The Boy and the Gorilla Jackie Azúa Kramer 2020-10-13 This profoundly moving tale about a grieving boy and an imaginary gorilla makes real the power of talking about loss. On the day of his mother's funeral, a young boy conjures the very visitor he needs to see: a gorilla. Wise and gentle, the gorilla stays on to answer the heart-heavy questions the boy hesitates to ask his father: Where did his mother go? Will she come back home? Will we all die? Yet with the gorilla's friendship, the boy slowly begins to discover moments of comfort in tending flowers, playing catch, and climbing trees. Most of all, the gorilla knows that it helps to simply talk about the loss--especially with those who share your grief and who may feel alone, too. Author Jackie Azúa Kramer's quietly thoughtful text and illustrator Cindy Derby's beautiful impressionistic artwork depict how this tender relationship leads the boy to open up to his father and find a path forward. Told entirely in dialogue, this direct and deeply affecting picture book will inspire conversations about grief, empathy, and healing beyond the final hope-filled scene.

Süsser Die Glocken Nie Klingen Eberhard Michaely 2017-12 In this trombone duet, "Süsser die Glocken nie klingen," the theme is presented in 4/4, which appears to be a rather unusual measure to be chosen for this Christmas carol. The Latin groove is to be played rather laid back throughout the entire piece. The variations of the theme alternate between the two voices so that the lead voice and the accompaniment merge into one another. Arranged by Eberhard Michaely.

Digging for Words Angela Burke Kunkel 2020-09-08 A gorgeous and inspiring picture book based on the life of José Alberto Gutiérrez, a garbage collector in Bogotá, Colombia who started a library with a single discarded book found on his route. In the city of Bogota, in the barrio of La Nueva Gloria, there live two Josés. One is a boy who dreams of Saturdays-- that's the day he gets to visit Paradise, the library. The second José is a garbage collector. From dusk until dawn, he scans the sidewalks as he drives, squinting in the dim light, searching household trash for hidden treasure . . . books! Some are stacked in neat piles, as if waiting for José . Others take a bit more digging. Ever since he found his first book, Anna Karenina, years earlier, he's been collecting books--thick ones and thin ones, worn ones and almost new ones-- to add to the collection in his home. And on Saturdays, kids like little José run to the

steps of Paradise to discover a world filled with books and wonder. With an evocative text by a debut author, and rich, stunning illustrations from an up-and-coming Colombian illustrator, here is a celebration of perseverance, community, and the power of books.
