charset="utf-8" The New Testament is so much more than you've been taught! Are you ready to discover the truth? Through a lifetime of research, Dr. Leonard Hoffman is able to reveal the true order and sequence of events in the New Testament in the letters of Paul and the Gospels. The Time Line New Testament presents a historically accurate timeline of the events of the entire New Testament. Go beyond the "Christian owner's manual" view of the New Testament as you follow Christ and His disciples through the years of His ministry on earth. Discover new insights and truths long obscured throughout the letters of Paul, as you travel with him on his journeys among the early churches. Your eyes will be opened as you see the New Testament in a new light and discover deeper truths that reveal the answers to questions such as: What did Paul really teach about persecution, and how can it help you today? What can you learn from First Century believers? What were the true foundational teachings of the First Century Church, and how can you bring those teachings to life in your life? How did Gentile churches survive those early years, and what lessons can the Modern Church learn from them? What are the real issues the Early Church faced, and how should we deal with those same issues today? Let the New Testament come to life in you as your faith is strengthened and your eyes opened to the true stories of conflict, grace, struggle, and overcoming through The Time Line New Testament.
