When You're Mine Layla Hagen 2021-06-06 Take New York by storm and steer clear of serious relationships. That's the plan. That's the goal. It's easy too, now that my software company is making headlines. Nothing is getting in the way of that--not even my sexy personal trainer. I don't care how beautiful and intriguing she is. Mel Dawson keeps talking me into doing things, like watching the sunset and slowing down to enjoy life. When she trains me, and I watch her body, I'm constantly fantasizing about exploring every inch of it all night long, claiming her mouth every time she gives me a sassy reply. I don't even know who I am when I'm with her. I'm suddenly a completely different man. But, I like this version of myself better. Mel's smart, determined, and keeps me guessing. She's everything I need and want, but I've been burned before. I'm used to taking chances in the boardroom, just not in my personal life. How much am I willing to risk for a chance to make her mine?

You Don't Need a Ph. D. to Find G-O-d James Finke 2021-02-09 This is a

Christian Apologetics book, which means it explains why Christianity is true and why that impacts every person on the planet... It illustrates how it takes a massive amount of blind faith to believe there is no God... But to tell you the truth, that's been done before, and it's been done masterfully by many much more qualified apologists than James Finke... Think Frank Turek and Norm Geisler in "I Don't Have Enough Faith to Be an Atheist," J. Warner Wallace in "Cold-Case Christianity," C.S. Lewis in "Mere Christianity," or Rebecca McLaughlin in "Confronting Christianity," just to name a few... So, what's different about this book? Perspective. James is not a pastor or a professional apologist. He is just a "regular guy" with the same fundamental questions as you: Is there a purpose for my life? Will I someday see my friends and relatives again that have passed away? What religion is "right?" Is there a right and wrong way to live? Should I be going to church? After years of investigation, James boils down his takeaways and shares them as only a "regular guy" can. Expert scientific research is referenced, but forget about hyper-technical scientific discussion or religious terms you're not familiar with. You will learn from this book whether you're a devout Christ follower, have never set foot in church, or lie somewhere in between. Biblical truths are taught using everyday topics ranging from baseball to panic attacks to conversations with a 6-year-old. If you're already a Christian, get ready to be equipped. There is nothing more loving you can do than to share the Good News of Jesus Christ with others, and this book will train you up to do that. If you've not yet put your faith in Jesus, any other changes you're making in your life is just rearranging deck chairs on the Titanic. If you're open to the truth, it's here for you... From the editor... This book is amazing and truly inspiring. It reveals and opens the reader's heart to a lot of hidden knowledge about the awesomeness of Jesus. This book serves the purpose of which it is written, which is to fully open the eyes of man to the fact that God is real and can be seen when we simply look around us. I would strongly recommend this book to everyone, especially those still in doubt of the existence of God.

Worse, what if Satan does? Then there's her love life-after-death. Rooming with a dead French cop no one else can see is complicated enough. But when Jason, Geordi's lying Dioguardi Demon cousin, resurrects himself—so to speak—all Hell breaks loose. Literally. Good with His Hands Lili Valente 2020-11-23 "I'm the wrong guy for her. She's sunshine, and cherry pie. I'm whiskey and fast cars. I'm also keeping one hell of a secret from the woman I've wanted for years. But when I find a list my sister left behind for Ruby, I've got no choice but to offer the sexy, big-hearted girl next door both a road trip and a chance. A chance to discover how big she can dream. And if some of those dreams play out in the bedroom? Well, there's nothing wrong with a few -- okay, several -- hot nights together as we hit the beach, visit old stomping grounds, and test all sorts of limits, in and out of the sheets. Seven days, then I'm off, moving across the country, far away from her. No way can things get complicated in a week. Ruby and I aren't the kind of dream that has a shot of coming true. Especially once she learns what I've done."--Back cover.
