XXVI Olympiad Carl Posey 2015-11-18 XXVI Olympiad, the twenty-fourth volume in The Olympic Century series, begins with the celebration of the centenary of the modern Olympic movement at the 1996 Atlanta Summer Games. Atlanta played host to a then-record 197 nations, many of which did not exist when the modern Olympics began in 1896. The Atlanta Games were an Olympics of firsts: they were the first Summer Games since 1920 that were not celebrated in the same year as the Winter Games, and 14 nations would win their first-ever Olympic medal in Atlanta. The book profiles heroes of the Games like sprinter Deon Hemming, who won the first ever gold medal for Jamaica, and the US women's soccer team, which claimed gold in the first Olympic tournament for women in that sport. Other athletes profiled include Canadian sprinter Donovan Bailey, who won the dramatic 100-metre final in a world record time of 9.84 seconds, then went on to add another gold in the 4x100 relay. The book also recounts the tragic bombing of Centennial Olympic Park in downtown Atlanta during the Games that killed two people and injured 111 others. Following Atlanta, the book explores the 1998 Winter Games of Nagano, Japan. It profiles stars like 15-year-old American figure skater Tara Lipinski, who became the youngest ever Winter Olympic champion in an individual event, and Norwegian cross-country skier Bjorn Daehlie, who won three golds to take his personal total to eight from three Games. Juan Antonio Samaranch, former President of the International Olympic Committee, called *The Olympic Century*, "e;The most comprehensive history of the Olympic games ever published"e;.

It's Not About Perfect Shannon Miller 2015-04-21 "When the odds were against me, I was always at my best." When she retired at age 19, Shannon Miller did so as one of the most recognizable gymnasts in the country. The winner of seven Olympic medals and the most decorated gymnast, male or female, in U.S. history, Shannon tells a story of surviving and thriving. A shy, rambunctious girl raised in Oklahoma, Shannon fell in love with gymnastics at a young age and fought her way to the top. In 1992 she won five Olympic medals after breaking her elbow in a training accident just months prior to the Games. Then, in 1996, a doctor advised her to retire immediately or face dire consequences if she chose to compete on her injured wrist. Undeterred, Shannon endured the pain and led her team, the "Magnificent Seven," to the first Olympic team gold medal for the United States in gymnastics. She followed up as the first American to win gold on the balance beam. Equally intense, heroic and gratifying is the story of her brutal but successful battle with ovarian cancer, a disease from which fewer than fifty percent survive. Relying on her faith and hard-learned perseverance, Shannon battled through surgery and major chemotherapy to emerge on the other side with a miracle baby girl. Her story of trial, triumph and life after cancer reminds us all that its life's bumps and bruises that reveal our character. From early on in her career, Shannon knew that life wasn't about perfection. In this incredible and inspirational tale, Shannon speaks out so as to be seen and heard by thousands as a beacon of hope.

The Awkward Phase Tyler Gillespie 2016-02-02 Based on the popular Tumblr, a collection of funny stories that commemorate the awkward phases in our lives. Back in the 1990s, when slap bracelets and Velcro ruled supreme, two adolescents were stumbling their way through life on gangly limbs. One, Claire Linic, had self-permed her bowl cut, and the other, Tyler Gillespie, had purchased self-tanner, telling the cashier it was for his girlfriend. Now in their twenties and still just a tiny bit awkward, Linic and Gillespie have joined forces to ask the question, "If we could talk to our fourteen-year-old selves, what would we tell them now?" Based on the hit Tumblr "The Awkward Phase," this book answers that question with personal stories and cringe-worthy photos from seasoned comedians, YouTube stars, and people like the rest of us that cover everything from sweaty-palm moments to bad band photos. In these pages, you'll hear about the moment Shaun Sperling realized he was gay at a Richard Simmons's workout studio, how Bente Engelstoft made her own bra out of her dad's old underwear, and why even though Robert Bacon's awkward phase was mortifying, it was the beginning of his new, happier life. Ultimately, *The Awkward Phase* encourages us to laugh and celebrate the moments that have helped shape who we are. As Gillespie and Linic say, "Everyone is in on the joke. You don't have to eat your lunch alone in the bathroom stall. You can sit with us."
