The Vigilant Citizen - Articles Compilation Vigilant Citizen 2014-06-01 "Signs and symbols rule the world, not words nor laws." - Confucius This timeless quote perfectly sums up the aims of Vigilant Citizen. To understand the world we live in, we must understand the symbols surrounding us. To understand these symbols, we must dig up their origin, which are often deeply hidden in occult mysteries. Vigilant Citizen aims to go beyond the face value of symbols found in pop culture to reveal their esoteric meaning

Egyptomania Ronald H. Fritze 2016-11-15 The land of pyramids and sphinxes, pharaohs and goddesses, Egypt has been a source of awe and fascination from the time of the ancient Greeks to the twenty-first century. In *Egyptomania*, Ronald H. Fritze takes us on a historical journey to unearth the Egypt of the past, a place inhabited by strange gods, powerful magic, spell-binding hieroglyphs, and the uncanny, mummified remains of ancient people. Walking among monumental obelisks and through the dark corridors of long-sealed tombs, he reveals a long-standing fascination with an Egypt of incredible wonder and mystery. As Fritze shows, Egypt has exerted a powerful force on our imagination. Medieval Christians considered it a holy land with many connections to biblical lore, while medieval Muslims were intrigued by its towering monuments, esoteric sciences, and hidden treasures. People of the Renaissance sought Hermes Trismegistus as the ancient originator of astrology, alchemy, and magic, and those of the Baroque pondered the ciphers of the hieroglyphs. Even the ever-practical Napoleon was enchanted by it, setting out in a costly campaign to walk in the footsteps of Alexander the Great through its valleys, by

then considered the cradle of Western civilization. And of course the modern era is one still susceptible to the lure of undiscovered tombs and the curses of pharaohs cast on covetous archeologists. Raising ancient Egyptian art and architecture into the light of succeeding history, Fritze offers a portrait of an ancient place and culture that has remained alive through millennia, influencing everything from religion to philosophy to literature to science to popular culture.

Roar Sheet Music Katy Perry 2013-10-01 (Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part as well as in the vocal line.

Gender, Race, and Class in Media Bill Yousman 2020-07-24 *Gender, Race, and Class in Media* provides students a comprehensive and critical introduction to media studies by encouraging them to analyze their own media experiences and interests. The book explores some of the most important forms of today's popular culture—including the Internet, social media, television, films, music, and advertising—in three distinct but related areas of investigation: the political economy of production, textual analysis, and audience response. Multidisciplinary issues of power related to gender, race, and class are integrated into a wide range of articles examining the economic and cultural implications of mass media as institutions. Reflecting the rapid evolution of the field, the Sixth Edition includes 18 new readings that enhance the

richness, sophistication, and diversity that characterizes contemporary media scholarship.

Beginning Songwriting Andrea Stolpe 2015-05-30 (Berklee Guide). Learn to write songs! This book presents the basic concepts of popular songwriting, such as song construction, creativity techniques, melodic and harmonic development, how to write memorable lyrics, and other core topics. Hands-on exercises make it practical, and the accompanying recording illustrates the concepts for those who don't yet read music.

Shakespeare and Young Adult Literature Victor Malo-Juvera 2021-04-15 This is the first book that offers educators suggested approaches for teaching young adult literature in tandem with the most commonly taught works of Shakespeare.

Social Aesthetics and the School Environment Adam I. Attwood 2017-09-30 This book theorizes aesthetic classroom management through a hermeneutical approach with three fields of literature: history and philosophical foundations of chivalry, chivalry's promulgation through the Victorian Age, and parallel issues of identity in twenty-first century teacher education. The aim of the book is to examine the relationship between chivalric ethos and education. The presented case study addresses more specifically the following question: how can chivalry be re-imagined or theorized in an educational setting? Few studies address the concept of aesthetics and hermeneutical context in American classroom management and classroom life, and Attwood pinpoints and traces the medieval social concept of chivalry through the centuries and argues it has manifested itself in classroom social construction in the twenty-first century.

Switched on Pop Nate Sloan 2019-12-13 Pop music surrounds us - in our cars, over supermarket speakers, even when we are laid out at the dentist - but how often do we really hear what's playing? Switched on Pop is the book based on the eponymous podcast that has been hailed by NPR, Rolling Stone, The Guardian, and Entertainment Weekly for its witty and accessible analysis of Top 40 hits. Through close studies of sixteen modern classics, musicologist Nate Sloan and songwriter Charlie Harding shift pop from the background to the foreground, illuminating the essential musical concepts behind two decades of chart-topping songs. In 1939, Aaron Copland published What to Listen for in Music, the

bestseller that made classical music approachable for generations of listeners. Eighty years later, Nate and Charlie update Copland's idea for a new audience and repertoire: 21st century pop, from Britney to Beyoncé, Outkast to Kendrick Lamar. Despite the importance of pop music in contemporary culture, most discourse only revolves around lyrics and celebrity. Switched on Pop gives readers the tools they need to interpret our modern soundtrack. Each chapter investigates a different song and artist, revealing musical insights such as how a single melodic motif follows Taylor Swift through every genre that she samples, André 3000 uses metric manipulation to get listeners to "shake it like a Polaroid picture," or Luis Fonsi and Daddy Yankee create harmonic ambiguity in "Despacito" that mirrors the patterns of global migration. Replete with engaging discussions and eye-catching illustrations, Switched on Pop brings to life the musical qualities that catapult songs into the pop pantheon. Readers will find themselves listening to familiar tracks in new ways and not just those from the Top 40. The timeless concepts that Nate and Charlie define can be applied to any musical style. From fanatics to skeptics, teenagers to octogenarians, non-musicians to professional composers, every music lover will discover something ear-opening in Switched on Pop.

Our World Little Mix 2016-10-20 Celebrate Little Mix's first UK number-one album - Glory Days - by reading the full story of the girls' astonishing rise to pop super stardom. Our World is full of exclusive photos and inspirational stories about Jade, Perrie, Jesy and Leigh-Anne's unique friendship. Little Mix are the UK's most successful girl band. They first found fame - and each other - on The X Factor in 2011. Five years later they have gone from strength to strength, achieving huge global success. With three platinum-selling albums in the UK and over 14 million record sales worldwide, the band are both adored by their fans and critically acclaimed for their brilliant music. In this book the girls share the real behind-the-scenes story of both their personal lives and their success. They reveal the many highs - what it feels like to perform in front of thousands of people; the excitement of seeing your music soar to Number One around the world - but also the lows. Through it all the girls have had each other, and their incredibly close friendship has grown stronger and stronger as the years have gone by. Now the girls are like sisters, and in this book they share their journeys and how it feels for your dreams to come true. Brimming with exclusive photos, this book shares with us the girls' innermost secrets - their hopes and dreams for the future, their families, their relationships, their style advice and above all their friendship.

This book is Little Mix's story in their own words and tells you everything you need to know about their lives both in and out of the spotlight.

Catch 23 Michael Vincent Jordan 2020-11-09 This is a story about some spectacular events that have taken place in a life full of mystery, divine intervention, and belief. I have come to grips with the idea that this story should be told after pondering the ambiguity for many years. Some of the events were very persuasive to me, but I had always been hesitant in publishing such a story of my journey. I now feel it would be a shame if I didn't, and I have this urge to feel set free like a black wild horse that's been let out of the gates of prison!

Let It Go, Happy & More Hot Singles Hal Leonard Publishing Corporation 2014-03-01 (Pop Piano Hits). Pop Piano Hits is a series designed for students of all ages! Each book contains five simple and easy-to-read arrangements of today's most popular downloads. Lyrics, fingering, and chord symbols are included to help you make the most of each arrangement. Enjoy your favorite songs and artists today! This edition includes: All of Me (John Legend) * Dark Horse (Katy Perry) * Happy (Pharrell) * Let It Go (Demi Lovato) * Pompeii (Bastille).

The 5 Keys To Inner Peace John George 2015-12-15 Are you tired of going on an emotional rollercoaster? Sick of having your buttons pushed by others? Keep getting confused as to what you should do with your life? From being diagnosed with clinical depression to living an inspired life, John explains life's natural blueprint for creation that simply flows. Peace comes first, followed by purpose, which leads to high performance. Flow occurs, allowing you to create without struggling and straining. In *The Five Keys to Inner Peace*, John outlines a simple science to being at peace that is remarkably simple, transforming the lives of those who apply the five keys. Quite simply, human beings are not at peace when one or more of the five keys are out of balance. When you balance all five through simple action steps, you have nowhere left to fall. The uneasy feeling in your chest is replaced by a sense of peace, which allows you to make better decisions in all areas of life. This book will help readers regain a sense of who they truly are and rediscover what they came into this world with: inner peace and self-love. "I was fortunate to be coached by John on the five keys to inner peace. As a counselor myself, it really

opened my eyes to a whole new way of living. Most importantly it improved my relationships with my husband and daughter. You will never see yourself or life the same way again. Do yourself a huge favor and read the book.” –Netia M.

Pop Masculinities Kai Arne Hansen 2021 In *Pop Masculinities*, author Kai Arne Hansen investigates the performance and policing of masculinity in pop music as a starting point for grasping the broad complexity of gender and its politics in the early twenty-first century. Drawing together perspectives from critical musicology, gender studies, and adjacent scholarly fields, the book presents extended case studies of five well-known artists: Zayn, Lil Nas X, Justin Bieber, The Weeknd, and Take That. By directing particular attention to the ambiguities and contradictions that arise from these artists' representations of masculinity, Hansen argues that pop performances tend to operate in ways that simultaneously reinforce and challenge gender norms and social inequalities. Providing a rich exploration of these murky waters, Hansen merges the interpretation of recorded song and music video with discourse analysis and media ethnography in order to engage with the full range of pop artists' public identities as they emerge at the intersections between processes of performance, promotion, and reception. In so doing, he advances our understanding of the aesthetic and discursive underpinnings of gender politics in twenty-first century pop culture and encourages readers to contemplate the sociopolitical implications of their own musical engagements as audiences, critics, musicians, and scholars.

Consumerist Orientalism M. Keith Booker 2019-10-17 In a postmodern world of globalised capital, how does the concept of Orientalism inform understandings of cultural exchange? In this detailed and wide-ranging examination, Arab popular culture is explored in its relation to American culture and capitalism. Offering new insights on Edward Said's longstanding theoretical lens, *Consumerist Orientalism* presents an updated conceptual framework through which to understand the intercultural relationship between East and West, exploring a wide range of cultural production; from an Oscar-nominated Jordanian film to Turkish-Arab soap operas and Arab-diaspora rap. Drawing on key contemporary critical thinkers and in-depth cultural analysis, the relationship between capitalism, postmodernism and Orientalism is explored with fresh insights, making this essential reading for students of Middle Eastern culture, globalisation and postcolonial studies.

348 Coincidence! Among Myself and Dan Brown Aydin Turkgucu 2022-01-08 348 Coincidence! Among Myself and Dan Brown I have been writing books about the interaction of Virtual Reality and Artificial Intelligence-Based universe model with beliefs, and the future of this model as well as giving seminars as a computer programmer since 1995. Therefore, with the aim of forging a link between the beliefs of humans and science & technology, I have developed discourses specific to me that are based on new knowledge and experiences. I broke new grounds with the new methods that I brought in the world of books. My books which had press and media coverage for its original contents received positive feedbacks from the relevant experts as well. My last four books written since 2009 were translated into English and were published. My readers who read Dan Brown's novel "Origin" published on October 3, 2017 called me and said "We were under the impression that we were reading your books while reading 'Origin' novel of Dan Brown." Thereupon, I purchased the book. I was shocked when I read the constituent elements of my original works for which I own the copyright. I quickly realized crucial similarities in regard to purpose and fiction of the book, pattern of the stories, characters, the scenes used, the celebrities featured, findings and predictions. This comparison revealed over 300 similarities which made me deduce the emergence of copyright infringement. In my research, I learnt from the news published in October 2017 that a plagiarism lawsuit was commenced against Dan Brown for his novel "Da Vinci Code". In other words, I was not the first injured party. Dan Brown divorced Blythe Brown, his wife of 21 years and his pillar of support in 2019. Blythe Brown asserted on June 30, 2020 She learnt the truth after getting divorced and "He concealed his life full of lies in the US, Europe and Caribbean." Furthermore, 'I trusted this man for decades as my life's love. We worked so hard together, struggling to build something meaningful... I don't recognise the man that Dan has become.IT IS TIME TO REVEAL HIS DECEIT AND BETRAYAL. AFTER SO MUCH PAIN, IT IS TIME FOR TRUTH. IT IS TIME TO RIGHT THESE WRONGS.' I learnt she will sue for damages. I care about these statements of Blythe considerably, because their divorce suits that ended with infidelity brought out the flames which were unlikely to be discovered. His infidelity was to his ex-wife Blythe. What did Blythe mean with "DECEIT"? What might be the "DECEIT" of a worldwide known author? Either reproduction without permission(plagiarism) or well-hidden negative perception methods. May be both of them. I did not think about another possibility. This plagiarism claims in the same article of Tom Leonard dated July 2, 2020 by Blythe Brown, herself. "Having repeatedly denied plagiarism claims, Brown said in 2017: 'You can say you

hate my book but don't say I'm a liar or a cheater.' Yet his ex-wife is now alleging he is both of these" The aim of this book is (1)to present the readers the bilateral likeness table with 348 items that compare Dan Brown's "Origin" book published in 2017 and my articles and videos, and ask their opinions (2)to indicate why Dan Brown had to quote, in light of his explanations before and during the writing process of "Origin" and after its publication. My intention was not to offend Dan Brown or the publishing house, therefore I did my best to settle the matter with consensus. I hadn't taken legal action, yet. In addition, I hadn't announced press and media the process of claiming my right which would last about three years and gain worldwide attention. I think of commencing the lawsuit process after your possible contributions to the information and documents shared in this book. Aydin Turkgucu 2015-2017 Nobel Peace Prize Nominee

Strength on the Water Melissa J Dellaca 2022-05-12 Divorced, single mom, college student – Melissa didn't always feel like she would be topping the list of intriguing women to date. But somehow once she found herself on the open market, there seemed to be a steady flood of interested men. Maybe it was the fact that she was a newly minted triathlete, very active, and always up for fun adventures? Perhaps the men liked that she would soon be a registered dental hygienist with a promising career? Whatever it was, Melissa's life was busy in a good way and she was loving it! But there was a nagging loneliness that crept in. She really didn't want to be single forever. Did God have a plan in mind for her? When she meets a man that seems just about perfect, the doubts rise to a level of near debilitation. Can they really make this work, and does she deserve it? Yet God always seems to find a way to reassure her that He is there and aware of her if she will only listen.

An Economic Approach to the Plagiarism of Music Samuel Cameron 2020-06-23 This book is an economic analysis of plagiarism in music, focusing on social efficiency and questions of inequity in the revenue of authors/artists. The organisation into central chapters on the traditional literary aspect of composition and the technocratic problem of 'sampling' will help clarify disputes about social efficiency and equity. It will also be extremely helpful as an expository method where the text is used in courses on the music business. These issues have been explored to a great extent in other areas of musical content—notably piracy, copying and streaming. Therefore it is extremely helpful to exclude consumer use of musical content from the discussion to focus solely on the production side. This book also looks at the

policy options in terms of the welfare economics of policy analysis.

Billboard 2009-10-03 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Youth, Class and Everyday Struggles Steven Threadgold 2017-09-13 The concept of everyday struggles can enliven our understanding of the lives of young people and how social class is made and remade. This book invokes a Bourdieusian spirit to think about the ways young people are pushed and pulled by the normative demands directed at them from an early age, whilst they reflexively understand that allegedly available incentives for making the 'right' choices and working hard – financial and familial security, social status and job satisfaction – are a declining prospect. In *Youth, Class and Everyday Struggles*, the figures of those classed as 'hipsters' and 'bogans' are used to analyse how representation works to form a symbolic and moral economy that produces and polices fuzzy class boundaries. Further to this, the practices of young people around DIY cultures are analysed to illustrate struggles to create a satisfying and meaningful existence while negotiating between study, work and creative passions. By thinking through different modalities of struggles, which revolve around meaning making and identity, creativity and authenticity, Threadgold brings Bourdieu's sociological practice together with theories of affect, emotion, morals and values to broaden our understanding of how young people make choices, adapt, strategise, succeed, fail and make do. *Youth, Class and Everyday Struggles* will appeal to undergraduate and postgraduate students, as well as postdoctoral researchers, of fields including: Youth Studies, Class and Inequality, Work and Careers, Subcultures, Media and Creative Industries, Social Theory and Bourdieusian Theory.

The Three Heavens John Hagee 2015-05-12 As sales of Hagee's current New York Times bestseller, Four

Blood Moons, continue to soar, hundreds of thousands of readers have had their thirst whetted to know what is to come at the end of this world . . . heaven itself! Hagee's national media power assures another mega-bestseller.

When She Came Back C J Parsons 2020-09-01 'I forgot to breathe in parts!' 5* review 'I haven't been able to put down' 5* review 'Worth far more than five stars' 5* review When her five-year-old daughter disappears from the park, Carrie is distraught and she blames herself. Has her inability to read facial expressions put her child in danger? Yet just days later, a stranger finds Sofia in an abandoned shed. She's scared but unharmed and Carrie is relieved to have her home. But the police have no leads on who might have taken her and when another child is taken, it's clear Sofia is still in danger. And the threat might be closer than they think. . . 'Compulsive, scary and breathtakingly original' (Dreda Say Mitchell) this gripping emotional thriller is perfect for fans of STRANGERS by C. L. Taylor, THE FAMILY UPSTAIRS by Lisa Jewell and THE OTHER DAUGHTER by Shalini Boland. READERS LOVE THE GOOD SAMARITAN: 'A tense twisty psychological thriller that will keep you guessing right up till the end!' 5* review 'I was caught up in the suspense and literally couldn't put the book down' 5* review 'A whopping 5 star read which had me gripped from start to finish, it is beautifully written and amazing' 5* review 'This book was brilliant. I was gripped from the very first chapter' 5* review 'A fast-paced and thoroughly entertaining read' 5* review 'This book really had me guessing and on the edge of my seat... such suspense rarely found in a book' 5* review

Katy Perry Vanessa Oswald 2018-07-15 For the past decade, Katy Perry has been a visible part of the pop music scene. However, fans may be surprised to learn that despite the themes of some of Perry's early songs, she grew up in a conservative family. This and other fun facts about Perry's life are presented to readers alongside annotated quotes from the famous singer and those who know her best. With the release of her album Witness, Perry has shifted her focus to songs that explore deeper emotions and issues. Full-color photographs and a detailed timeline give readers a glimpse at the real Katy Perry.

Antiquity in Popular Literature and Culture Konrad Dominas 2016-05-11 Spiritus flat ubi vult academicus. It seems evident that the study of antiquity and the study of antiquity's persistence will continue to be

distributed *ubique terrarum*. This pleasing circumstance was exemplified in January 2014, at the Adam Mickiewicz University in Poznań, an institution named after Poland's influential nineteenth-century epic and lyric poet. As part of an ongoing series of such academic meetings, the university hosted the Seventh International Conference on Fantasy and Wonder. Its topic was Antiquity in Popular Literature and Culture. Several of the papers given in Poznań appear in this volume in revised form. They demonstrate the continuing presence of the past, or, to put it slightly differently, the importance of the past in the present and, by extension, for the future.

Fandom Francesca DiPiazza 2017 Have you ever created art based on a TV show or game? Dressed up as your favorite character? If so, you've entered fandom. Tour fandom's history and meet creators who shape fan communities online and in real life.

Reimagining Communication: Action Michael Filimowicz 2020-08-04 As a part of an extensive exploration, *Reimagining Communication: Action* investigates the practical implications of communication as a cultural industry, media ecology, and a complex social activity integral to all domains of life. The *Reimagining Communication* series develops a new information architecture for the field of communications studies, grounded in its interdisciplinary origins and looking ahead to emerging trends as researchers take into account new media technologies and their impacts on society and culture. The diverse and comprehensive body of contributions in this unique interdisciplinary resource explore communication as a form of action within a mix of social, cultural, political, and economic contexts. They emphasize the continuously expanding horizons of the field by engaging with the latest trends in practical inquiry within communication studies. Reflecting on the truly diverse implications of communicative processes and representations, *Reimagining Communication: Action* covers key practical developments of concern to the field. It integrates diverse theoretical and practice-based perspectives to emphasize the purpose and significance of communication to human experience at individual and social levels in a uniquely accessible and engaging way. This is an essential introductory text for advanced undergraduate and graduate students, along with scholars of communication, broadcast media, and interactive technologies, with an interdisciplinary focus and an emphasis on the integration of new technologies.

The Vatican Prophecies John Thavis 2015-09-15 “The process by which these supernatural events are authenticated is expertly told by John Thavis, one of the world’s leading Vaticanologists. In fact, that a book on so secretive and complex a topic is so deeply researched, beautifully written, and artfully told is something of a small miracle itself.”—James Martin, S.J., author of *Jesus: A Pilgrimage* From the New York Times bestselling author of *The Vatican Diaries*, a fascinating behind-the-scenes look at how the Vatican investigates claims of miraculous events Apocalyptic prophecies and miraculous apparitions are headline-grabbing events that often put the Catholic Church’s concept of “rational faith” at odds with the passion of its more zealous followers. To some, these claims teeter on the edge of absurdity. Others see them as evidence of a private connection with God. For the Vatican, the issue is much more nuanced as each supposed miraculous event could have serious theological and political consequences. In response, the Vatican has developed a highly secretive and complex evaluation system to judge the authenticity of supernatural phenomena. Former journalist John Thavis uses his thirty years’ experience covering the Vatican to shed light on this little-known process, revealing deep internal debates on the power of religious relics, private revelations, exorcisms, and more. Enlightening and accessible to Catholics and non-Catholics alike, the book illustrates the Church’s struggle to balance the tension between traditional beliefs and contemporary skepticism.

Contemporary Popular Music Studies Marija Dumnić Vilotijević 2019-02-20 This is the second volume in the series that documents the 19th edition of the biennial conference of the International Association for the Study of Popular Music. The volume contains contributions on the variety of musical genres from all over the world. Authors engage with the role of popular music in contemporary music education, as well as definitions and conceptualizations of the notion of 'popular' in different contexts. Other issues discussed in this volume include methodologies, the structure and interpretations of popular music scenes, genres and repertoires, approaches to education in this area, popular music studies outside the

Anglophone world, as well as examinations of discursive and technological aspects of numerous popular music phenomena.

Copyright in the Music Industry Hayleigh Boshier 2021-02-26 This must-have book is a comprehensive yet accessible guide to copyright and related rights in the music industry, illustrated with relevant cases and real world examples. Key features include: • An engaging and approachable writing style • A practical orientation for those in the industry and their advisors • The impact of social media on copyright infringement, management and remedies • Accessible explanations of key concepts in copyright and related rights, as well as commonly misunderstood topics such as sampling and fair use.

There Are Places I Remember Michael Frank 2016-09-12 Every one of us have watched television shows, movies and listened to our favorite songs but how many of us have wondered how theyve affected and influenced us? Do we still have a fondness for the mediums we enjoyed as a child or do we outgrow the past? As an adult, is it easier or harder to accept the past or embrace the future?
