The Man Who Fell In Love With The Moon Tom Spanbauer 1992-09-09 The Man Who Fell in Love with the Moon is an American epic of the old West for our own times -- a novel huge in its imaginative scope and daring in its themes. The narrator is Shed, or Duivichi-un-Dua, a half-breed bisexual boy who makes his living at the Indian Head Hotel in the little turn-of-the-century town of Excellent, Idaho. The imperious Ida Richilieu is Shed's employer, the town's mayor and the mistress, and the mistress and owner of this outrageously pink whorehouse. Together with the beautiful prostitute Alma Hatch, and the philosophical, green-eyed, half-crazy cowboy Dellwood Barker, this collection of misfits and outcasts make up the core of Shed's eccentric family. And although laced with the ugliness and cruelty of the frontier West -- Shed is raped by the same man who then murders the woman he thinks is his mother, and the Mormon townspeople bring a fiery end to Ida's raucous way of life -- the love and acceptance that tie this family together provide the true heart of this novel. The Man Who Fell in Love with the Moon is a beautifully told, mythic tale that is as well a profound meditation on sexuality, race and man's relationship to himself and the natural world.

They were very handsome and in their mid forties. They introduced themselves, and then one thing led to another... Soon after, Missy found herself being pleased by the two men in the back of their work truck. They took turns on her in the empty parking lot, sharing her and filling her virgin holes... As the two men stretched her open, Missy wondered - are they going to pull out, or finish inside me? It felt so good to be screwed by them... She knew it was so naughty and dirty, but she hoped they would give her a creampie. A Christmas Sex Story Misty Memoir 2022-08-07 Excerpt: It was even better from behind, her pussy was hot and slippery. She probably hadn't held out her butt that often because she was watching exactly what I was doing. I grabbed her hips with both hands and pumped my spear harder and harder into her. She came a second time and I was also beginning to have an orgasm. She groaned loudly and I had to think of her mother if she could hear it. Her knees went weak and I slowed my pace. She turned around and kissed me while massaging my spear nicely. "Can't you?" she asked. Of course I can but I told her my thoughts and we had to laugh heartily. She went down on me and licked my penis first gently and then harder.

She walked over to the deep end of the pool and dropped her towel down onto the pool deck as she dipped a foot into the water. The water was probably close to body temperature and its surface rippled gently against the breezes that were coming down from the surrounding mountains. Elena kicked off her sandals as she looked up towards their neighbor's house, and immediately noticed the blinds moving in one of their upper bedroom windows. Elena and Robert's neighbors were a slightly older couple. In their forties, the wife worked as a nurse in town and the husband worked from home doing some consulting work for a major company. Elena had often caught the husband peeking out of their windows at her when she was either taking a swim in the pool or laying out sunbathing. Being a bit of an exhibitionist, Elena didn't mind, and would often either go topless when she swam or sunbathed, or go completely nude. She often envisioned their neighbor masturbating while he peered down at her through the blinds, and she admittedly positioned herself and strutted her nakedness deliberately as her way of toying and "playing" with him. Feeling a bit of an instigator today, Elena decided to push the envelope of exhibitionism even further. Elena untied her bikini top and tossed it next to her towel on the pool deck before then sliding off her bikini bottom as well. Standing naked on the edge of the pool, Elena noticed the neighbor's blinds move again before opening just a bit wider. She then took her hair out of the ponytail that she had it in and ran her fingers through her long dark blonde hair, as if posing for a photographer who was taking her picture for Playboy. Elena then dove into the deep end of the pool and swam under water the full length of the pool before surfacing on the other end. Coming up out of the water, Elena swept her hair back over her head and took a deep breath of air as she bobbed in the shallow end of the pool. It was all she could do to keep from smiling as she imagined all the carnal things her neighbor was doing behind his blinds next door. Was his hand rubbing against the crotch of his pants as he viewed Elena's naked body? Or, were his pants already down around his ankles pleasuring himself as he watched the show next door? Ride-Share Stripper Nico Fox 2020-07-26 Bryce is a ride-share driver with outlandish stories to tell. From marriage proposals, to employees being fired, to customers joining the "Mile Long Club." He's seen it all happen in the back seat of his car. But nothing compares to the one he picks up tonight. Alex is a male stripper just getting off of a long night of wild bachelorette parties. He looks more like a statue of an ancient Greek God than an entertainer. Bryce and Alex hit it off immediately, both knowing the risks they are taking. Bryce suggests a place: pulled over on the shoulder of the busy interstate as traffic passes them by. It's an exciting place to get it on, until a cop shows up to check to see what's wrong with his car. Do they have the nerve to continue their tryst? Will Bryce earn that 5-star rating? Find out in this new erotic story from Nico Fox.
