Vachanamrut in English Bhagwan Shree Swaminarayan 2019-10-26 It is a great pleasure for us to publish the spiritual scripture Vachanamrutam translated in English, by the grace of Purna Purushottam Bhagwan Shree Swaminarayan. There is an acute demand for English Vachanamrutam, not only from the devotees from India and abroad but also from other learned persons interested in philosophical literature, specially in the philosophy professed by Bhagwan Shree Swaminarayan Mahaprabhu. Shri Swaminarayan Gurukul, Rajkot has published a number of religious and philosophical books. Further Shikshapatri has been published duly translated in English and this book will be an appreciable addition not only to the literature of Shree Swaminarayan Mission, but also to the Philosophical Literature of the World. It was the desire of Reverend Pujya Sadguru Shastriji Maharaj, Shri Dharmajivandasji Swami, the founder of Shri Swaminarayan Gurukul, Rajkot and its branches, to get the Vachanamrutam translated in English. Rev. Purani Swami Shri Premprakashdasji was also giving inspiration for this important translation. By their blessings and resultant God's grace, the Vachanamrutam, translated in English is now published by shri Swaminarayan Gurukul, Rajkot. Pujya Shastriji Maharaj always emphasised the need of reading Vachanamrutam daily and for understanding the same. His method of explaining the underlying principles of Vachanamrutam was extraordinary and unique. At this juncture, I am pleased to note here that the translation of Vachanamrutam done by Late Dr. Jagmohandas J. Mody was handed over by him to this Gurukul for publication, thro' Shri Mahendrabhai Shelat, the Late editor of Sadvidya. The most valuable services rendered by Dr. Shri Jagmohandas Mody for this will ever be remembered. He has done this translation in his retired life with deep interest. Further his eldest son Dr. Shri Raghuvirbhai Mody has also taken the opportunity of rendering some monetary services fot this publication. May Bhagwan Shri Swaminarayan bestow eternal peace to Late Dr. J. J. Mody in His divine abode Akshardham and give happiness and affinity to our holy fellowship to all his sons Dr. Shri Raghuvirbhai Mody, Shri Kunjviharibhai

Mody, Dr. Vibhakarbai Mody and Shri Sudhakarbai Mody and his family. Shri Mahendrabhai Nandlal Shelat has minutely gone thro' the translation and has rendered good services for editing and carrying out necessary additions and alterations in the translation of Vachanamrutam and also in the Introductory Chapter to put the translation in proper and final form for publication. He had also compiled the informative Index and translated the Vachanamrutam, known as 'Khagol-Bhugol' Vachanamrutam. May Bhagwan Shri Swaminarayan bestow eternal peace to Late M.N. Shelat in His Akshardham and give happiness to his son Ambarish and bestow more strength for rendering services for Shri Swaminarayan Mission. I am glad to note here that the introductory chapter has been translated by Hon. Justice Shri S. D. Dave the High Court Judge, of Gujarat High Court, sparing valuable time from his active busy life. May the choicest blessings of Bhagwan Shri Swaminarayan be showered on him and his family for all kinds of happiness and for still higher achievements in life. Here I take the special note of our institute Hyderabad Gururul where computerised type setting has been done accurately and carefully for this third crown size edition. Moreover Swami Laxminarayandasji the editor of 'Sadvidya' has taken the special care for proof checking and page setting work. He also tried his best to revise as well as to review this translation and has corrected some references wherever required. May Lord Shree Swaminarayan give him more strength for rendering services for Religious literature. Our elderly Saint Pujyapad Shri Jogi Swami Shri Hariprakashdasji who has the references of all the Vachanamrutams on the tip of his tongue and who is always engrossed in meditation and devotion conveys his blessings to all who have given services for this publication directly or indirectly and to all other devotees and readers of this Vachanamrutam. At this juncture I hope this English translation of the Vachanamrutam would be instructive and inspiring to all for achieving the final goal of life.

In Pursuit of Elegance Matthew E. May 2010-09-07 What made the Sopranos finale one of the most-talked-about events in television history? Why is sudoku so addictive and the iPhone so darn irresistible? What do Jackson Pollock and Lance Armstrong have in common with theoretical physicists and Buddhist monks? *Elegance*. In this thought-provoking exploration of why certain events, products, and people capture our attention and imaginations, Matthew E. May examines the elusive element behind so many innovative breakthroughs in fields ranging from physics and marketing to design and popular culture. Combining unusual simplicity and surprising power, elegance is characterized by four key elements—seduction, subtraction, symmetry, and sustainability. In a compelling, story-driven narrative that sheds light on the need for elegance in design, engineering, art, urban planning, sports, and work, May offers surprising evidence that what’s “not there” often trumps what is. In the bestselling tradition of *The Tipping Point*, *Made to Stick*, and *The Black Swan*, *In Pursuit of Elegance* will change the way you think about the world.
