Selected Poems Rudyard Kipling 2006-06-29 Rudyard Kipling (1865-1936) is often regarded as the unofficial Laureate of the British Empire. Yet his writing reveals a ferociously independent figure at times violently opposed to the dominant political and literary tendencies of his age. Arranged in chronological order, this diverse selection of his poetry shows the development of Kipling's talent, his deepening maturity and the growing sombreness of his poetic vision. Ranging from early, exhilarating celebrations of British expansion overseas, including 'Mandalay' and 'Gunga Din', to the dignified and

inspirational 'If -' and the later, deeply moving 'Epitaphs of the War' - inspired by the death of Kipling's only son - it clearly illustrates the scope and originality of his work. It also offers a compelling insight into the Empire both at its peak and during its decline in the early years of the twentieth century.

Wordsworth William Wordsworth 2016-11-03 William Wordsworth is chiefly remembered as one of the 'Lake Poets'. Yet he was also one of the founders of English Romanticism, a writer whose early revolutionary fervor imbued his verse and his ideals. Much of Wordsworth's work was inspired by nature, but to a style rich in lyrical imagery he brought a deep interest in liberal humanitarianism and a profound concern for the lives, habits and speech of ordinary people, especially country people. This collection includes: 'I wandered lonely as a cloud' ('Daffodils'), 'Ode. Intimations of Immortality', 'Character of the Happy Warrior', 'The Solitary Reaper', 'To a Sky-Lark', 'Tintern Abbey', and extracts from 'The Prelude'.

Dust If You Must Rose Milligan 2023-03-02 A classic poem with a timeless message, presented in a small and beautiful gift book. Rose Milligan never intended to publicly share her poem 'Dust If You Must', but a series of events led her to publish it in The Lady magazine in 1998. Her charming message about what we value in life resonated with audiences, and it has since been read on BBC radio, posted on Instagram, printed on tea towels and put to music. Now appearing as a book for the first time, beautifully illustrated throughout, Dust If You Must is a timeless reminder to focus on the things we can enjoy in the world, rather than the things we think we need to do.

collection of stories by British Nobel laureate Rudyard Kipling. The Jungle Book stories were first published in magazines in 1893–94. The original publications contain illustrations, some by Rudyard's father, John Lockwood Kipling. Kipling was born in India and spent the first six years of his childhood there. After about ten years in England, he went back to India and worked there for about six-and-half years. The Jungle Book stories were written when Kipling lived in Vermont. The tales in the book (and also those in The Second Jungle Book which followed in 1895, and which includes five further stories about Mowgli) are fables, using animals in an anthropomorphic manner to give moral lessons.

Keats John Keats 2016-11-03 Arguably the greatest of all the English Romantic poets, John Keats left behind him an astonishingly large body of work almost as remarkable for its maturity as for its beauty. Whether in longer narrative works like 'The Eve of St Agnes', or in such sonnets as 'On First Looking Into Chapman's Homer', or in magnificent odes like those 'To a Nightingale' and 'To Autumn', his verse resonates with lyricism and with sensuous imagery, however melancholy his tone or his subject. His finest poems are among the greatest in the language; almost all of them strike a chord in the heart of even the most jaded reader. This compact selection includes many of Keats's greatest shorter poems, as well as extracts from his longer works.

Pocket Poetry Fritzie 2015-03-28 This is something most writers could do without. The part of writing about your life. I mean, you see my Poetry and have already some kind of knowledge about me in front of you, because all the things I've written about are part of the experience which shaped my life so far. So, some hard facts are necessary that you can make up your mind and consider what all this is about. I was born 1960 in West Germany in a small countryside village near the border to the then GDR, nothing but forest and nature. My parents owned a bakery and a pub, all in the house we were living in, with my three siblings and my grandparents. I was married for 22 years and have four children and four grandchildren. I stayed at home when my children were little, had my own ironing and catering business in our house; later I was cashier in a wonderful bookshop, then moved on to Housekeeping, to use my education and be a professional Home Economic Manager and Domestic Science Trainer, first all over Germany, a bit in Norway and since 2007 in London and the Cotswolds. The nickname Fritzie (by the way the first nickname I ever had and immensely proud of it) is easy to read and speak, which is not always the case with German names, hence the reason of it's use.

century, Rudyard Kipling towered over not just English literature but the entire literary world. At the height of his fame in 1907, he was awarded the Nobel Prize for Literature, becoming its youngest winner. His influence on major figures—including Freud and William James—was pervasive and profound. But in recent decades Kipling's reputation has suffered a strange eclipse. Though his body of work still looms large, and his monumental poem "If—" is quoted and referenced by politicians, athletes, and ordinary readers alike, his unabashed imperialist views have come under increased scrutiny. In *If*, scholar Christopher Benfey brings this fascinating and complex writer to life and, for the first time, gives full attention to Kipling's intense engagement with the United States—a rarely discussed but critical piece of evidence in our understanding of this man and his enduring legacy. Benfey traces the writer's deep involvement with America over one crucial decade, from 1889 to 1899, when he lived for four years in Brattleboro, Vermont, and sought deliberately to turn himself into a specifically American writer. It was his most prodigious and creative period, as well as his happiest, during which he wrote *The Jungle Book* and *Captains Courageous*. Had a family dispute not forced his departure, Kipling almost certainly would have stayed. Leaving was the hardest thing he ever had to do, Kipling said. "There are only two places in the world where I want to live," he lamented, "Bombay and Brattleboro. And I can't live in either." In this fresh examination of Kipling, Benfey hangs a provocative "what if" over Kipling's American years and maps the imprint Kipling left on his adopted country as well as the imprint the country left on him. *If* proves there is relevance and magnificence to be found in Kipling's work.

Gunga Din and Other Favorite Poems Rudyard Kipling 2012-08-02 Treasury of 44 poems recalls British character and attitudes at the height of the Empire. "Gunga Din," "Danny Deever," "If—," "The White Man's Burden," many others, reprinted from standard texts. Notes.

What Work Is Philip Levine 2011-08-31 Winner of the National Book Award in 1991
“This collection amounts to a hymn of praise for all the workers of America. These proletarian heroes, with names like Lonnie, Loo, Sweet Pea, and Packy, work the furnaces, forges, slag heaps, assembly lines, and loading docks at places with unglamorous names like Brass Craft or Feinberg and Breslin’s First-Rate Plumbing and Plating. Only Studs Terkel’s *Working* approaches the pathos and beauty of this book. But Levine’s characters are also significant for their inner lives, not merely their jobs. They are unusually artistic, living ‘at the borders of dreams.’ One reads *The Tempest* ‘slowly to himself’; another ponders a diagonal chalk line drawn by his teacher to suggest a triangle, the roof of a barn, or the mysterious separation of ‘the dark from the dark.’ *What Work Is* ranks as a major work by a major poet . . . very accessible and utterly American in tone and language.” –Daniel L. Guillory, *Library Journal*

Kipling Rudyard Kipling 2016-11-03 'If-' is, by British readers' choice, the most popular poem in the language. This selection of Rudyard Kipling's verse contains not only this classic, but many of his greatest poems, in testimony to a writer who possessed a precocious gift for rhyme and a brilliant ear for language, coupled with a pin-sharp use of spare, vivid imagery. This collection also includes: 'Tommy', 'The Way Through the Woods', 'Recessional', 'Boots', 'The Female of the Species', 'Mandalay', 'Gunga Din', 'The Young British Soldier' and many more of Kipling's greatest poems.

Kipling: Poems Rudyard Kipling 2013-10-23 Beloved for his fanciful and engrossing children's literature, controversial for his enthusiasm for British imperialism, Rudyard Kipling remains one of the most widely read writers of Victorian and modern English literature. In addition to writing more than two dozen works of fiction, including *Kim* and *The Jungle Book*, Kipling was a prolific poet, composing verse in every classical form from the epigram to the ode. Kipling's most distinctive gift was for ballads and narrative poems in which he drew vivid characters in universal situations, articulating profound truths in plain language. Yet he was also a subtle, affecting anatomist of the human heart, and his deep feeling for the natural world was exquisitely expressed in his verse. He was shattered by World War I, in which he lost his only son, and his work darkened in later years but never lost its extraordinary vitality. All of these aspects of Kipling's poetry are represented in this selection, which ranges from such well-known compositions as "Mandalay" and "If" to the less-familiar, emotionally powerful, and personal epigrams he wrote in response to the war.
