*Amy's Best Friend, Prayers of a Child* Ernie Rosenberg 2012-09-01 The prayers of 6-year old Amy to her very best friend, God. God really is Amy's best friend and she treats Him that way. She brings Him a cupcake for his birthday, helps Him out with His problems, asks to become His assistant, and even takes objection to the creation. Why is fun so important? Because it is an avenue to God that is so very, very natural to small children. It gives small children (age 3-6) spirituality with a smile, a great big smile through the practice of nighttime prayer. "Amy's Best Friend, Prayers of a Child" comprises a personal introduction from Amy followed by 14 illustrated prayers, and finally special pages to record a child's own prayers. The book is non-denominational. "Amy's Best Friend" is accompanied by two fun books to support your child's practice of prayer. First, there is a coloring book giving your child hours of fun coloring in the same prayers you have read to him/her. Second, after all the pages at the end of "Amy's Best Friend, Prayers Of A Child" have been filled with your child's own prayers, a prayer journal is available under the name "Amy's Best Friend, Prayers of A Child:

My Prayers." All books plus the Kindle ebook are available from my authors page: <http://www.amazon.com/author/amyamos>.

**The Bible Cause** John Fea 2016-03-03 Endorsed in its time by Francis Scott Key, John Jay, and Theodore Roosevelt, the American Bible Society (ABS) is a seminal institution for American Protestants. The group was founded in 1816 with the goal of distributing free copies of the Bible in local languages throughout the world. Today, the ABS is a Christian ministry based in Philadelphia with a \$300 million endowment and a mission to engage 100 million Americans with the Bible by 2025. In *The Bible Cause*, noted historian of American religion John Fea demonstrates how the ABS's primary mission - to place the Bible in the hands of as many people as possible - has caused the history of the organization to intersect at nearly every point with the history of the United States. For the last two hundred years, the ABS has steadily increased its influence both at home and abroad, working with all Christian denominations in the US and internationally, aligning itself whenever possible with the gatekeepers of American religious culture. Over the years ABS Bibles could be found in hotel rooms, bookstores, and airports; on steam boats, college and university campuses; the Internet; and even behind the Iron Curtain. Its agents, Bibles in hand, could be found on the front lines of every American military conflict from the Mexican-American War to the Iraq War. However and wherever the United States developed, the ABS was there. Throughout the last two centuries ABS has never wavered in its mission, and its commitment to be the guardian of a Christian civilization has been proven many times over.

Now the earth was formless and empty, darkness was over the surface of the deep, and the Spirit of God was hovering over the waters. and God said, "let there be light," and there was light.
