Impressionist Gardens Judith Bumpus 1998-08-20 Monet once said that his only two interests in life were painting and gardening. In Giverny, he combined these enthusiasms to create the most famous of artists' gardens. This beautifully illustrated book is the first ever about the Impressionists' shared passion for painting gardens and flowers: a favourite and richly developed subject of all the artists including Monet, Renoir, Pissarro and Sisley. For many of the Impressionists, cultivating flowers afforded as much pleasure as painting them, and they exchanged enthusiastic letters about the propagation of irises, chrysanthemums and dahlias. With their revolutionary approach to rendering outdoor effects and fleeting atmospheric conditions, they captured the sunlit colour and mood - and even suggested the smell - of flower gardens. In doing so, they registered a new public sensibility: the love, not just of fresh air and greenery, but of gloriously colourful settings on a domestic scale.

Money for the Cause Rudolph A. Rosen 2012-09-10 There has never been a greater need for raising the funds necessary to promote the causes that will help build a sustainable future. In *Money for the Cause: A Complete Guide to Event Fundraising*, veteran nonprofit executive director Rudolph A. Rosen lays out field-tested approaches that have been among those that helped him and the teams of volunteers and professionals he has worked with raise more than \$3 billion for environmental conservation. As Rosen explains, fundraising events can range from elite, black-tie affairs in large cities to basement banquets and backyard barbecues in small-town America. *Money for the Cause* runs the gamut, demonstrating methods

adaptable to most situations and illustrating both basic and advanced techniques that can be duplicated by everyone from novice volunteers to experienced event planners. Each chapter begins with a pertinent, real-life anecdote and focuses on major areas of event fundraising: business plans and budgets, raffles and auctions, tax and liability matters, contract negotiation, games and prizes, site selection, food service, entertainment, publicity, mission promotion, food and drink service, and effective team building and use of volunteers. The author applies each topic to the widest possible range of events, providing practical detail and giving multiple examples to cover the differences in types of organizations and their fundraising activities. Whatever the funding objective may be, *Money for the Cause: A Complete Guide to Event Fundraising* is both a textbook and a practical reference that will be indispensable to anyone involved in mission-driven organizations, whether as a volunteer, a professional, a student, or an educator.

Girl Reading Katie Ward 2012-02-07 This stunningly original, kaleidoscopic novel is an inspired celebration of women reading and the artists who have caught them in the act—"a vivid portrait of a timeless subject" (Minneapolis Star Tribune). A young orphan poses for a Renaissance maestro in medieval Siena. A servant girl in seventeenth-century Amsterdam snatches a moment away from her work to lose herself in tales of knights and battles. An eighteenth-century female painter completes a portrait of a deceased poetess for her lover. A Victorian medium poses with a book in one of the first photographic studios. A girl suffering her first heartbreak witnesses intellectual and sexual awakening during the Great War. A young woman reading in a bar catches the eye of a young man who takes her picture. And in the not-so-distant future a woman navigates a cyber-reality that has radically altered the way people experience art and life. Each chapter of Katie Ward's novel immerses readers into the intimate tales behind the creation of seven portraits by artists, ranging from Simone Martini to Pieter Janssens Elinga to a Flickr photographer. In gorgeous prose, Ward explores our points of connection, our relationship to art, the history of women, and the importance of reading. Dazzlingly inventive, this is "a fascinating testament to the universal themes of art and literature and the spirit of femininity" (BookPage).
