Moose! Robert N. Munsch 2022-06-07 There's a moose in the backyard! Luke's mom and dad want it to go away, but the moose has other plans! Luke gets up early one Saturday morning and finds a moose in the backyard. He wakes up his dad, and then his mom, and each declares that moose never come on the farm -- only to be surprised by the moose itself! Mom tries to shoo it away with a broom -- but the moose eats it. Dad tries to scare it away with a hose -- but the moose takes a nice bath. Luke feeds the moose carrots and decides to keep it in his treehouse, until his sister comes along, with a surprising solution to this unusual problem! Moose! was inspired by a young boy from Cape Breton Island.

**Adventures in Innovation** John F. Tyson 2014 Tyson's journey from student to senior executive when an entirely new world of human communications came into being. **A New Biology for the 21st Century** National Research Council 2009-11-20 Now more than ever, biology has the potential to contribute practical solutions to many of the major challenges confronting the United States and the world. A New Biology for the 21st Century recommends that a "New Biology" approach--one that depends on greater integration within biology, and closer collaboration with physical, computational, and earth scientists, mathematicians and engineers--be used to find solutions to four key societal needs: sustainable food production, ecosystem restoration, optimized biofuel production, and improvement in human health. The approach calls for a coordinated effort to leverage resources across the federal, private, and academic sectors to help meet challenges and improve the return on life science research in general.

On Becoming a Biologist John Janovy 2004-01-01 ?We share a common bond with even the most bizarre beetle of the Peruvian rain forest,? asserts John Janovy Jr. ?A belief in that common bond might, in fact, be the most fundamental characteristic of a biologist.? And biologists see the worth of a plant or an animal not in monetary terms but in its contribution to our understanding of life. The famous naturalist brings a humanist?s vision to this superbly written book. On Becoming a Biologist is grounded in reality, cognizant of practical matters (education and jobs) as well as the ideals that inform the profession?a reverence for life and a responsibility to humankind and its future. Janovy draws on his experiences as a graduate and postdoctoral student, on his rewarding relationships with teachers, and on his fieldwork as a naturalist. This edition includes new information throughout the book regarding pertinent

events, issues, and changes in technology.

Health Communication for Health Care Professionals Dr. Michael P. Pagano, PhD, PA-C 2016-08-28 Promotes an interdisciplinary approach to the study of health communication According to the Joint Commission, over 75% of all serious medical errors in this country result from miscommunication. Based in these adverse realities and the author philosophy that communication is a clinical skill integral to effective health care delivery, this comprehensive text addresses the theories and abilities needed by all health care providers. The only text written specifically for students of nursing, medicine, physical therapy, pharmacy, dentistry, physician assistants and opticians, this book incorporates recommendations for specific multimedia, suggestions for class discussion and interactive case studies to provide a rich and multi-perspective learning experience for gaining optimal expertise in effective health communication The author underscores the importance of developing and maintaining successful relationships with patients, peers, and colleagues as a cornerstone of effective health care outcomes. With an emphasis on interactive learning, the text utilizes communication theories to analyze verbal and non-verbal behaviors in diverse health care contexts and assess which are more effective and why. Summaries at the end of each chapter discuss health communication outcomes. Chapters cover interpersonal and gendered communication, provider-patient communication, intercultural communication, organizational communication, team communication, malpractice, palliative care, end-of-life communication, and many other topics. Key Features: Fosters a patient-centered, interdisciplinary, multidimensional learning experience for health care students Recommends experiential learning using videos, films, and related discussion exercises Presents case study role-plays Provides companion case study resource to enhance learning objectives

**Slave Stealers** Timothy Ballard 2018-09-04 Follow two abolitionists who fought one of the most shockingly persistent evils of the world: human trafficking and sexual exploitation of slaves. Told in alternating chapters from perspectives spanning more than a century apart, read the riveting 19th century first-hand account of Harriet Jacobs and the modern-day eyewitness account of Timothy Ballard. Harriet Jacobs was an African-American, born into slavery in North Carolina in 1813. She thwarted the sexual advances of her master for years until she escaped and hid in the attic crawl space of her grandmother's house for seven years before escaping north to freedom. She published an autobiography of her life, *Incidents in the Life of a Slave Girl*, which was one of the first open discussions about sexual abuse endured by slave women. She was an active abolitionist, associated with Frederick Douglass, and, during the Civil War, used her celebrity to raise money for black refugees. After the war, she worked to improve the conditions of newly-freed slaves. As a former Special Agent for the Department of Homeland Security who has seen the horrors and carnage of war, Timothy Ballard founded a modern-day "underground railroad" which has rescued hundreds of children from being fully enslaved, abused, or trafficked in third-world countries. His story includes the rescue and his eventual adoption of two young siblings--Mia and Marky, who were born in Haiti. Section 2 features the lives of five abolitionists, a mix of heroes from past to present, who call us to action and teach us life lessons based on their own experiences: Harriet Tubman--The "Conductor"; Abraham Lincoln--the "Great Emancipator"; Little Mia--the sister who saved her little brother; Guesno Mardy--the Haitian father who lost his son to slave traders; and Harriet Jacobs--a teacher for us all.

**Disciple IV** Abingdon Press 2005-05 DISCIPLE IV UNDER THE TREE OF LIFE is the final study in the four-phase DISCIPLE program and is prepared for those who have completed BECOMING DISCIPLES THROUGH BIBLE STUDY. The study concentrates on the Writings (Old Testament books not in the Torah or the Prophets), the Gospel of John, and Revelation. Emphasis on the Psalms as Israel's hymnbook and

prayer book leads natural to an emphasis on worship in the study. Present through the entire study is the sense of living toward completion - toward the climax of the message and the promise, extravagantly pictured in Revelation. The image of the tree and the color gold emphasize the prod and promise in the Scriptures for DISCIPLE IV: UNDER THE TREE OF LIFE. The word under in the title is meant to convey invitation, welcome, sheltering, security, and rest - home at last. Commitment and Time Involved 32 week study Three and one-half to four hours of independent study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group meetings. Attendance at weekly 2.5 hour meetings. DVD Set Four of the five videos in this set contain video segments of approximately ten minutes each that serve as the starting point for discussion in weekly study sessions. The fifth video is the unique component that guides an interactive worship experience of the book of Revelation. Under the Tree of Life Scriptures lend themselves to videos with spoken word, art, dance, music, and drama. Set decorations differs from segment to segment depending on the related Scripture and its time period. Set decoration for video segments related to the Writings generally has a Persian theme. Set decoration for the New Testament video segments emphasizes the simpler life of New Testament times.

Food Ethics Louis P. Pojman 2016-01-01 FOOD ETHICS, 2E explores the ethical choices we make each time we eat. **Odes** Sharon Olds 2016-09-20 Following the Pulitzer prize-winning collection *Stag's Leap*, Sharon Olds gives us a stunning book of odes. Opening with the powerful and tender "Ode to the Hymen," Olds addresses and embodies, in this age-old poetic form, many aspects of love and gender and sexual politics in a collection that is centered on the body and its structures and pleasures. The poems extend parts of her narrative as a daughter, mother, wife, lover, friend, and poet of conscience that will be familiar from earlier collections, each episode and memory burnished by the wisdom and grace and humor of looking back. In such poems as "Ode to My Sister," "Ode of Broken Loyalty," "Ode to My Whiteness," "Blow Job Ode," and "Ode to the Last Thirty-Eight Trees in New York City Visible from This Window," Olds treats us to an intimate examination that, like all her work, is universal, by turns searing and charming in its honesty. From the bodily joys and sorrows of childhood to the deaths of those dearest to us, Olds shapes the world in language that is startlingly fresh, profound in its conclusions, and life-giving for the reader.
