcycle chase, carried by stylish prose and delightful invention. But it's also an investigation of work and purpose, happiness and art, the randomness of good fortune, and all the ways we choose to wage our lives.

The Hate U Give Angie Thomas 2017-02-28 8 starred reviews · Goodreads Choice Awards Best of the Best · William C. Morris Award Winner · National Book Award Longlist · Printz Honor Book · Coretta Scott King Honor Book · #1 New York Times Bestseller! "Absolutely riveting!" –Jason Reynolds "Stunning." –John Green "This story is necessary. This story is important." –Kirkus (starred review) "Heartbreakingly topical." –Publishers Weekly (starred review) "A marvel of verisimilitude." –Booklist (starred review) "A powerful, in-your-face novel." –Horn Book (starred review) Sixteen-year-old Starr Carter moves between two worlds: the poor neighborhood where she lives and the fancy suburban prep school she attends. The uneasy balance between these worlds is shattered when Starr witnesses the fatal shooting of her childhood best friend Khalil at the hands of a police officer. Khalil was unarmed. Soon afterward, his death is a national headline. Some are calling him a thug, maybe even a drug dealer and a gangbanger. Protesters are taking to the streets in Khalil's name. Some cops and the local drug lord try to intimidate Starr and her family. What everyone wants to know is: what really went down that night? And the only person alive who can answer that is Starr. But what Starr does—or does not—say could upend her community. It could also endanger her life. Want more of Garden Heights? Catch Maverick and Seven's story in *Concrete Rose*, Angie Thomas's powerful prequel to *The Hate U Give*.

, said the shotgun to the head. Saul Williams 2003-09-01 The greatest Americans Have not been born yet They are waiting quietly For their past to die please give blood Here is the account of a man so ravished by a kiss that it distorts his highest and lowest frequencies of understanding into an Incongruent mean of babble and brilliance...

Amnesty International Report 2008 Amnesty International 2008 This annual report documents human rights abuses by governments and armed opposition groups in 150 countries across the world. It provides an invaluable reference guide to international human rights developments.

Our Choice Al Gore 2009 Al Gore has been a passionate advocate of action to halt climate change for many years. In his bestselling book *An Inconvenient Truth*, adapted from his acclaimed film, he wrote about the urgent need to address the problems of climate change, presenting comprehensive facts and information on all aspects of global warming in a direct, thoughtful and compelling way, using explanatory diagrams and dramatic photographs to clarify and highlight key issues. Adopting the same lucid technique in *Our Choice*, he proposes solutions at every level of our lives, from the personal and local, to the national and political, to the area of international policy and law. For this young adult edition, the text has been edited down with a 12-year-old-plus readership in mind, so sections aimed specifically at adults will be omitted in favour of clear text, appropriate photographs and easily understandable graphs. The overall aim is to gear the content towards the people who will, in fact, be dealing with global warming throughout their lives.
