Autobiography of a Sex Worker Nalini Jameela 2007 Sex workers are free in four respects: we don't have to cook for a husband; we don't have to wash his dirty clothes; we don't have to ask for his permission to raise our kids as we deem fit; we don't have to run after a husband claiming rights to his property. Fiery, outspoken and often wickedly funny, this candid account of one woman's life as a sex worker in Kerala became a bestseller when it was first published in Malayalam. Nalini Jameela, who takes her name from both Hindu and Muslim traditions, worked as a child in the clay mines. She has been a wife, mother, successful business woman and social activist as well as a sex worker at different stages of her life. Book Seven of the Warlocks MacGregor® series by NY Times and USA TODAY Bestselling Author, Michelle M. Pillow.

___ About the Warlocks MacGregor® Series People know magic is fake--card tricks and illusions, magicians and entertainers. But there is an older magick, a powerful force hidden from modern eyes, buried in folklore and myths, remembered by the few who practice the old ways and respect the lessons of past generations. The term "warlock" is a variation on the Old English word waerloga, primarily used by the Scots. It meant traitor, monster or deceiver. This fiction-based family includes males and females of magick. The MacGregors do not agree with how history has labeled them, or other supernaturals. To them, warlock means magick, family, and immortality. This series is not a portrayal of modern-day witchcraft or those who hold such beliefs. The MacGregors are a magickal class all their own. Warning: Contains yummy, hot, mischievous MacGregors who are almost certainly up to no good on their quest to
