The Teaching Ministry of the Church William Yount 2008-08-15 The second edition of The Teaching Ministry of the Church makes a major overhaul of its predecessor, increasing the content from eighteen to twentythree chapters and contributors from six to thirteen. These writers assert the need for such an expanded update is due to our everchanging world. For example, the rise of Islamic fundamentalism, proliferation of religious sects, and secularization of our culture greatly increase the importance of ensuring the church produces fully developed, biblically informed followers of Jesus. To that end, The Teaching Ministry of the Church presents a full overview of Christian education in four major sections: Theological Foundations, Biblical Foundations, Preparation for Teaching, and Structuring the Teaching Ministry of the Church. Within this framework, a step-by-step plan for establishing and maintaining an effective teaching ministry among preschoolers, children, youth, and adults takes shape. Key chapters: "The Bible as Curriculum," "The Church's Role in Teaching," "Creating an Unforgettable Learning Experience," and "Equipping Teachers."

importance of establishing authority from God for our actions both individually, and collectively as the Lord's church. There are essays that explain why the Bible is authoritative, that discuss how to establish authority from scripture, and that apply those principles to our daily walk. The essays are of varying length, but each one can be easily read and digested in just a few minutes time. They are being shared in the hope they will assist in the reader in their understanding of the sublime word of God, and its application in their lives. "Now to the King eternal, immortal, invisible, to God who alone is wise, be honor and glory forever and ever. Amen" (1 Timothy 1:17).

Quit Calling Me John Dr Phil L. Redding 2019-06-18 Apostle John was the final disciple to die. He spent many hours with Christ and referred to himself as the disciple Jesus loved several times in his gospel. This does not mean Jesus did not care for the others. John enjoyed such a relationship with Christ that he gained special insight about our Lord others did not know. The author gives 21 insights (one from each chapter) standing out to him about Jesus as revealed by Apostle John. The information in John's gospel is not based upon the synoptics (Matthew, Mark, and Luke) but stands out coming from his personal experience. A final chapter method is included to assist the learner in remembering the focus of each of the 21 chapters of the Gospel of John.

Christ's Object Lessons - Illustrated Ellen G. White 2013-02-05 This is a reproduction of a 1900 edition with over 100 illustrations of that period and consists of inspiring and profound lessons from the stories and parables which Jesus told. Christ the Great Teacher gave much of His instruction as He walked with His disciples through the hills and valleys of Palestine or rested by the lake or river. In His parable teaching He linked divine truth with common things and incidents, as may be found in the experiences of the shepherd, the builder, the tiller of the soil, the traveler, and the homemaker. Familiar objects were associated with thoughts true and beautiful—thoughts of God's loving interest in us, of the grateful homage that is His due, and of the care we should have one for another. Thus lessons of divine wisdom and practical truth were made forcible and impressive. Natural things were the medium for the spiritual. Christ's parables are links in the chain of truth that unites man with God, and earth with heaven.

Mark: Jesus Christ, Love in Action Practical Christianity Foundation 2020-08-08 The Gospel of Mark was written about A.D. 57-59 by a Jewish disciple of the Christian faith, the same "John Mark" mentioned at least ten times in the New Testament. John was his Hebrew name, and Mark was his Gentile name.¹ All of the early church fathers ascribe this gospel to a young man who was not one of the twelve apostles but was a disciple of Paul and later of Peter. He is often referred to as the interpreter of Peter's teaching, and Peter apparently gave Mark his stamp of approval for the use of these teachings among the early churches.²
