Locked-In Love: How Two Weeks in Chastity Can End the Barter System, Renew Courtship and Make a Better Husband. Key Barrett 2018-09-24 Author Key Barrett started out writing a journal for chastity. He decided that he wanted to be locked up in chastity for seven days in order to better understand the motivation behind chastity and the emotional aspects so he could write about it with greater understanding in both his fiction and nonfiction. So he spoke with his wife and she agreed to let him go seven days in chastity with her holding the key, only unlocking him if he needed it for safety reasons, to make sure everything is working properly, or if she had sexual interest in freeing him. What started as a simple one week journal quickly blossomed into something else entirely. By the third day he was feeling butterflies just when his wife touched his hand. By day four, she noticed he was much more engaged in their household and being an active and proactive partner. What started as a week for him quickly became two weeks for them both to journal. Through chastity and communication, they identified a sexual trade-off that existed in their marriage, a 'barter system' wherein every action he engaged in had an undercurrent of sexual pressure, a literal tat-for-tit. Freed from it through a chastity device, they were able to enjoy each other on a more meaningful and trusting level. And in lowering the quantity of sex, they raised the quality. This book takes what they learned, plus surveys and research derived from male chastity users, and shows couples how they too can end the barter system, increase communication and bring back the courtship phase, butterflies and all. Learn what you can do to improve your marriage, increase intimacy, feel more connected emotionally, and make her daily life easier with a simple, sexy, fun exercise in chastity.

Male Chastity Keyholder Guide Mistress Dede 2015-01-08 There is a lot of variety in the world of fetish and kink, with limitless possibilities for creativity in sensual play. Many people unfamiliar with this lifestyle immediately focus on the more obvious or superficial aspects, like honorific nicknames or corsets and leather boots. But for people who participate in fetishes as a lifestyle, the practices and games are an essential part of their relationship, with its own set of rules and standards. One particularly interesting subculture within the world of kink is that of the female keyholder and her chastised male subordinate. The phrase "male chastity" probably immediately spooks some men, or excites others (whether they are willing to admit it or not). Either attitude is amusing to the sophisticated woman with a predilection for domination and control. For submissive men, there are many benefits to a male chastity arrangement. The calculating domme will use all of her feminine charms to her advantage, establishing a system of rules meant to keep her man under lock and key. Literally. The popularity of male chastity devices has soared in recent years, and although this be taboo, it's something many people talk about behind closed doors. Conveniently hidden under clothes, male chastity devices provide necessary restriction for the man and allowing his dominant complete control over his orgasms. These devices are a valuable tool for the modern dominant woman, and excellent for contemporary "tease and denial" games. Exploring male

chastity can be a fun new game for adventurous couples, or a complete long-term lifestyle for kinky pairs. Whatever the relationship type, employing a male chastity device sends a clear message: he's on lockdown, and she holds the key.

Ms. Green's approach to controlling your man makes 'Tips & Tricks For Keyholders' one of the best, most insightful books of its kind. Male Chastity Challenge Workbook for Loving Couples Darius Night 2021-09-26 Male Chastity Workbook for Loving Couples: Locktober can be read by those new to the practice of male chastity or by more seasoned practitioners. This monthly program with the daily tasks will keep even the more experienced spouses satisfied and locked submissives' hearts pumping hard in that sweet agony of unfulfilled desire. Male chastity is a practice that is often associated with female domination, female-led relationship (FLR), cuckolding, sissification, and forced bi. But just as often, there is nothing more than the loving relationship between the couple and the devotion from the male to focus all his sexual energy towards his partner. In this workbook, the tone and the tasks are relatively neutral regarding the other practices that you, Dear Reader, might be engaged with. There's a leaning towards female domination, which I believe goes quite naturally with the fact that she is the guardian of his orgasms. This monthly program runs through the entire Locktober, beginning on the 1st and ending only on the 31st of October. And as the name suggests, there will be no cumming for the male during the duration. Maybe in the very end, maybe not. You will have to follow through with the program to find out. Chapters are numbered as the days of the month, and each chapter describes the task for the day. The only equipment you need is a male chastity device--everything else you already have. And rest assured, the Keyholder will have the most sexually fulfilled month of her life.

Doing It Wrong Elliot Silvestri 2021-08-20 When my husband bared his soul to me and told me his secret kink--that he wanted to wear a chastity cage and needed me to be his keyholder--I was more than a bit surprised. It focuses on male chastity, a female led relationship, group sex, multiple partners, cheating partners, risky sex, elements of BDSM, and other sexually explicit themes and language that not all members of the public will enjoy. Originally published in five parts. All characters are 18 or older. Excerpt: I didn't realize it until well after the fact, but my husband's confession to me was probably the bravest act he had ever undertaken in our relationship. It was possibly the bravest act he had ever performed in his life. We hadn't even been married that long. Seven years. Two kids. Two young kids. Check the statistics, that's when married couples tended to end their relationships. A kid or two and having been in a committed, monogamous relationship for seven years. I could sense it. My husband and I were drifting away. As a last ditch effort Wayne presented me with a ring. It wasn't a fancy diamond encrusted piece of jewelry

designed to keep gold digging women with their successful husbands. It was a simple stainless steel ring maybe an inch and a half in diameter. It had a hinge and a locking mechanism to keep it closed. Needless to say, I was puzzled. "What is it?" "It's a chastity cage...you know...for my..."
