**The Smoke Thief** Shana Abé 2005-09-27 For centuries they've lived in secret among northern England's green and misted hills. Creatures of extraordinary beauty, power, and sensuality, they possess the ability to shape-shift from human to dragon and back again. Now their secret—and their survival—is threatened by a temptation that will break every boundary. . . . Dubbed the Smoke Thief, a daring jewel thief is confounding the London police. His wealthy victims claim the master burglar can walk through walls and vanish into thin air. But Christoff, the charismatic Marquess of Langford, knows the truth: the thief is no ordinary human but a "runner" who's fled Darkfrith without

permission. As Alpha leader of the dra'kon, it's Kit's duty to capture the fugitive before the secrets of the tribe are revealed to mortals. But not even Kit suspects that the Smoke Thief could be a woman. Clarissa Rue Hawthorne knew her dangerous exploits would attract the attention of the dra'kon. But she didn't expect Christoff himself to come to London, dangling the tribe's most valuable jewel—the Langford Diamond—as bait. For as long as she could remember, Rue had lived the life of a halfling—half dra'kon, half mortal—and an outcast in both worlds. She'd always loved the handsome and willful Kit from the only place it was safe: from afar. But now she was no longer the shy, timid girl she'd once been. She was the first woman capable of making the Turn in four generations. So why did she still feel the same dizzying sense of vulnerability whenever he was near? From the moment he saw her, Kit knew that the alluring and powerful beauty was every bit his Alpha equal and destined to be his bride. And by the harsh laws of the dra'kon, Rue knew that she was the property of the marquess. But they will risk banishment and worse for a chance at something greater. For now Rue is his prisoner, the diamond has disappeared, and she's made the kind of dangerous proposition a man like Kit cannot resist. . . . In this bewitching novel, Shana Abé transports us into a world of exhilarating romance and magic.

She zeroes in on a sleepy Florida panhandle town. There's one motel, a marina, a long stretch of pristine beach and an old fishing pier with a community casino—which will be perfect for the film's climax—when the bad guys blow it up in an all-out assault on the townspeople. Greer slips into town and is ecstatic to find the last unspoiled patch of the Florida gulf coast. She takes a room at the only motel in town, and starts working her charm. However, she finds a formidable obstacle in the town mayor, Eben Thinaeaux. Eben is a born-again environmentalist who's seen huge damage done to the town by a huge paper company. The bay has only recently been re-born, a fishing industry has sprung up, and Eben has no intention of letting anybody screw with his town again. 111 Places in Vienna That You Shouldn't Miss Peter Eickhoff 2014-06 Wiener Schnitzel, apple strudel, the Prater, Schonbrunn, and the Beautiful Blue Danube? The Viennese are proud of the fact that in Austria's capital, even the sights are really worth seeing. Beyond the well-trodden paths, however, a completely unknown, kinky, even morbid Vienna can be found with less icing and dreams of waltzes and more living and dying (after all, the saying goes that Vienna is the most beautiful place in the world to die in). The city lives up to its reputation from unaccustomed perspectives as well: a slaughterhouse in which hippie idol Leonard Cohen was once a squatter; a museum with murderers; an 18th-century looney bin shaped like a UFO; a store for erotic underwear in an Archbishop's palace; Trotsky's garden; the corner on which Third Man Harry Lime supposedly died in an accident; narrow 16th-century alleyways and, of course, all the Kafka, coffeehouse culture, and Klimt you can eat; famous assassinations and grim reminders of the Nazi past. This guide will introduce you to a Vienna which is still alive although it's bursting with history - the pulsating city which many consider the most beautiful in Central Europe."
