Towards a New Standard Massimo Cerruti 2017-01-11 In many European languages the National Standard Variety is converging with spoken, informal, and socially marked varieties. In Italian this process is giving rise to a new standard variety called Neo-standard Italian, which partly consists of regional features. This book contributes to current research on standardization in Europe by offering a comprehensive overview of the re-standardization dynamics in Italian. Each chapter investigates a specific dynamic shaping the emergence of Neo-standard Italian and Regional Standard Varieties, such as the acceptance of previously non-standard features, the reception of Old Italian features excluded from the standard variety, the changing standard language ideology, the retention of features from Italo-Romance dialects, the standardization of patterns borrowed from English, and the developmental tendencies of standard Italian in Switzerland. The contributions investigate phonetic/phonological, prosodic, morphosyntactic, and lexical phenomena, addressed by several empirical methodologies and theoretical vantage points. This work is of interest to scholars and students working on language variation and change, especially those focusing on standard languages and standardization dynamics.

An Astrological Guide for Broken Hearts Silvia Zucca 2019-07-09 NOW A NETFLIX ORIGINAL SERIES Frustrated at the path her life has taken, Alice decides to take control of her personal life using astrology as her guide in this quirky, steamy, and hilarious romantic comedy. Alice Bassi is (a little) over thirty, single (not by choice), and she can't help but feel that she is failing at this whole adulthood thing. She's stuck in a dead-end job, just found out her ex-boyfriend is engaged to his pregnant girlfriend, and Richard Gere hasn't shown

up with flowers and a limo to save her from it all. On one particularly disastrous morning—when Alice would much rather have stayed home, curled up with her favorite rom-coms—she meets Davide Nardi. Handsome yet indecipherable, Davide would be the leading man of Alice’s dreams—if only he weren’t the “hatchet man” brought in to help streamline production and personnel at the small television network she works for. In the midst of all this, Alice runs into Tio—an actor and astrology expert who is convinced he can turn her life around with a little help from the stars. Skeptical but willing, Alice decides to take Tio’s advice and only date men whose Zodiac signs are compatible with hers. Unfortunately, it turns out that astrological affinity doesn’t always guarantee a perfect match, nor prevent a series of terrible dates, disappointments, and awkward surprises. It also doesn’t keep Davide from becoming more attractive every day. Perfect for fans of Bridget Jones’s Diary and Star-Crossed, *An Astrological Guide for Broken Hearts* is a witty, sexy, and relatable portrait of a modern woman’s search for love and a dream job, only to discover that your destiny isn’t always written in the stars.

Testimonios: Stories of Latinx and Hispanic Mathematicians Pamela E. Harris 2021-08-16 *Testimonios* brings together first-person narratives from the vibrant, diverse, and complex Latinx and Hispanic mathematical community.
