Fashion Patternmaking Techniques for Accessories Antonio Donnanno 2019-05 This book is an essential and practical tool for designing and creating fashion accessories for men and women. Intended for fashion students and professionals, the book includes different pattern techniques for each accessory and explains production processes so that readers can incorporate them into their professional practice, in addition to identifying and providing the information needed to recreate a wide range of accessory models. It includes descriptions of materials, examples of patterns and designs and different possible finishes through illustrations, photographs, technical drawings and texts that clearly explain the production process of each artisanal and industrial piece. As items that provide personality and originality to one's personal style, fashion accessories have become essential to completing the "look" for each occasion. With the help of this manual, having in-depth knowledge about the creation of different pieces, from a bag to a pair of shoes to hats, gloves, ties and buttons -even clothing for dogs-, is a great way to get started in this branch of the fashion field.

The Last Jedi: Star Wars Legends Michael Reaves 2013-02-26 Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years! KNIGHT OF RECKONING The Emperor's ruthless Order 66 has all but exterminated the Jedi. The few remaining who still wield the Force for good have been driven into exile or hiding. But not Jax Pavan, who's been steadily striking blows against the Empire—as a lone guerrilla fighter and a valued partner of Whiplash, a secret Coruscant-based resistance group. Now he's taking on his most critical mission: transporting a valued Whiplash leader, targeted for assassination, from Coruscant to safety on a distant world. It's a risky move under any circumstances, but Jax and his trusted crew aboard the Far Ranger, including the irrepressible droid I-Five, are prepared to pit their combat skills and their vessel's firepower against all Imperial threats—except the one Jax fears most. Reports have raced across the galaxy that the dark lord

of the Sith has fallen in a duel to the death with a Rebel freedom fighter. But Jax discovers the chilling truth when he reaches out with the Force . . . only to touch the dark, unmistakable, and malignantly alive presence that is Darth Vader. And Jax knows that Vader will stop at nothing until the last Jedi has fallen.

Sewing Machine Basics Jane Bolsover 2010-10-14 In the climate of “make do and mend,” sales of sewing machines have soared, but many are only accompanied by a difficult-to-understand technical manual. Here, Jane Bolsover provides a comprehensive guide for beginners. Starting with an essential overview of the sewing machine, learn how to thread it and wind bobbins, why tension is important, and which needles to choose. There's information on the basic sewing kit you will need, plus advice on which fabrics to choose and how to cut out. The chapters then build into a complete sewing course, and at the end of each chapter is a simple project to consolidate the skills you have just mastered. The projects include items for the home, including a cushion cover and a lampshade, stylish accessories, such as bags and scarves, plus great clothing basics, such as an A-line skirt and a simple shift dress. Also included at the back of the book are two full-size pull-out paper pattern sections.

Star Wars: the Last Jedi (Legends) Michael Reaves 2013-03 Reaves and Bohnhoff deliver a standalone Star Wars adventure thriller set in the time just before "Star Wars: A New Hope"--with a title picked by fans and a special guest appearance by Han Solo. Original.

The Core: Book Five of the Demon Cycle Peter V. Brett 2018-07-31 New York Times bestselling author Peter V. Brett brings one of the most imaginative fantasy sagas of the twenty-first century to an epic close. For time out of mind, bloodthirsty demons have stalked the night, culling the human race to scattered remnants dependent on half-forgotten magics to protect them. Then two heroes arose--men as close as brothers, yet divided by bitter betrayal. Arlen Bales became known as the Warded Man, tattooed head to toe with powerful magic symbols that enable him to fight demons in hand-to-hand combat--and emerge victorious. Jardir, armed with magically warded weapons, called himself the Deliverer, a figure prophesied to unite humanity and lead them to triumph in Sharak Ka--the final war against demonkind. But in their efforts to bring the war to the demons, Arlen and Jardir have set something in motion that may prove the end of everything they hold dear--a swarm. Now the war is at hand, and humanity cannot hope to win it unless Arlen and Jardir, with the help of Arlen's wife, Renna, can bend a captured demon prince to their will and force the devious creature to lead them to the Core,

where the Mother of Demons breeds an inexhaustible army. Trusting their closest confidantes, Leesha, Inevera, Ragen, and Elissa, to rally the fractious people of the Free Cities and lead them against the swarm, Arlen, Rennan, and Jardir set out on a desperate quest into the darkest depths of evil--from which none of them expects to return alive. Look for Peter V. Brett's complete Demon Cycle: THE WARDED MAN | THE DESERT SPEAR | THE DAYLIGHT WAR | THE SKULL THRONE | THE CORE Praise for The Core "Thoroughly addicting . . . a thrilling adventure that is, without question, [Brett's] greatest achievement yet."--Bookreporter "Rewarding . . . Congratulations to Peter Brett on completing a fantastic series."--SFFWorld
