About Berlitz: Berlitz draws on years of travel and language expertise to bring you a wide range of travel and language products, including travel guides, maps, phrase books, language-learning courses, dictionaries and kids' language products.

Jamaica - Montego Bay, Port Antonio and Ocho Rios John Bigley 2009-08-10 We were enjoying a Jamaican meal at Verney's Tropical Resort, a small inn perched in the hills over Montego Bay. This was a true Jamaican feast - not a watered-down tourist version - served with real Jamaican hospitality. It's that opportunity to meet local residents, taste island dishes and retreat from the typical resort experience that brings travelers to the small inns, many in Montego Bay. While this bayside city is home to some of the Caribbean's most lavish resorts, places where you can lose yourself in all-inclusive luxury and around-the-clock activities, you'll also find plenty of opportunities to meet local people and learn more about the local culture in

this thriving city. Montego Bay is more than just a tourist hub, however; it's also a real city with a long-standing history. Columbus visited in May 1494 and named Montego Bay El Golfo de Buen Tiempo, or Bay of Good Weather. In 1510 the Spanish started to settle here. Using the bay as a shipping point for hogs, they began to call this site Bahia de Mantega, a name derived from the Spanish word for lard, which was one of the top products. In 1655 the British occupied Jamaica and the parish of St. James was founded soon after. Montego Bay became the capital of the parish and for many years was a tax-free haven. Surrounded by sugarcane plantations, the area became the home of many wealthy English planters. If you know just one Jamaica destination, it is probably Montego Bay, often just Mo Bay. Located on the north coast, this is the capital of the tourism industry and the second-largest community outside of Kingston. For most travelers, this is the starting point - thanks to the Donald Sangster International Airport - as well as the island's busiest cruise pier. Ocho Rios is the garden center of Jamaica and its lushest area is Dunn's River Falls. This spectacular waterfall, the top attraction, is a series of falls that cascade from the mountains to the sea. Here, you don't just view the falls, but actually climb up them. Led by a sure-footed Jamaican guide (who wears everyone's cameras slung around his neck), groups work their way up the falls hand-in-hand like a human daisy chain. West of Ocho Rios in the town of Oracabessa, 007 fans can visit the James Bond Beach. Located near Ian Fleming's former home, Goldeneye, the beach has plenty of options for a day of activity: Wave Runners, helicopter tours and horseback rides, as well as a beach bar and grill. The town of Ocho Rios, often known by the nickname Ochi, sits on the north coast. The main road, called the North Coast Highway or A3 along this stretch, slices through the city, following the coastline. (Dunn's River Falls is on the western side of town.) This entire stretch of road is lined with stony bluffs. Between the hills and the sea there is just enough room for a road and a strip of beach. As you approach the city from the western end, driving from Montego Bay, you'll first see the cruise ship terminal. From here, you'll be moving into the town itself. The North Coast Highway becomes DaCosta Drive; off that and parallel runs Main Street, where many of the shops and the crafts market are located. The main road continues east through town toward the large resorts, most of which lie east of the city. This travel guide walks with the adventurous traveler to the heart of Jamaica, to the miles of sand beaches, to the rugged Blue Mountains, to the country villages that provide a peek at the real Jamaica. The authors focus on the adventures this popular Caribbean island has to offer: scuba diving along coral reefs, biking mountain trails, deep sea fishing, parasailing, windsurfing, horseback riding, and other adventures that range from mild to wild. Special sections include a look at Jamaica's Meet the People program, home visits, local nightspots, festivals, and more. Maps and photos enliven the down-to-earth text.

Food of Jamaica John DeMers 1998-08-01 This collection offers the island's best recipes, both traditional and the new, from Jamaica's hottest chefs and restaurants, including Norma Shirley of Norma at the Wharfhouse, Everett Wilkerson of the Sans Souci Lido and James Palmer at Strawberry Hill, to name only a few. Over 60 full-color photographs, all shot on location, illustrate this beautiful collection. Lively essays by food writers John DeMers and Norma Benghiat on the island's culture and history, explanations of special ingredients and easy-to-follow recipes make this the most complete guide to Jamaican food.

Jamaica Fodor's 2010-08-24 Features options for a variety of budgets, interests, and tastes, so you make the choices to plan your trip to Jamaica.

Islands Magazine 1990-07

1,001 Best Grilling Recipes Rick Browne 2016-05-10 The definitive cookbook on grilling everything from appetizers to desserts from one of the country's foremost experts and host of PBS's Barbecue America. Rick Browne is the author of twelve cookbooks, most of which deal with barbecue and grilling. In this volume, he's created an encyclopedic collection of recipes drawn from cuisines around the world, with a particular focus on North American and Asian traditions. Browne begins with a brief primer on basic grilling techniques, but the real substance of this book is the dazzling array of recipes. You'll find dishes everyone can enjoy, including standard grill fare like beef and chicken as well as the more unusual shellfish and wild game. There are plenty of vegetarian options too, and a section for sauces, marinades, and rubs. Never before have this many great grilling recipes been collected into one tome. If you love to grill—or know someone else who does—this is a must-have resource. It's the only grilling recipe book you'll ever need. "I play around with my grills all the time, but I found loads of new ideas in this grill cookbook. Rockport Lobster and Shrimp Burgers—yum! . . . this cookbook offers many ways to branch out and step it up once the basics are mastered." —Barbecue Master "This is one amazing cookbook! I can see myself using this on a weekly basis to try new grilling recipes from around the world!" —BBQ Sauce Reviews

Ultimate Food Journeys DK Eyewitness 2011-10-03 Want to know what the best things to eat and drink in the world are and where you can find them? The World on a Plate takes you on a gastronomic tour of the globe to find the best food experiences. Whether it is the most delicious street food in southeast Asia, or the best clam chowder in New England, this beautifully illustrated book includes every must-try treat in some of the world's best destinations, and places them in their cultural and geographical context. Structured by continent, the best or most interesting things to eat in each area are chosen by expert authors. Be it bouillabaisse in Marseille or dim sum in Hong Kong, they recommend the best places to eat the dish, both in its place of origin and beyond. The restaurants recommended are chosen for the quality of the cooking as well as for the experience of dining there. The World on a Plate is an ideal planner for foodie travelers who want to experience authentic food in its original setting, giving you a different way to see the best regions, towns, and cities in the world-through their food.

We pride ourselves on our accurate, honest and informed travel guides.

Dictionary of Jamaican English Frederic Gomes Cassidy 2002 The method and plan of this dictionary of Jamaican English are basically the same as those of the Oxford English Dictionary, but oral sources have been extensively tapped in addition to detailed coverage of literature published in or about Jamaica since 1655. It contains information about the Caribbean and its dialects, and about Creole languages and general linguistic processes. Entries give the pronunciation, part-of-speech and usage of labels, spelling variants, etymologies and dated citations, as well as definitions. Systematic indexing indicates the extent to which the lexis is shared with other Caribbean countries.

Jamaica Adventure Guide Paris Permenter 2011-04-01 This travel guide walks with the adventurous traveler to the heart of Jamaica, to the miles of sand beaches, to the rugged Blue Mountains, to the country villages that provide a peek at the real Jamaica. The authors focus on the adventures this popular Caribbean island has to offer: scuba diving along coral reefs, biking mountain trails, deep sea fishing, parasailing, windsurfing, horseback riding, and other adventures that range from mild to wild. Special sections include a look at Jamaica's Meet the People program, home visits, local nightspots, festivals, and more. Maps and photos enliven the down-to-earth text. [The authors] are known for their attention to details. Chicago Daily Herald. Print edition is 360 pages.

Jamaica Kenneth E. Ingram 1997 Jamaica is one of a chain of islands -- the West Indian archipelago -- which encircles the Caribbean Sea. Its earliest indigenous people, the Tainos, succumbed to the arrival of western Europeans, inaugurated by the encounter with Columbus in 1494. Spanish rule gave way in 1655 to some 300 years of English colonial rule involving nearly two centuries of plantation slavery. The country finally gained independence in 1962. Jamaica has made some notable contributions in the international arena. Perhaps best known are its contributions in the world of sport, popular music (reggae) and in its development of distinctive forms of dance-theatre and folk music. This wide-ranging volume is a fully revised and updated edition of the work which was first published in 1984.

Kingston, Negril and Jamaica's South Coast John Bigley 2009-08-10 Following is an excerpt from this guide that specializes in some of the most popular areas of Jamaica. Also included in the guide is complete detail on where to stay, where to eat, what to see and what to do to make your trip unforgettable. We landed at Kingston's Norman Manley International Airport long after dark. The city was celebrating Friday night in its traditional manner; the Friday Night Jam filled the streets with people glad the work week was over. We were in Kingston. But not for long. Our ride was taking us out of the city and up the Blue Mountains to Strawberry Hill. For the next hour, we wound our way through the city streets that we'd return to in later days, finally making our way out of the humidity and crowds and into the hills. The air grew cooler as we climbed, moving slowly back and forth on the switchback road. Finally, we were there. A pale glow lit the main building and restaurant, around the property we could see the small cottages outlined in dim light. But the real sight was from the restaurant itself. From here, we could see the lights of Kingston in the distance, far below us. The city was still partying down there, but here all was quiet as most visitors went to bed early, ready to rise the next morning to a foggy sunrise and a forest draped in quiet mist. We'd be bird watching the next day. It was time for our Friday Night Jam to end, not to reggae or dancehall music, but to the sound of night frogs and insects in the nearby forest. The capital city of Kingston lies on the south shore. This metropolitan area of over 800,000 residents is visited primarily by business travelers. Within this sprawling metropolis, however, beats the true heart of Jamaica. Travelers interested in the culture and history that define this island nation should make time for a visit to Kingston, the largest English-speaking city. Kingston is big, brash and boisterous. Life spills out from storefronts and homes onto the streets, filling the sidewalks and every inch of available space. Goats roam the downtown area, sidewalk vendors peddle all type of merchandise from carts and tables, pedestrians are everywhere. Kingston dates back to 1692. The city is built along the harbor, stretching from the Blue Mountains in the east to the boundaries of Spanish Town in the west. Kingston is not for everyone. It does not offer a relaxing, fun-in-the-sun vacation. Head to the North Coast resort communities for that type of getaway. Instead, if you've had a few dates with Jamaica and you're ready to visit her parents, then it's time to head to Kingston. Things aren't always pretty here, but its a necessary part of the experience. No sheet, no eat is the motto of the weekly toga party at this resort known for its adults-only atmosphere. Hedonism II attracts fun-loving couples and singles over age 18 who come to this westernmost point of Jamaica for a vacation of sun, sand and something more. Guests leave their inhibitions behind, seeking pleasure in the form of festivities like Toga Night, buffets to tempt the most devoted calorie counters, bars open until 5 am, and nonstop adult fun. The real wildness in Negril lies just outside the city limits. Here, in an area known as the Great Morass, you can see a side of the country that most visitors never glimpse. Crocodiles, not vacationers, lie in the steamy afternoon sunshine. Peddlers sell, not marijuana, but shrimp caught using techniques over 400 years old. And spectacular birds, not parasailers, fill the air with dashes of color and a cacophony of exotic sounds. Today, Negril has gained respectability and is home to all types of resorts that attract everyone from swingers to families. Law mandates that no building here can be taller than a palm tree so low-rises follow the coast from Bloody Bay (named for the days when the whalers cleaned their catch here) to the cliffs at its southern end, where the Negril Lighthouse still signals the rocks to ships.

A Jamaica Paris Permenter 2001-03 One of two books in an exciting new series for the gourmet traveler - or just about anyone who enjoys mouth-watering island cuisine! This unique combination travel-food guidebook introduces you to the delicious cuisine of Jamaica. (The

other book is Bahamas: A Taste of the Islands) First off, it takes a look at the island's culinary roots, seeing what has influenced the cuisine and the local ingredients that make it unique. The authors then detail the best places to eat - the largest section of the book - from five-star resorts to plush hotel restaurants to independently owned establishments. Telephone numbers, address, dress code, and reservation suggestions are given. Annual food festivals and culinary contests are listed. If you're staying home but wish you were Jamaica-bound, cook up one of the many recipes offered. Ingredient substitution charts are provided for hard-to-find island foods, and mail order resources are also given. Interviews with local chefs offer tips for the best results. As you're preparing your meal, fix yourself one of the tasty island cocktails featured!

Zingerman's Bakehouse Amy Emberling 2017-10-03 This is the must-have baking book for bakers of all skill levels. Since 1992, Michigan's renowned artisanal bakery, Zingerman's Bakehouse in Ann Arbor, has fed a fan base across the United States and beyond with their chewy-sweet brownies and gingersnaps, famous sour cream coffee cake, and fragrant loaves of Jewish rye, challah, and sourdough. It's no wonder Zingerman's is a cultural and culinary institution. Now, for the first time, to celebrate their 25th anniversary, the Zingerman's bakers share 65 meticulously tested, carefully detailed recipes in an ebook featuring more than 50 photographs and bountiful illustrations. Behind-the-scenes stories of the business enrich this collection of best-of-kind, delicious recipes for every "I can't believe I get to make this at home!" treat.

Beautiful scenery ranging from sandy beaches to jungle-like forests. Sample all the Caribbean has to offer in this friendly guide and then plan your trip and dig in.

Rice and Beans Richard Wilk 2013-05-09 Rice and Beans is a book about the paradox of local and global. On the one hand, this is a globe-spanning dish, a simple source of complete nutrition for billions of people in hundreds of countries. On the other hand, in every place people insist that rice and beans is a local invention, deeply rooted in a particular history and culture. How can something so universal also be so particular? The authors of this book explore the specific history of the versions of rice and beans beloved and indigenous in cultures from Brazil to West Africa. But they also plumb the shared African, Native American and European trans-Atlantic encounters and exchanges, and the contemporary forces of globalization and nation-building, which combine to make rice and beans a powerful substance and symbol of the relationship between food and culture.
