Policing America Kenneth J. Peak 1997 This book provides readers with a comprehensive view of the often obscure world of policing, with in-depth coverage of today's major topics. explores the methods and issues, personality and problems, and attitudes and beliefs of those persons who enforce federal, state, and local laws.

Introduction to Criminal Justice Kenneth J. Peak 2017-11-29 A practical and applied introduction to criminal justice Introduction to Criminal Justice: Practice and Process shows you how to think practically about the criminal justice system by offering you a proven, problem-based approach to learning. Bestselling authors Kenneth J. Peak and Tamara D. Madensen draw on their many years of combined practitioner and academic experience to explain the importance of criminal justice and show how key trends, emerging issues, historical background, and practical lessons can be applied in the field. New to the Third Edition: An emphasis on constitutional policing, legitimacy, and procedural justice stresses the importance for police to develop a "guardian" mindset over a "soldier" mindset. New discussions of contemporary criminological theories—such as social structure theories, social process theories, social conflict theories, feminist theories, and environmental criminology theories—provide you with a concise explanation on why people commit crimes and how to prevent them in the modern world. An in-depth view of three particularly challenging problems and policy issues—terrorism, the mentally ill population, and illegal immigration—demonstrate how today's society and the criminal justice system are affected by these issues and what can be done to address the problems. New examples and case studies of ethical dilemmas illustrate today's climate of distrust, dissension, and dysfunction to encourage you to think critically about what is considered "ethical". New video interviews with criminal justice professionals offer you career advice, provide you with insights into a variety of career paths, and discuss challenges and misconceptions of each profession.

Pre-Incident Indicators of Terrorist Incidents Brent L. Smith 2011-01 This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the

first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

Justice Administration Kenneth J. Peak 2001 For courses in Criminal Justice Administration and Police Administration. Unlike other texts, this comprehensive, single-author volume addresses the administration of the three components of the justice system police, courts, corrections as well as other contemporary administrative areas and hot issues e.g., personnel administration, financial administration, rights and liabilities of criminal justice employees, and state-of-the-art technology in criminal justice. Focused on the primary people, concepts, terms, and reality of contemporary justice administration, it reflects 27 years of the author's hands-on, front-line experience as a police and corrections practitioner and administrator, planner, and educator.

Policing and Society: A Global Approach Michael J. Palmiotto 2010-03-04 Policing and Society: A Global Approach covers a wide range of topics related to policing, with strong sociological analysis and an emphasis on global concepts and issues. This well-organized, reader-friendly book includes comprehensive coverage of important issues such as police corruption, use of excessive force, and police subculture. The book's unique international approach includes guest-written International Perspectives and various case studies, examples, and analogies illustrating policing here and in other countries. Students are able to compare and understand policing methods, challenges, and solutions across nations and cultures and develop a broader outlook on law enforcement worldwide. Policing and Society: A Global Approach reflects the current state of policing and where the forefront of policing will be in the coming years. With this book, students not only develop an understanding of law enforcement on a local, regional, and national level, but also gain a deeper appreciation of issues on a larger scale, in the international community. The text's combined global and sociological perspective provides students with the knowledge and competence to better understand global law enforcement issues in a post 9/11-era. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Introduction to Law Enforcement and Criminal Justice Kären M. Hess 2014-01-01 This comprehensive and practical book covers law enforcement and the criminal justice system as a whole (including courts, corrections, and juvenile justice) in one easy-to-understand volume. You'll find a realistic and relevant boots on the street perspective, real world examples in every chapter, and up-to-date information on a wide range of today's hottest topics, the Towards Zero Death (TZD) traffic-safety initiative, rapid DNA profiling, CompStat Plus, warrantless searches of vehicles, hacktivism, iPads/tablets and geolocation pinging communication devices in the field. joint terrorism task forces (JTTFs), and more. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Policing America Kenneth Peak 2017-01-03 This text is suitable for all introductory or general policing courses (both undergraduate and graduate levels) or as a supplemental text for community policing or police administration courses. A practical, applied approach to "what works" in policing Based on the author's thirty-plus years of policing and academic experience, Policing America: Challenges and Best Practices, Ninth Edition, offers a problem-solving approach that emphasizes what is actually working in the field. Throughout the book, dozens of current exhibits, additional cases studies, Career Profiles, and real-world problem-solving examples bring the "what works" theme alive for the reader. Each chapter encourages readers to think critically with Learn by Doing sections. Organized to flow smoothly for the

instructor and student, this edition continues to provide a penetrating view of one of the most difficult and demanding occupations in America: policing! The Ninth Edition addresses head-on the most challenging aspects of policing in our age. New emphases include methods of policing a diverse society—particularly disenfranchised minorities in the "post-Ferguson" era and a call for re-examination of police methods—as well as the fight against terrorism and applications of new information technologies. In addition, chapters examine major issues and formidable crime problems, crime prevention, changing agency culture, evaluating problem-solving initiatives, cyberbullying and cybercrime, special populations, and the future of policing.

Arc of Justice Kevin Boyle 2007-04-01 An electrifying story of the sensational murder trial that divided a city and ignited the civil rights struggle In 1925, Detroit was a smoky swirl of jazz and speakeasies, assembly lines and fistfights. The advent of automobiles had brought workers from around the globe to compete for manufacturing jobs, and tensions often flared with the KKK in ascendance and violence rising. Ossian Sweet, a proud Negro doctor-grandson of a slave—had made the long climb from the ghetto to a home of his own in a previously all-white neighborhood. Yet just after his arrival, a mob gathered outside his house; suddenly, shots rang out: Sweet, or one of his defenders, had accidentally killed one of the whites threatening their lives and homes. And so it began—a chain of events that brought America's greatest attorney, Clarence Darrow, into the fray and transformed Sweet into a controversial symbol of equality. Historian Kevin Boyle weaves the police investigation and courtroom drama of Sweet's murder trial into an unforgettable tapestry of narrative history that documents the volatile America of the 1920s and movingly re-creates the Sweet family's journey from slavery through the Great Migration to the middle class. Ossian Sweet's story, so richly and poignantly captured here, is an epic tale of one man trapped by the battles of his era's changing times. *Arc of Justice* is the winner of the 2004 National Book Award for Nonfiction.

Policing in America Larry K. Gaines 2014-06-04 In the field of law enforcement in the United States, it is essential to know the contemporary problems being faced and combine that knowledge with empirical research and theoretical reasoning to arrive at best practices and an understanding of policing. *Policing*

in America, Eighth Edition, provides a thorough analysis of the key issues in policing today, and offers an issues-oriented discussion focusing on critical concerns such as personnel systems, organization and management, operations, discretion, use of force, culture and behavior, ethics and deviance, civil liability, and police-community relations. A critical assessment of police history and the role politics played in the development of American police institutions is also addressed, as well as globalization, terrorism, and homeland security. This new edition not only offers updated research and examples, it also incorporates more ways for the reader to connect to the content through learning objectives, discussion questions, and "Myths and Realities of Policing" boxes. Video and Internet links provide additional coverage of important issues. With completely revised and updated chapters, Policing in America, Eighth Edition provides an up-to-date examination of what to expect as a police officer in America. In full color, including photographs and illustrations Video links provide additional coverage of topics discussed in the text Learning objectives, critical thinking questions, and review questions in every chapter help to reinforce key concepts Updated figures and "Myths and Realities of Policing" boxes provide important context Includes all-new content, such as further coverage of violent crime reduction programs, gangs, and drug use Access to student and instructor ancillaries, including Self-Assessments, Case Studies, Test Bank, and PowerPoint Lecture Slides

Community and Problem-Oriented Policing Ken J. Peak 2017-03-07 This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. For courses in Community Policing and Police-Community Relations An applied, timely approach to "what works" in addressing crime and disorder Community and Problem-Oriented Policing: Effectively Addressing Crime and Disorder, Seventh Edition, is about policing at its most important and challenging levels—in neighborhoods and communities across the nation. Unique in perspective, its focus is on community- and problem-oriented policing and the processes that are being implemented to control and prevent crime, disorder, and fear. Every chapter features Learn by Doing exercises to promote critical-thinking and analytical skills. Extremely applied, this text focuses on daily processes and tactics and how and why agencies are revolutionizing their traditional philosophy and

operations. The Seventh Edition addresses head-on the most challenging aspects of policing in our age. Individual chapters focus on community policing in terms of diversity, terrorism, homeland security, and police being more constitutional and legitimate. Expanded emphasis is placed on smart policing, predictive policing, and intelligence-led policing as well as applications of new information technologies for problem solving. Additionally, chapters examine major issues and challenging crime problems (e.g., drugs, gangs, youth and crime, neighborhood disorder, domestic violence, and human trafficking), crime prevention, changing agency culture, evaluating problem-solving initiatives, cyberbullying and cybercrime, and special populations, and the future. New case studies, exhibits, and examples offer readers a view of what works in policing strategy and problem solving in the field today.

SOU-CCJ230 Introduction to the American Criminal Justice System Alison Burke 2019

Managing and Leading Today's Police Kenneth Peak 2018-01-11 For courses in police administration and management. A problem-solving approach to modern police leadership *Managing and Leading Today's Police: Challenges, Best Practices, and Case Studies* provides a comprehensive insider's view into the challenging work of police leaders at all levels of management. Using a problem-based learning approach, the authors draw on their extensive practical experience to critique the organizational, personnel, and operational issues facing police agencies and to assert "what works" in contemporary police management. The 4th edition is a major revision, moving from a supervision to a management perspective. It covers new policing strategies, methods, and technologies transforming the field and demanding new knowledge of police supervisors, managers, and leaders.

Justice Administration Ken Peak 2018 Revised edition of Justice administration, [2016]

Criminal Law and Procedure Daniel E. Hall 2022-01-01 Examine the latest laws, updated regulations and current practices with Hall's *CRIMINAL LAW AND PROCEDURE*, 8E. This edition clearly presents every aspect of the law while also detailing the duties of a paralegal in criminal law. Comprehensive coverage and foundational concepts in both criminal law and criminal procedure blend with this edition's presentation of cutting-edge developments and emerging trends. Updated statistics present data through 2019, while new material addresses topics such as today's surveillance and interrogation techniques, riots and vandalism in 2020 and 2021, current search and seizure practices as well as issues of race, policing and the qualified immunity standard. Updated edited cases present both current and landmark decisions. In addition, numerous learning features address engaging topics ranging from ethics to self-defense. Specially developed exercises and problems help you further sharpen analytical skills and knowledge of criminal law and procedures. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Policing on American Indian Reservations Stewart Wakeling 2001

Drugs in Society Michael D. Lyman 2013-11-28 This work focuses on the many critical areas of America's drug problem, providing a foundation for rational decision making within this complex and multidisciplinary field. Broken up into three sections, *Understanding the Problem*, *Gangs and Drugs*, and *Fighting Back*, topics covered include the business of drugs and the role of organized crime in the drug trade, drug legalization and decriminalization, legal and law enforcement strategies, an analysis of the socialization process of drug use and abuse, and a historical discussion of drug abuse that puts the contemporary drug problem into perspective.

Become a Problem-Solving Crime Analyst Ronald Clarke 2014-06-03 Crime analysis has become an

Downloaded from avenza-dev.avenza.com
on December 2, 2022 by guest

increasingly important part of policing and crime prevention, and thousands of specialist crime analysts are now employed by police forces worldwide. This is the first book to set out the principles and practice of crime analysis, and is designed to be used both by crime analysts themselves, by those responsible for the training of crime analysts and teaching its principles, and those teaching this subject as part of broader policing and criminal justice courses. The particular focus of this book is on the adoption of a problem solving approach, showing how crime analysis can be used and developed to support a problem oriented policing approach - based on the idea that the police should concentrate on identifying patterns of crime and anticipating crimes rather than just reacting to crimes once they have been committed. In his foreword to this book, Nick Ross, presenter of BBC Crime Watch, argues passionately that crime analysts are 'the new face of policing', and have a crucial part to play in the increasingly sophisticated police response to crime and its approach to crime prevention - 'You are the brains, the expert, the specialist, the boffin.'

Justice Administration Kenneth J. Peak 1995 This book is an examination of police, courts, and corrections management as well as personnel and financial administration and criminal justice employees' rights.

Policing America Kenneth J. Peak 1993 Looks briefly at the history of police in America, and discusses police subculture, organization, patrols, criminal investigations, accountability, civil liability, and careers.

Encyclopedia of Community Policing and Problem Solving Kenneth J. Peak 2013-05-28 Community policing, as a philosophy, supports the systematic use of partnerships and problem-solving techniques to proactively address the immediate conditions that give rise to public safety issues, including crime, social disorder, and fear of crime—as opposed to responding to crime after it occurs. Community policing expands the traditional police mandate. It broadens the focus of fighting crime to include solving community problems and forming partnerships with people in the community so average citizens can contribute to the policing process. Originating during police reform efforts of the 1970s, the philosophy of community policing is currently widespread and embraced by many citizens, police administrators, scholars, and local and federal politicians. What sorts of collaborative partnerships have evolved between policing agencies and the individuals and communities they serve? How do police departments engage in systematic examination of identified problems to develop effective responses? How have police departments aligned their organizational structures to best support community partnerships and proactive problem solving? Just how effective have efforts at community policing been? These questions and more are explored within the pages of this new reference work. Features: A collection of 150 to 175 entries are organized in A-to-Z fashion in one volume available in both electronic and print formats. Signed entries, authored by significant figures in the field, each conclude with Cross-References and Suggestions for Further Readings to guide students to in-depth resources. Brief "What Works" case studies within appropriate entries profile community policing programs and strategies as tried in various cities and communities. Although organized in A-to-Z fashion, a thematic "Reader's Guide" in the front matter groups related entries by broad topic areas (e.g., Foundations; Methods & Practices; Legislation & National Organizations; Changing Agency Culture; Planning & Implementation; Training & Curriculum; Assessment & Evaluation; etc.). Also included in the front matter, a Chronology provides students with historical perspective of the development of community policing. The entire work concludes with a Resources appendix listing classic books, journals, and associations, followed by a comprehensive Index.

PROBLEM SOLVING: STRATEGIES AND PRACTICES, 6/e is about policing at its most important and challenging levels—in neighborhoods and communities across the nation and abroad. Unique in perspective, its focus is on community policing and problem solving—and the processes that are being implemented under COPPS to control and prevent crime, disorder and fear. Extremely applied, this text focuses on daily processes and tactics and how and why agencies are revolutionizing their traditional philosophy and operations. This sixth edition provides the latest on policing in an information age, how the economy is impacting policing practices and new information concerning COPPs initiatives across the United States.

Community-oriented Policing Willard M. Oliver 2001 The second edition of *Community-Oriented Policing: A Systemic Approach to Policing* reviews the development of community-oriented policing over the last two decades of the twentieth century, and explores the future of this innovative approach to policing for the twenty-first century. It continues to combine the philosophical aspects with the experiential implementation of community-oriented policing, in order to derive a balance between theory and practice. It is intended for professors, students, and police practitioners interested in this progressive approach to policing. New to the Second Edition: a new chapter titled *Comparative Community-Oriented Policing* that explores the concepts of community-oriented policing and how they have been adapted in other countries including Canada, Britain, and Japan; a new chapter titled *The Federal Role in Community-Oriented Policing* that explores the Crime Bill of 1994 and the 100,000 COPS initiative by the Department of Justice's Office of Community-Oriented Policing Services (COPS), and how this has affected community-oriented policing throughout the Nation; updated research, practical applications, and case studies; updated COP in A

Between the World and Me Ta-Nehisi Coates 2015-07-14 #1 NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD WINNER • NAMED ONE OF TIME'S TEN BEST NONFICTION BOOKS OF THE DECADE • PULITZER PRIZE FINALIST • NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST • ONE OF OPRAH'S "BOOKS THAT HELP ME THROUGH" • NOW AN HBO ORIGINAL SPECIAL EVENT Hailed by Toni Morrison as "required reading," a bold and personal literary exploration of America's racial history by "the most important essayist in a generation and a writer who changed the national political conversation about race" (Rolling Stone) NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY The New York Times Book Review • O: The Oprah Magazine • The Washington Post • People • Entertainment Weekly • Vogue • Los Angeles Times • San Francisco Chronicle • Chicago Tribune • New York • Newsday • Library Journal • Publishers Weekly In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation's history and current crisis. Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bracingly confronts our present, and offers a transcendent vision for a way

forward.

Leadership and Management in Police Organizations Matthew J. Giblin 2016-09-16 Built on a foundation of nearly 1,200 references, *Leadership and Management in Police Organizations* is a highly readable text that shows how organizational theory and behavior can be applied to improve the operations, leadership, and management of law enforcement. Author Matthew J. Giblin emphasizes leadership and management as separate skills in successful police supervisors and executives, illustrating to students how the two skills combine to improve individual and organizational efficacy in policing. Readers will come away with a stronger understanding of why organizational decisions matter and the impact research can have on police departments.

Introduction to Criminal Justice L. Thomas Winfree 2019-02-01 Student-centric and informative without being encyclopedic, the revised Second Edition of *Introduction to Criminal Justice: The Essentials*, focuses seamlessly on key topics without digression. Drawing from deep wells of teaching experience, this author team has created the text that they've always wanted for their own classes. Students will be able to understand the material intuitively, while still being challenged to think, read, and write critically. New to the Second Edition: New critical thinking questions at the end of every chapter that challenge students to do more than look for the "right answer" Updated crime figures and other criminal justice-related statistics New boxed inserts throughout the text, including discussion of what happens when crime-fighting theory fails to deliver in practice and an examination of recent challenges to the FBI's image New coverage of the role of the law enforcement academy in the standardization of policing training and practices New material on Technology and Law Enforcement that details the strengths and weaknesses associated with the use of conducted energy devices (i.e., Tasers) and body-worn cameras Updated and expanded look at police misconduct, including arrest-related citizen deaths Professors and students will benefit from: In-depth coverage of key topics that focuses on what students need to understand without extraneous coverage Seamless exposition and format Text boxes, tables, and other visual aids that convey information with perfect economy Critical reading, thinking, and writing tools built right into the text

Justice Administration Ken J. Peak 2015-01-16 This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. For courses in criminal justice administration *Justice Administration: Police, Courts, and Corrections Management* is a comprehensive and contemporary text that examines relevant facets of, and current topics relating to, criminal justice administration. It is written with a unique, real-world flavor and allows readers to apply their knowledge through "Deliberate and Decide" challenges included in every chapter. The logical organization of the text provides readers with a comfortable flow of information, beginning with a basic examination of the study and scope of justice administration and rights of criminal justice employees, followed by a focus on police, courts, and corrections agencies. It concludes with considerations of ethics, special challenges, financial administration, and technologies. Two appendices contain 28 case studies that challenge readers' knowledge and their application of related materials. The Eighth Edition has been substantially reorganized and includes updated topics in every chapter as well as new case studies.

Crime, Justice, and Society Ronald J. Berger 2001 This is a criminology text that is explicitly sociological in orientation and is designed to help students cultivate a sociological imagination to guide their thinking about crime and criminal justice. The book takes a critical approach and places questions of social inequality and power at the center of criminological inquiry. It views class, race/ethnicity, and gender as pivotal organizing principles of social life - prisms through which we come to know ourselves

and our social world and as central mechanisms by which social relationships are patterned.

American Book Publishing Record 2005

Police Theory in America Robert C. Wadman 2009 measurement of effective policing is based on a quick response to crime that has already been committed, the value of crime prevention has become an afterthought in America's police departments." "The middle chapters outline these issues and identify the strategies to improve police community relationships and adjust the measurements for effective policing. The concluding chapters identify strategies designed to facilitate police department organizational change. Using terms from the discipline of economics, a "micro" strategy and a "macro" strategy are outlined. A new theory of policing concludes the book." "The book is intended primarily as a textbook for criminal justice students, but it will also prove useful to police departments, police academies, city managers, and elected officials responsible for police administration and community safety." --Book Jacket.

African American Doctors of World War I W. Douglas Fisher 2015-12-03 In World War I, 104 African American doctors joined the United States Army to care for the 40,000 men of the 92nd and 93rd Divisions, the Army's only black combat units. The infantry regiments of the 93rd arrived first and were turned over to the French to fill gaps in their decimated lines. The 92nd Division came later and fought alongside other American units. Some of those doctors rose to prominence; others died young or later succumbed to the economic and social challenges of the times. Beginning with their assignment to the Medical Officers Training Camp (Colored)--the only one in U.S. history--this book covers the early years, education and war experiences of these physicians, as well as their careers in the black communities of early 20th century America.

Policing America Ken Peak 2014 This instructor and student-friendly, engaging text covers the most current policing topics and tactics. *Policing America: Challenges and Best Practices*, 8e, offers a problem-solving approach that emphasizes what is actually working in the field. Based on the author's thirty-plus years of practical policing and academic experience, this eighth edition continues to be set apart by its traditional, applied, "what works" theme. That, coupled with comprehensive updates throughout and the minor restructuring of this edition, provide an approach not otherwise found on the market. Emphases are on topics of major, national importance and interest, such as terrorism, personnel issues, community policing, investigations, rule of law, accountability (ethics, liability), patrol, and technologies. Organized to flow smoothly for the instructor and student, this edition continues to provide a penetrating view of one of the most difficult and challenging occupations in America: policing! Teaching and Learning Experience This book offers complete coverage of policing, examining emerging areas in the field. It provides: Problem-solving, real-world approach: Emphasizes what really works in the field Complete coverage of policing topics and tactics: Gives students a comprehensive understanding of the police in America Hands-on focus and superior pedagogical features: Gives students the tools to master key concepts faster and more effectively Note: this is the standalone book, if you want the book/access card order the ISBN below: 0133571696 / 9780133571691 *Policing America: Challenges and Best Practices* with MyCJLab Access Code Card Valuepack Package consists of: 0132946807 / 9780132946803 NEW MyCJLab -- Access Card 0133495655 / 9780133495652 *Policing America: Challenges and Best Practices*

Lincoln's Citadel: The Civil War in Washington, DC Kenneth J. Winkle 2013-08-19 The stirring history of a president and a capital city on the front lines of war and freedom. In the late 1840s, Representative Abraham Lincoln resided at Mrs. Sprigg's boardinghouse on Capitol Hill. Known as

Downloaded from avenza-dev.avenza.com
on December 2, 2022 by guest

Abolition House, Mrs. Sprigg's hosted lively dinner-table debates of antislavery politics by the congressional boarders. The unusually rapid turnover in the enslaved staff suggested that there were frequent escapes north to freedom from Abolition House, likely a cog in the underground railroad. These early years in Washington proved formative for Lincoln. In 1861, now in the White House, Lincoln could gaze out his office window and see the Confederate flag flying across the Potomac. Washington, DC, sat on the front lines of the Civil War. Vulnerable and insecure, the capital was rife with Confederate sympathizers. On the crossroads of slavery and freedom, the city was a refuge for thousands of contraband and fugitive slaves. The Lincoln administration took strict measures to tighten security and established camps to provide food, shelter, and medical care for contrabands. In 1863, a Freedman's Village rose on the grounds of the Lee estate, where the Confederate flag once flew. The president and Mrs. Lincoln personally comforted the wounded troops who flooded wartime Washington. In 1862, Lincoln spent July 4 riding in a train of ambulances carrying casualties from the Peninsula Campaign to Washington hospitals. He saluted the "One-Legged Brigade" assembled outside the White House as "orators," their wounds eloquent expressions of sacrifice and dedication. The administration built more than one hundred military hospitals to care for Union casualties. These are among the unforgettable scenes in Lincoln's Citadel, a fresh, absorbing narrative history of Lincoln's leadership in Civil War Washington. Here is the vivid story of how the Lincoln administration met the immense challenges the war posed to the city, transforming a vulnerable capital into a bastion for the Union.

Strengthening Forensic Science in the United States National Research Council 2009-07-29 Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. *Strengthening Forensic Science in the United States: A Path Forward* provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. *Strengthening Forensic Science in the United States* gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

American Corrections Todd R. Clear 2015-01-01 Long at the forefront of the course and now in its Eleventh Edition, AMERICAN CORRECTIONS has been a trusted resource for introducing students to the dynamics of corrections in a way that captures their interest and encourages them to enter the field. Complete with valuable career-based material, insightful guest speakers, illuminating real-world cases, and uniquely even-handed treatment of institutional and community sanctions, the text examines the U.S. correctional system from the perspectives of both the corrections worker and the offender, providing students with the most well-rounded, balanced introduction to corrections available. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Introduction to Corrections Richard Tewksbury 2014-07-03 This is that book: The one that is authoritative and readable. The one that covers the subject thoroughly, but is always manageable,
