KAMA : The Story of the Kama Sutra Misra, Jaya 2018-05-05 "Who was Vatsyayana? What motivated this intriguing personality in the third century to compile ancient erotic texts, replete with his witty aphorisms, into the Kama Sutra, the ultimate treatise on love and the art of lovemaking? Kama is a fictionalised account of the life and times of Vatsyayana. Seemingly, a manual for the hedonist about town, the Kama Sutra reveals another tale—written in blood—of broken hearts, lyrical violence, ageless love, and unbridled lust! Set in 273 AD, in a land fraught with war and unrest, Kama is the story of a catastrophic day in a writer-artist's life that sets him off on a journey unto himself, beyond the boundaries of love, family and betrayal. This fast-paced story of tragedy and triumph beguiles and captivates as it flits seamlessly between an agonising past, an erotic present and a cataclysmic future."

Encyclopedia of Post-Colonial Literatures in English Eugene Benson 2004-11-30 Post-Colonial Literatures in English, together with English Literature and American Literature, form one of the three major groupings of literature in English, and, as such, are widely studied around the world. Their significance derives from the richness and variety of experience which they reflect. In three volumes, this Encyclopedia documents the history and development of this body of work and includes original research relating to the literatures of some 50 countries and territories. In more than 1,600 entries written by more than 600 internationally recognized scholars, it explores the effect of the colonial and post-colonial experience on literatures in English worldwide.

101 Inspiring Stories G. Francis Xavier 2014-12-01 This is one of the many inspiring books from the renowned "Motivator" Dr. G. Francis Xavier. Evidently, this harvest of stories has been gleaned from lands he visited and books he read. Xavier, who conducts full-house personal growth courses has brought out this compendium in an interactive form, making the reader give the answers at the end of the story, which is a novel approach. Stories and examples are the best way to inspire, and this volume can be gifted to anyone. It is useful for preachers, speakers and teachers. The book appeals to readers of all ages except the morose and irredeemable negaholics (negative thinking addicts) and anti-reading teenagers. It has stories to inspire and promises uninterrupted chuckles till the end. There are also quotations on success.

Inside the Drama-House Stuart Blackburn 1996-05-28 Stuart Blackburn takes the reader inside a little-known form of shadow puppetry in this captivating work about performing the Tamil version of the Ramayana epic. Blackburn describes the skill and physical stamina of the puppeteers in Kerala state in South India as they perform all night for as many as ten weeks during the festival season. The fact that these performances often take place without an audience forms the starting point for Blackburn's discussion—one which explores not only this important epic tale and its performance, but also the broader theoretical issues of text, interpretation, and audience. Blackburn demonstrates how the performers adapt the narrative and add their own commentary to re-create the story from a folk perspective. At a time when the Rama story is used to mobilize political movements in India, the puppeteers' elaborate recitation and commentary presents this controversial tale from another ethical perspective, one that advocates moral reciprocity and balance. While the study of folk narrative has until now focused on tales, tellers, and tellings, this work explores the importance of audience—absent or otherwise. Blackburn's elegant translations of the most dramatic and pivotal sequences of the story enhance our appreciation of this unique example of performance art.

The Audacious Raconteur Leela Prasad 2020-11-15 Can a subject be sovereign in a hegemony? Can creativity be reined in by forces of empire? Studying closely the oral narrations and writings of four Indian authors in colonial India, *The Audacious Raconteur* argues that even the most hegemonic circumstances cannot suppress "audacious raconteurs": skilled storytellers who fashion narrative spaces that allow themselves to remain sovereign and beyond subjugation. By drawing attention to the vigorous orality, maverick use of photography, literary ventriloquism, and bilingualism in the narratives of these raconteurs, Leela Prasad shows how the ideological bulwark of colonialism—formed by concepts of colonial modernity, history, science, and native knowledge—is

dismantled. Audacious raconteurs wrest back meanings of religion, culture, and history that are closer to their lived understandings. The figure of the audacious raconteur does not only hover in an archive but suffuses everyday life. Underlying these ideas, Prasad's personal interactions with the narrators' descendants give weight to her innovative argument that the audacious raconteur is a necessary ethical and artistic figure in human experience.
