"One day. . . I went to school. I came home. The end," says our storyteller—a girl with a busy imagination and a thirst for adventure. The art tells a fuller tale of calamity on the way to school and an unpredictably happy ending. Each illustration in this inventive picture book captures multiple, unexpected, and funny storylines as the narrator shares her shorter-than-ever stories, ending with "One day. . . I wanted to write a book." The Children's Story James Clavell 2014-11-12 It was a simple incident in the life of James Clavell—a talk with his young daughter just home from school—that inspired this chilling tale of what could happen in twenty-five quietly devastating minutes. He writes, "The Children's Story came into being that day. It was then that I really realized how vulnerable my child's mind was —any mind, for that matter—under controlled circumstances. Normally I write and rewrite and re-rewrite, but this story came quickly—almost by itself. Barely three words were changed. It pleases me greatly because I kept asking the questions... Questions like, What's the use of 'I pledge allegiance' without understanding? Like Why is it so easy to divert thoughts? Like What is freedom? and Why is so hard to explain? The Children's Story keeps asking me all sorts of questions I cannot answer. Perhaps you can—then your child will...."

The Professional Dog Sue Clancy 2021-11-16 In this abecedarian art album, The Professional Dog, Sue Clancy shares handmade portraits she created of her friends' dogs in alphabetical order by profession (job) along with an adjective (descriptive word) in a sentence about each dog. Clancy's text and book concept are inspired by a 19th century word game called "The Minister's Cat". Can you think of more professions and adjectives in alphabetical order than there are in this book? This book was made because Clancy believes that children need books of fine art too - any vocabulary building there may be in this book is a bonus.

seem to ask themselves, at which point being “them” simply isn’t enough. They want to be someone better. Many kids want to change their names. This is what happened to Wilma Lee Wu. One day, Wilma decides she no longer likes her name, and she sets off for the Change Your Name Store to find a new one. Once at the store, the possibilities seem endless. Mrs. Zeena McFooz, the store-owner, says that Wilma can try out any new name she wants with one catch: she must “go for a ride” to discover what it means to be that name. Will being Babette Bijou from France be better than Wilma Lee Wu? What about Dominga Delfino from Belize? Featuring an exciting story of discovery from author and humor blogger Leanne Shirliffe (of IronicMom.com), and fun, simple illustrations by Tina Kügler, The Change Your Name Store takes children on a journey to find their true identity and to celebrate who they are—name and all. Children ages 3 to 6 will be able to relate to Wilma's search for who she really is. The book promotes diversity, which is an important topic to kids to understand at an early age, and will be a good addition to preschool classrooms and urban homes in particular. Zeena McFooz is gentle and matter-of-fact, and the tone of the book is one of exploration and celebration of our individuality. The illustrations are sure to captivate kids' attention while helping to bring this important message to life.
