Good Profit Charles G. Koch 2015-10-13 NEW YORK TIMES BESTSELLER • Learn how to apply the principles of Charles Koch's revolutionary Market-Based Management® system to generate good profit in your organization, company, and life "This book helps show you the way to good profit—whether you work for an international supermarket chain, a medium-sized regional business, or your own start-up."—John Mackey, co-founder and co-CEO, Whole Foods Market The technological innovations, extreme politics, civil unrest, cyber attacks, demographic shifts, and global pandemic that have affected all businesses since this book was published have only confirmed Charles Koch's belief that "the only reason a business should exist (and the only way it can legitimately survive long term) is to create value in a responsible way." Hence, the principles in Good Profit are more important today than ever before. What exactly does Koch Industries, Inc., do and why is it so remarkably profitable? Koch's name may not be on your home's plywood, vehicle's grille, smartphone's connectors, or baby's ultra-absorbent diapers but it makes them all. And Koch's

Market-Based Management® (MBM) system is what drives these innovations and many more. The core objective of MBM is to generate good profit. Good profit results from products and services that customers vote for freely with their dollars. It results from a bottom-up culture where employees are empowered to act entrepreneurially to discover customers' preferences and the best ways to improve their lives. Drawing on six decades of interdisciplinary studies, experimental discovery, and practical implementation across Koch businesses worldwide, Charles Koch walks the reader through the five dimensions of MBM to show how to apply its framework in any business, industry, or organization of any size. Readers will learn how to:

- Craft a vision for how to thrive in spite of increasingly rapid disruption and ever-changing consumer values
- Select and retain a workforce possessing both virtue and talent
- Create an environment of knowledge sharing that prizes respectful challenges from everyone at every level
- Award employees with ownership and decision rights based on their comparative advantages and proven contributions, not job title
- Motivate all employees to maximize their contributions by structuring incentives so compensation is limited only by the value they create

A must-read for any leader, entrepreneur, or student, as well as anyone who wants a more civil, fair, and prosperous society, *Good Profit* is one of the greatest management books of all time.

A Broken Childhood Lydia Ola Taiwo 2019-06-27 When you have been abused, you do not know what love really means. All you know is abuse and terror. When people do eventually show love, it is difficult to understand why. Love does not make sense to an abused child. Did you know that? Trust is another challenge; it is so hard to trust anybody. Having been abused myself, I found it very difficult to trust anybody, even my parents. Not being believed was another concern - I was afraid that I would never be believed. This fear grew even more when I had to give evidence in court. Even the lawyers did not believe me until I exposed all the injuries on my head, having to remove my wig. There were over eight of them. It was shocking. But there is hope for an abused victim. You can live again...

Deception Edward Lucas 2013-01-01 From the capture of Sidney Reilly, the 'Ace of Spies', by Lenin's Bolsheviks in 1925, to the deportation from the USA of Anna Chapman, the 'Redhead under the Bed', in 2010, Kremlin and Western spymasters have battled for supremacy for nearly a century. In *Deception* Edward Lucas uncovers the real story of Chapman and her colleagues in Britain and America, unveiling their clandestine missions and the spy-hunt that led to their downfall. It reveals unknown triumphs and disasters of Western intelligence in the Cold War, providing the background to the new world of industrial and political espionage. To tell the story of post-Soviet espionage, Lucas draws on exclusive interviews with Russia's top NATO spy, Herman Simm, and unveils the horrific treatment of a Moscow lawyer who dared to challenge the ruling criminal syndicate there. Once the threat from Moscow was international communism; now it comes from the siloviki, Russia's ruthless 'men of power'.

Stars from Another Sky Sa'adat Hasan Manto 2010 Unforgettable reminiscences about the eccentric, glamorous, yet angst-ridden Hindi film world of the 1940s. Saadat Hasan Manto, one of the greatest short story writers of the Urdu language, was also a film journalist and story-writer for the Hindi film industry in Bombay. As an insider he was privy to the most private moments of the men and women who have dazzled generations of audiences. In this series of sketches, Ashok Kumar, the screen idol of yore, emerges as a shy, yet brilliant actor, forever looking to flee the eager advances of his female fans; Nargis comes across as just another young girl looking for companionship among her peers before she steps on the ladder that will forever take her away from the comforts of an ordinary middle-class life; and Shyam-the dashing, handsome hero-is portrayed as a straightforward, flirtatious young man pining for the woman he loves. Manto also describes in detail the obsessions of Sitara Devi; the unfulfilled desires of Paro Devi; and the intriguing twists and turns which transform Neena Devi from an ordinary housewife into a pawn in the hands of film companies. He writes with relish about the bunglings of the comedian V.H. Desai and the incredible dedication of Nawab Kaashmiri to the art of acting. There are also stories about the rise of Nur Jehan as the greatest singer of her times; and the various peccadilloes of the musician, Rafiq Ghaznavi. With subjects ranging from film journalism to the sexual eccentricities of these stars, Manto brings to life a generation with his characteristic verve and honesty.

The Wrong Turn Anjay Chopra 2017-02-02 1944, Kohima – a small, sleepy town in northeast India. Subhash Chandra Bose and his Indian National Army (INA) along with the Japanese, are on the brink of bringing the Empire to its knees and forcing the British out of India. But, inexplicably, the tables turn. The INA's advance is thwarted and the victory march to Delhi is halted. Seventy years later, the British admit that the Battle of Kohima was the greatest battle they had ever fought. Even more so than the battles of Waterloo and Dunkirk. Was it then that old Indian curse – betrayal? Someone from within Netaji's own ranks? Were there forces other than the British, waiting in the shadows closer to home, who stood to gain even more from the INA's defeat? Or was it just love that irrevocably altered the course of India's destiny? *The Wrong Turn: Love and Betrayal in the Time of Netaji*, is a sweeping tale of passion set against the freedom struggle. Debraj, the rakish playboy and scion of a distinguished Calcutta family, and Nishonko, the fiery revolutionary sworn to the cause of the INA, must not only fight their common enemy, but also for the love of Aditi, the rebel with the healing touch. A haunting tale of love, friendship and betrayal of an entire nation, *The Wrong Turn* veers inexorably towards a poignant redemption.

Global Values 101 Ann S. Kim 2006-02-01 *Global Values 101* grew out of one of the most popular courses ever offered at Harvard University, in which some of the most original thinkers of our day sat down with students and explored how ideas have made them—and can make us—more engaged, involved, and compassionate citizens. In these engrossing, essay-length interviews, which address the topics of war, religion, the global economy, and social change, Amy Goodman, host of the popular radio program *Democracy Now*, speaks about the role of the independent media as gatekeeper and witness; Lani Guinier, author of *Tyranny of the Majority*, reveals that students' SAT scores more accurately describe the kind of car their parents drive than the grades they will earn in college and shows the way to a more equitable college admissions system; Howard Zinn, author of *A People's History of the United States*, explores the American Dream and exposes the myth of the "good war"; economist Juliet Schor, author of *Born*

to Buy and The Overspent American, explains why Americans are willing to sacrifice quality of life to attain financial success; former "mall rat" Naomi Klein, author of No Logo: Taking Aim at the Brand Bullies, urges readers to go global while fighting global conglomerates; and Katha Pollitt, author of Reasonable Creatures: Essays on Women and Feminism, employs her incisive wit to explore what it really means to be a feminist in the Twenty First century. For anyone who has been moved by idealism and longed to become a more proactive citizen, this collection offers a range of stories on how progressive ethics can inform, inspire, and ultimately transform lives.

Citizenship of the Union and Freedom of Movement of Persons Massimo Condinanzi 2008 Citizenship of the Union and Freedom of Movement of Persons, sets out to analyse in detail the various provisions of Community law which confer upon individuals the right to move about, reside and work in the Member States. It also examines the procedural safeguards which set those fundamental rights apart from any deriving from other international bodies or organisations and point up the originality of the Community system. Citizenship of the Union entails freedom of movement under the current Treaties and also under the Treaty of Lisbon, in which the unified treatment of the rules, by contrast with the existing pillars of Community and European Union law, might be expected to confer new impetus on the realisation of the area of freedom, security and justice. If there is truly to be such an area, there must be unified, not merely coordinated action. Judicial cooperation must be tightened in favour of the Union and, more importantly, individuals, be they Community citizens or indeed nationals of third countries, given the increasing trend towards a kind of integration which focuses less on formal data such as nationality and more on factors such as residence, employment and social integration. The book pays particular attention to this last aspect and its political and legal implications. The "communitarisation" of immigration policy (the new Title IV of the EC Treaty mentioned above) and the perspectives opened up by the enlargement to 27 Member States (and more) and by the Treaty of Lisbon, provide the framework for the treatment given in the present work.

Asha Parekh The Hit Girl Khalid Mohamed 2017-04-10 Asha Parekh was to the movies born. Ever since she was knee-high, she faced the camera as a child artiste, while performing simultaneously at dance fetes. An alumna of Bombay's The J. B. Petit Girls' High School, she devoted after-school hours to learning classical dance from exacting gurus. Given a break as a leading lady by Filmalaya Studio's Sashadhar Mukherjee, she debuted opposite Shammi Kapoor in the romantic entertainer Dil Deke Dekho. Instantaneously, the audience and the critics agreed: "A star is born." Followed a concatenation of silver and golden jubilee hits, which established her as the quintessential Hit Girl. Possessed of all the requisites of the cinema of the 1960s and the '70s - felicity at instinctive acting, intricate dance skills and the ability to invest conviction into the roles of zestful, glamour-exuding film heroines - she made an impact, too, with parts demanding gravitas. Apart from films in Hindi, she has also acted in films in Gujarati, Punjabi and a film in Kannada. The Mumbai film trade, to date, acknowledges her as one of the heroines with the highest number of successes. Her innumerable dance ballets on stage have earned her untold acclaim, at home and overseas. Among her other facets, she has been involved since decades in running a charitable hospital. She was Chairperson of the Central Board of Film Certification (1998-2001) and has been associated with the Cine and TV Artistes' Associations and other organisations dedicated to the welfare of film industry workers, technicians and actors. She turned producer and director with several top TRP-rated TV serials like 'Kora Kagaz' and 'Palash ke Phool' and programmes like 'Baahe Paayal'. Currently she has chosen to retire from acting, but adds, "Never say never." She lives by the famed Juhu shoreline in Mumbai.
