*THE COMPLETE DODO TRILOGY: Dodo - A Detail of the Day, Dodo's Daughter & Dodo Wonders* E. F. Benson 2017-08-07 This carefully edited collection has been designed and formatted to the highest digital standards and adjusted for readability on all devices. Dodo Trilogy is composed of three novels by E.F. Benson. His very first novel, *Dodo: A Detail of the Day* (1893), which featured a portrait of the composer and militant suffragette Ethel Smyth (which she "gleefully acknowledged", according to actress Prunella Scales) was back then fashionably controversial and became an instant success. He repeated the success of *Dodo*, with the same cast of characters a generation later: *Dodo the Second* (1914), "a unique chronicle of the pre-1914 Bright Young Things" and *Dodo Wonders* (1921), "a first-hand social history of the Great War in Mayfair and the Shires. Edward Frederic Benson (1867-1940) was an English novelist, biographer, memoirist, archaeologist and short story writer, known professionally as E.F. Benson. He started his novel writing career in 1893 with the fashionably controversial *Dodo*, which was an instant success, and followed it with a variety of satire and romantic and supernatural melodrama. He repeated the success of *Dodo*, with sequels to this novel, but the greatest success came relatively late in his career with *The Mapp and Lucia* series consisting of six novels and two short stories. The novels feature humorous incidents in the lives of (mainly) upper-middle-class British people in the 1920s and 1930s, vying for social prestige and one-upmanship in an atmosphere of extreme cultural snobbery. Benson was also known as a writer of atmospheric, oblique, and at times humorous or satirical ghost stories. Table of contents: *Dodo*; *A Detail of the Day* *Dodo's Daughter* or *Dodo the Second* *Dodo Wonders*

**Boys' Life** 1925-06 *Boys' Life* is the official youth magazine for the Boy Scouts of America. Published since 1911, it contains a proven mix of news, nature, sports, history, fiction, science, comics, and Scouting.

**The Hollywood Dodo** Geoff Nicholson 2007-11-01 From the critically acclaimed author of *The Food Chain* and *Footsucker* comes a sophisticated comedy about three people caught in the Hollywood machine. Following the death of his wife, Henry Cadwallader, an English doctor, insists on accompanying his aspiring actress daughter, Dorothy, on a trip to Hollywood. He fears she will fall prey to corruption and sleaze, but finds that it is actually he who is being corrupted at every turn. On the flight to LA, they meet 'auteur of the future' Rick McCartney. Rick's trying to get the backing to make a costume drama set in seventeenth-century England about a man who owns what he fears is the last dodo on earth. Dorothy Cadwallader's quest for fame begins badly and goes downhill from there. Meanwhile Henry becomes involved with a former actress turned estate agent. The lives of Henry and Dorothy once again intersect with that of Rick McCartney to dramatic effect as the characters find themselves drawn to the brink, where dreams die and extinction threatens. Sharp humor and keen observation drive Geoff Nicholson's satisfyingly oblique look at America's obsession with stardom.

**Never Love a Gambler (New Directions Pearls)** Keith Ridgway 2014-05-27 Collects three short stories using innovative and vivid dialogue.

**Dodo's Daughter: A Sequel to Dodo** E. F. Benson 2022-08-10 This book is philosophical in its exploration of the nature and challenges of finding and being worthy of love. The lead characters are Princess Dodo, a beautiful, youthful middle-aged woman, and her serious-minded daughter. Dodo, who is optimistic, has survived two turbulent marriages to finally find true love in middle age. The story also revolves around Dodo's daughter Nadine and her inability to experience true love, as well as how she deals with two suitors who are both madly in love with her. Will Nadine finally experience true love?

**Saving Simon** Jon Katz 2015-08-04 In this heartfelt, thoughtful, and inspiring memoir, New York Times bestselling author Jon Katz tells the story of his beloved rescue donkey, Simon, and the wondrous ways that animals make us wiser and kinder people. In the spring of 2011, Jon Katz received a phone call that would challenge every idea he ever had about mercy and compassion. An animal control officer had found a neglected donkey on a farm in upstate New York, and she hoped that Jon and his wife, Maria, would be willing to adopt him. Jon wasn't planning to add another animal to his home on Bedlam Farm, certainly not a very sick donkey. But the moment he saw the wrenching sight of Simon, he felt

a powerful connection. Simon touched something very deep inside of him. Jon and Maria decided to take him in. Simon's recovery was far from easy. Weak and malnourished, he needed near constant care, but Jon was determined to help him heal. As Simon's health improved, Jon would feed him by hand, read to him, take him on walks, even confide in him like an old and trusted friend. Then, miraculously, as if in reciprocation, Simon began to reveal to Jon the true meaning of compassion, the ways in which it can transform our lives and inspire us to take great risks. This radically different perspective on kindness and empathy led Jon to a troubled border collie from Ireland in need of a home, a blind pony who had lived outside in a pasture for fifteen years, and a new farm for him and Maria. In the great tradition of heroes—from Don Quixote to Shrek—who faced the world in the company of their donkeys, Jon came to understand compassion and mercy in a new light, learning to open up “not just to Simon, not just to animals, but to the human experience. To love, to risk, to friendship.” With grace, warmth, and keen emotional insight, *Saving Simon* plumbs the depths of the bonds we form with our animals, and the rewards of “living a more compassionate, considered, and meaningful life.” Praise for *Saving Simon* “Heartwarming . . . a touching tale.”—USA Today “Highly recommended . . . an enjoyable and thoughtful work.”—Library Journal (starred review) “[*Saving Simon*] handles the emotional highs and lows of living with animals with empathy and thoughtfulness, forcing readers to re-examine their own meanings of compassion and mercy.”—Kirkus Reviews “The message of this true story will linger with the reader long after the book has been placed on the shelf.”—Bookreporter

*Dodo: A Detail of the Day. Volumes 1 and 2* E. F. Benson 2021-05-19 "Dodo: A Detail of the Day. Volumes 1 and 2" by E. F. Benson. Published by Good Press. *Dodo's Daughter* E. F. Benson 2016-01-19 Chapter I Nadine Waldenech's bedroom was a large square apartment on the ground floor at her mother's cottage at Meering in North Wales. It was rather a large cottage, for it was capable of holding about eighteen people, but Dodo was quite firm in the subject of its not being a house. In the days when it was built, forty years ago, this room of Nadine's had been the smoking-room, but since everybody now smoked wherever he or she chose, which was mostly everywhere, just as they breathed or talked wherever they chose, Nadine with her admirable commonsense had argued uselessness of a special smoking-room, for she wanted it very much herself, and her mother had been quite convinced. It opened out of the drawing-room, and so was a convenient place for those who wished to drop in for a little more conversation after bed-time had been officially proclaimed. Bed-time, it may be remarked, was only officially proclaimed in order to get rid of bores, who then secluded themselves in their tiresome chambers. The room at this period was completely black with regard to the color of carpet and floor and walls and ceiling. That was Nadine's last plan and since it was the last, of necessity, a very recent one. She had observed that when it was all white, people looked rather discolored, like mud on snow, whereas against a black background they seemed to be of gem-like brilliance. But since she always looked brilliant herself, the new scheme was prompted by a wholly altruistic motive. She liked her friends to look brilliant too, and she would have felt thus even if she had not been brilliant herself, for out of a strangely compounded nature, anything akin to jealousy had been certainly omitted. There had been a good many friends in her bedroom lately, and there were a certain number here to-night. She expected more. Collectively they constituted that which was known as the clan.

Dodo, A Detail of the Day E. F. Benson 2016-01-19 Chapter ONE Poets of all ages and of all denominations are unanimous in assuring us that there was once a period on this grey earth known as the Golden Age. These irresponsible hard describe it in terms of the vaguest, most poetic splendour, and, apart from the fact, upon which they are all agreed, that the weather was always perfectly charming, we have to reconstruct its characteristics in the main for ourselves. Perhaps if the weather was uniformly delightful, even in this nineteenth century, the golden age might return again. We all know how perceptibly our physical, mental and spiritual level is raised by a few days of really charming weather; but until the weather determines to be always golden, we can hardly expect it of the age. Yet even now, even in England, and even in London, we have every year a few days which must surely be waifs and strays from the golden age, days which have fluttered down from under the hands of the recording angel, as he tied up his reports, and, after floating about for years in dim, interplanetary space, sometimes drop down upon us. They may last a week, they have been known to last a fortnight; again, they may curtail themselves into a few hours, but they are never wholly absent. At the time at which this story opens, London was having its annual golden days; days to be associated with cool, early rides in the crumbly Row, with sitting on small, green chairs beneath the trees at the corner of the Park; with a general disinclination to exert oneself, or to stop smoking cigarettes; with a temper distinctly above its normal level, and a corresponding absence of moods. The crudeness of spring had disappeared, but not its freshness; the warmth of the summer had come, but not its sultriness; the winter was definitely over and past, and even in Hyde Park the voice of the singing bird was heard, and an old gentleman, who shall be nameless, had committed his annual perjury by asserting in the Morning Post that he had heard a nightingale in the elm-trees by the Ladies' Mile, which was manifestly impossible.
