In the After Demitria Lunetta 2013-06-25 In debut author Demitria Lunetta's heart-pounding thriller, one girl must fight for her survival in a world overrun by violent, deadly creatures. Perfect for fans of New York Times bestsellers like *The 5th Wave* and *Across the Universe*. Amy Harris's life changed forever when They took over. Her parents—vanished. The government—obsolete. Societal structure—nonexistent. No one knows where They came from, but these vicious creatures have been rapidly devouring mankind since They appeared. With fierce survivor instincts, Amy manages to stay alive—and even rescues "Baby," a toddler who was left behind. After years of hiding, they are miraculously rescued and taken to New Hope. On the surface, it appears to be a safe haven for survivors. But there are dark and twisted secrets lurking beneath that could have Amy and Baby paying with not only their freedom . . . but also their lives.

Firstlife Gena Showalter 2016-02-23 The instant New York Times bestseller! "Utterly unique and absolutely riveting—I couldn't put it down! What a marvelously cool world."—New York Times bestselling author Sarah J. Maas From the author of the New York Times bestselling *White Rabbit Chronicles* series comes the first book of a series in which life as we know it is merely a dress rehearsal, and real life begins after death. Tenley "Ten" Lockwood is an average seventeen-year-old girl...who has spent the past thirteen months locked inside the Prynne Asylum. The reason? Not her obsession with numbers, but her refusal to let her parents choose where she'll live—after she dies. There is an eternal truth most of the world has come to accept: *Firstlife* is merely a dress rehearsal, and real life begins after death. In the *Everlife*, two realms are in power: Troika and Myriad, longtime enemies and deadly rivals. Both will do anything to recruit Ten, including sending their top Laborers to lure her to their side. Soon, Ten finds herself on the run, caught in a wild tug-of-war between the two realms who will do anything to win the right to her soul. Who can she trust? And what if the realm she's drawn to isn't where the boy she's falling for lives? She just has to stay alive long enough to make a decision... Books in the *Everlife* series: *Firstlife* *Lifeblood* *Everlife*

Méto : La Maison Yves Grevet 2010-11-25 Soixante-quatre enfants vivent coupés du monde, dans une grande maison à l'organisation très stricte. Chacun d'eux sait qu'il devra en partir lorsqu'il aura trop grandi. Mais qu'y a-t-il après la Maison ?... Le premier tome de cette époustouflante trilogie d'Yves Grevet a reçu 12 prix littéraires à ce jour. Soixante-quatre enfants, répartis en quatre classes d'âge (les Bleu clair, les Bleu foncé, les Violets et les Rouges), passent quatre années enfermés dans une grande maison aux règles de vie très rigides et méticuleusement définies, où le sport - étonnant jeu de l'Inche auquel on joue à quatre pattes, la balle entre les dents... - et l'instruction - cours de biologie et d'agriculture essentiellement - tiennent une grande place. Tout écart de conduite est sévèrement puni par les "César", des personnages énigmatiques qui apparaissent au moment où l'on s'y attend le moins, et ont toujours un oeil sur tout. Aucun des enfants n'a de souvenirs de son passé, mais tous sont persuadés qu'ils ont beaucoup de chance d'être hébergés dans la Maison et vivent dans la hantise que leur lit ne "craque" - les lits sont extrêmement fragiles. Car dès lors qu'un Rouge dépasse la taille réglementaire et brise son lit, il sort de la Maison et on ne le revoit plus jamais...

Méto : Le Monde Yves Grevet 2010-11-25 Un tome 3 qui dépasse tout ce que le lecteur des tomes 1 et 2 pouvait rêver ! De retour à la Maison, Méto est séparé de ses proches et désigné aux yeux de tous comme le " traître ". Mais les César le conduisent bientôt dans une partie de la grande demeure tenue secrète et réservée aux membres du groupe E, une élite chargée d'effectuer des missions sur le continent... "Le Monde" autour de l'île enfin dévoilé au lecteur, des révélations en cascade, une vertigineuse uchronie sur notre histoire moderne.

The Sky Inside Clare B. Dunkle 2010-12-21 Martin lives in a perfect world. Every year a new generation of genetically-engineered children is shipped out to meet their parents. Every spring the residents of his town take down the snow they've stuck to their windows and put up flowers. Every morning his family gathers around their television and votes, like everyone else, for whatever matter of national importance the president has on the table. Today, it is the color of his drapes. It's business as usual under the protective dome of suburb HM1. And it's all about to come crashing down. Because a stranger has come to take away all the little children, including Martin's sister, Cassie, and no one wants to talk about where she has gone. The way Martin sees it, he has a choice. He can remain in the dubious safety of HM1, with danger that no one wants to talk about lurking just beneath the surface, or he can actually break out of the suburb, into the mysterious land outside, rumored to be nothing but blowing sand for miles upon miles. Acclaimed author Clare B. Dunkle has crafted a fresh and fast-paced science-fiction thriller, one that challenges her characters -- and her readers -- to look closer at the world they take for granted.

Oblivion Jennifer L. Armentrout 2015-12-01 "An unmissable series!" -Samantha Young, New York Times bestselling author of On Dublin Street "This is the stuff swoons are made of." Wendy Higgins, New York Times bestselling author of Sweet Evil In this special eBook version, experience OBSIDIAN, ONYX, and OPAL as told by Daemon Black... This book is enhanced with exclusive content—two original songs inspired by the novel—resulting in a large file that may take longer to download than expected. I knew the moment Katy Swartz moved in next door, there was going to be trouble. Lots of it. And trouble's the last thing I need, since I'm not exactly from around here. My people arrived on Earth from Lux, a planet thirteen billion light years away. Plus, if there's one thing I know, it's that humans can't be trusted. We scare them. We can do things they only dream about, and honestly, we make them look weak as hell. 'Cuz they are. But Kat is getting to me in ways no one else has, and I can't stop myself from wanting her—or wanting to use my powers to protect her. She makes me weak, and I'm the strongest of our kind, tasked with protecting us all. So this one simple girl...she can mean the end for us. Because the Luxen have an even bigger enemy—the Arum, and I need to stay on my game. Falling for Katy—a human—won't just place her in danger. It could get us all killed, and that's one thing I'll never let happen...

Doglands Tim Willocks 2011-09-27 Furgul is a puppy born in a slave camp for racing greyhounds, and he has a terrible secret--he is himself only part greyhound. When the cruel owner of the camp recognizes Furgul's impure origins he takes Furgul to be killed, but Furgal manages a spectacular escape. Now Furgul must confront the indifference, complexity, warmth, and ferocity of the greater world, a world in which there seem to be two choices: live the comfortable life of a pet and sacrifice freedom or live the life of a free dog, glorious but also dangerous, in which every man will turn his hand against you. In the best tradition of The Call of the Wild and Watership Down, novelist Tim Willocks offers his first tale for young adults, an allegorical examination of human life through a dog's eyes, infused with heart, heroism, and the mysteries of the spirit.

The Mystery of the Yellow Room (Detective Club Crime Classics) Gaston Leroux 2018-08-09 One of the defining novels of the entire crime genre, Gaston Leroux's The Mystery of the Yellow Room has inspired readers and writers including Agatha Christie and John Dickson Carr, and is now republished in hardback in the Detective Club series with a brand new introduction.

The Outliers Kimberly McCreight 2016-05-03 From the New York Times bestselling author of Reconstructing Amelia comes a fast-paced teen series where one girl learns that in a world of intrigue, betrayal, and deeply buried secrets, it is vital to trust your instincts. It all starts with a text: Please, Wylie, I need your help. Wylie hasn't heard from Cassie in over a week, not since their last fight. But that doesn't matter. Cassie's in trouble, so Wylie decides to do what she has done so many times before: save her best friend from herself. This time it's different, though. Instead of telling Wylie where she is, Cassie sends cryptic clues. And instead of having Wylie come by herself, Jasper shows up saying Cassie sent him to help. Trusting the guy who sent Cassie off the rails doesn't feel right, but Wylie has no choice but to ignore her gut instinct and go with him. But figuring out where Cassie is goes from difficult to dangerous, fast. As Wylie and Jasper head farther and farther north into the dense woods of Maine, Wylie struggles to control her growing sense that something is really wrong. What isn't Cassie telling them? And could finding her be only the beginning? In this breakneck tale, New York Times

The Traitor's Kingdom Erin Beaty 2019-07-09 Unlikely alliances are forged and trust is shattered in the stunning conclusion to Erin Beaty's The Traitor's Trilogy--The Traitor's Kingdom. A new queen under threat. An ambassador with a desperate scheme. Two kingdoms with everything to lose. Once a spy and counselor to the throne, Sage Fowler has secured victory for her kingdom at a terrible cost. Now an ambassador representing Demora, Sage is about to face her greatest challenge to avoid a war with a rival kingdom. After an assassination attempt destroys the chance for peace, Sage and her fiancé Major Alex Quinn risk a dangerous plot to reveal the culprit. But the stakes are higher than ever, and in the game of traitors, betrayal is the only certainty. An Imprint Book "Like a PG-13 Game of Thrones...a satisfying and suspenseful end to a solid political fantasy series." —Kirkus Reviews Praise for The Traitor's Ruin "A more YA-friendly Game of Thrones...Recalls classic novels such as Tamora Pierce's Alanna series and Robin McKinley's Blue Sword...should keep readers' appetites whetted for the third installment." —Kirkus Reviews Praise for The Traitor's Kiss "A thrilling tale with an unforgettable heroine and a love story that left me breathless." —Mary E. Pearson, New York Times bestselling author of The Remnant Chronicles and Dance of Thieves

Because It Is My Blood Gabrielle Zevin 2012-09-18 "Every time I think I'm out, they pull me back in."- Michael Corleone, The Godfather Since her release from Liberty Children's Facility, Anya Balanchine is determined to follow the straight and narrow. Unfortunately, her criminal record is making it hard for her to do that. No high school wants her with a gun possession charge on her rap sheet. Plus, all the people in her life have moved on: Natty has skipped two grades at Holy Trinity, Scarlet and Gable seem closer than ever, and even Win is in a new relationship. But when old friends return demanding that certain debts be paid, Anya is thrown right back into the criminal world that she had been determined to escape. It's a journey that will take her across the ocean and straight into the heart of the birthplace of chocolate where her resolve--and her heart--will be tested as never before. *Because It Is My Blood* is the second novel in Gabrielle Zevin's Birthright series.

Light Years Kass Morgan 2018-10-09 Ender's Game meets The 100 at an interstellar military boarding school in a romantic new series from New York Times bestselling author Kass Morgan! Reeling from a devastating attack by a mysterious enemy, the Quatra Fleet Academy is opening its doors to a new class of cadets from every planet in the solar system. Hotshot pilot Vesper dreams of becoming a captain, but when she loses her spot to a wisecracking boy from the wrong side of the asteroid belt, she begins to question everything she thought she knew. Trapped on the toxic planet Deva, Cormak will take any chance he can to join the Academy--even if he has to steal someone's identity to get there. Arran was always an outcast on icy Chetire and is looking for a place to belong. He just never thought it would be in the arms of the hottest guy in the galaxy. And Orelia has infiltrated the fleet to complete a mission, one that threatens the security of everyone around her. But if anyone finds out who she really is, it'll be her life on the line.... As worlds collide at the Academy, these four cadets will have to learn to work together if they want to survive. But how do you begin to trust the very people you've spent a lifetime learning to hate?

In the Age of Love and Chocolate Gabrielle Zevin 2013-10-29 All These Things I've Done, the first novel in the Birthright series, introduced us to timeless heroine Anya Balanchine, a plucky sixteen year old with the heart of a girl and the responsibilities of a grown woman. Now eighteen, life has been more bitter than sweet for Anya. She has lost her parents and her grandmother, and has spent the better part of her high school years in trouble with the law. Perhaps hardest of all, her decision to open a nightclub

with her old nemesis Charles Delacroix has cost Anya her relationship with Win. Still, it is Anya's nature to soldier on. She puts the loss of Win behind her and focuses on her work. Against the odds, the nightclub becomes an enormous success, and Anya feels like she is on her way and that nothing will ever go wrong for her again. But after a terrible misjudgment leaves Anya fighting for her life, she is forced to reckon with her choices and to let people help her for the first time in her life. In the Age of Love and Chocolate is the story of growing up and learning what love really is. It showcases the best of Gabrielle Zevin's writing for young adults: the intricate characterization of *Memoirs of a Teenage Amnesiac* and the big-heartedness of *Elsewhere*. It will make you remember why you loved her writing in the first place.

UV Serge Joncour 2012-05-30 Winner of the Prix Roman France Télévisions On a hot and lazy sun-drenched afternoon, when one affluent family are at their most docile, most vulnerable, most ripe for the picking, a handsome stranger unexpectedly turns up, and lingers poolside. Beyond Apollo Barry Malzberg 2010-06-29 Winner of the first John W. Campbell Memorial Award. "A mind-bending read . . . certainly entertaining, often very funny and very thought-provoking." —Medium A two-man mission to Venus fails and is aborted; when it returns, the Captain is missing and the other astronaut, Harry M. Evans, is unable to explain what has happened. Or, conversely, he has too many explanations; his journal of the expedition—compiled in the mental institution to which NASA has embarrassedly committed him—offers contradictory stories: he murdered the Captain, mad Venusian invaders murdered the Captain, the Captain vanished, no one was murdered and the Captain has returned in Evans's guise. As the explanations pyramid and the supervising psychiatrist's increasingly desperate efforts to get a straight story fail, it becomes apparent that Evans's madness and his inability to explain what happened are expressions of humanity's incompetence at the enormity of space exploration. "Barry Malzberg's dark, bleak vision of the future is one of the most terrifying ever to come out of science fiction." —Robert Silverberg "Beyond Apollo is a masterpiece; a multi-faceted rumination on repression; a virulent critique of the space program and America's obsession with space." —Science Fiction and Other Suspect Ruminations "A light shone through a crystal. The reader never gets to see the crystal or the light, only the resulting refraction . . . a very satisfying work of post-modern science fiction." —Speculiction "Veins of gold . . . a beautiful and heart-breaking book."—Fantasy and Science Fiction "Written with wit . . . the most original and pleasing SF novel of the last five years."—Brian Aldiss, New Review

Everybody Knows Your Name Andrea Seigel 2015-03-10 A romantic comedy with an unforgettable cast of characters (and way more laughs than any episode of American Idol), perfect for fans of Pitch Perfect. Meet Magnolia. Her father's dead, her boyfriend's ditched her to commit himself more fully to surfing, and her mother's depressed because she can't get cast on *The Real Housewives of Orange County*. All Magnolia wants is to reinvent herself. Meet Ford. Half his family is in jail, the other half probably should be, he shoplifted his way into a job at a record store, and his brother pawned his 1953 Telecaster for a quick buck. All Ford wants is to reinvent himself. Ford, meet Magnolia. When the two teens are cast in *Spotlight*, a reality TV singing competition, both see it as their chance to start anew. With each episode, as they live together in a Hollywood Hills mansion and sing their hearts out, Ford and Magnolia fall in love. But how genuine can that love be when a television audience is watching their every move—and when their pasts are catching up to them so much faster than they can run?

The Golden Specific S. E. Grove 2016-06-14 For fans of *The Golden Compass*, this is book two in the *Mapmakers Trilogy* and follow-up to S.E. Grove's stunning debut, *The Glass Sentence* It is the summer of 1892, one year since Sophia Tims and her friend Theo embarked upon the dangerous adventure that rewrote the map of the world. Since their return home to Boston, she has continued searching for clues to her parents' disappearance, combing archives and libraries, grasping at even the most slender leads. Theo has apprenticed himself to an explorer in order to follow those leads across the country—but one after another proves to be a dead end. Then Sophia discovers that a crucial piece of the puzzle exists in a foreign Age. At the same time, Theo discovers that his old life outside the law threatens to destroy the new one he has built with Sophia and her uncle Shadrack. What he and Sophia do not know is that their separate discoveries are intertwined, and that one remarkable person is part of both. There is a city that holds all of the answers—but it cannot be found on any map. Surrounded by plague, it can only be reached by a journey through darkness and chaos, which is at the same time the plague's cure: *The Golden Specific*. "This delicious blend of magic, history, and science will continue to delight fans of

intricate world-building and rich storytelling."—School Library Journal "Readers who have already read the first installment will gladly savor another journey with Sophia and marvel at the worlds they enter. Brilliantly imagined and full of wonder."—Kirkus Reviews

Dearly Departed Lia Habel 2014-10-06 A sharp, slick, blisteringly paced debut novel, with an unconventional but tender love story at its heart. I parted the curtains. A skeletal face peered back at me, blackened eyes rolling in sockets seemingly unsupported by flesh. It smiled... It should be game over for Nora Dearly when she is ambushed and dragged off into the night by the living dead. But this crack unit of teen zombies are the good guys, sent to protect Nora from the real monsters roaming the country and zeroing in on cities to swell their ranks. Can Nora find a way to kill off the evil undead once and for all? Can she trust her protectors to resist their hunger for human flesh? And can she stop herself falling for the noble, sweet, surprisingly attractive, definitely-no-longer-breathing Bram...?

Intimate Death Marie De Hennezel 2009-06-17 How do we learn to die? Most of us spend our lives avoiding that question, but this luminous book--a major best-seller in France--answers it with a directness and eloquence that are nothing less than transforming. As a psychologist in a hospital for the terminally ill in Paris, Marie de Hennezel has spent seven years tending to people who are relinquishing their hold on life. She tells the stories of her patients and their families. de Hennezel teaches us how to turn death--our loved ones' or our own--from something lonely and agonizing into a sacred passage. She discusses the importance of an honest reckoning, the value of ritual, the necessity of touch. In imparting these lessons, *Intimate Death* becomes a guide to living more fully, more intensely, than we had thought possible. "Unique...Of all the books I have read about the endings of our lives, this elegiac testimony has taught me the most."--Sherwin B. Nuland, M.D., author of *How We Die* "The quiet, obvious truths [de Hennezel] discovers in her work--these things have a kind of cumulative power."--Washington Post Book World From the Trade Paperback edition.

Wanderlust Mary Kirchoff 2012-05-15 Stop, Thief! One spring day Tasslehoff Burrfoot comes to Solace, accidentally pockets a copper bracelet, and (forcibly) makes the acquaintance of Tanis Half-Elven and Flint Fireforge. A simple tale. Except that the fate of the entire race of Dargonesti sea elves hangs in the balance. How does this piece of kender-coveted jewelry lead the companions and a sea elf princess to ally with the phaethons, creatures with wings of flame? The answer lies with a mysterious mage, a broker of souls, who knows the bracelet's secret and has a hideous plan to rule the Black Robes. *Wanderlust* is the second exciting installment in the *Dragonlance* saga Meetings Sextet by Steve Winter and Mary Kirchoff, author of *Kendermore* and *Flint, the King*.

Contagion Yves Grevet 2016-11-03 Le virus U4 a décimé 90% de la population mondiale, n'épargnant que quelques adolescents entre 15 et 18 ans et de rares adultes. Koridwen, Jules, Stéphane et Yannis font partie des survivants. Mais ce ne sont pas les seuls. "Je m'appelle Séverine, le monde est ravagé et je crois que je suis enceinte. Je m'appelle Philippe, moi, président de la République française, je n'ai pas

pu sauver ma propre famille. Je m'appelle Nicolas, je suis bloqué en Espagne avec mes potes : tout le pays est mort sauf nous, touristes français. Je m'appelle Happy, j'ai compris bien avant mes maîtres qu'un bouleversement se préparait. Je m'appelle Koridwen, j'ai l'impression d'avoir déjà vécu ça...".

Wilder Girls Rory Power 2019-07-09 A NEW YORK TIMES BESTSELLER! "The perfect kind of story for our current era."—Hypable From the author of *Burn Our Bodies Down*, a feminist Lord of the Flies about three best friends living in quarantine at their island boarding school, and the lengths they go to uncover the truth of their confinement when one disappears. This fresh debut is a mind-bending novel unlike anything you've read before. It's been eighteen months since the Raxter School for Girls was put under quarantine. Since the Tox hit and pulled Hetty's life out from under her. It started slow. First the teachers died one by one. Then it began to infect the students, turning their bodies strange and foreign. Now, cut off from the rest of the world and left to fend for themselves on their island home, the girls don't dare wander outside the school's fence, where the Tox has made the woods wild and dangerous. They wait for the cure they were promised as the Tox seeps into everything. But when Byatt goes missing, Hetty will do anything to find her, even if it means breaking quarantine and braving the horrors that lie beyond the fence. And when she does, Hetty learns that there's more to their story, to their life at Raxter, than she could have ever thought true. And don't miss Rory Power's second novel, *Burn Our Bodies Down*! Praise for *Wilder Girls*: 4 STARRED REVIEWS! "Take *Annihilation*, add a dash of *Contagion*, set it at an all-girls' academy, and you'll arrive at Rory Power's occasionally shocking and always gripping *Wilder Girls*."--Refinery29 "This thrilling saga...is sure to be one of the season's most talked-about books, in any genre."--EW "Fresh and horrible and beautiful....readers will be consumed and altered by *Wilder Girls*."--NPR

La Pandémie en science-fiction Christophe Becker 2021-11-19 Confinements successifs, mise au pas de l'économie, saturation des hôpitaux, pénuries, isolement, augmentation des inégalités intra et internationales : l'apparition du SARS-Cov-2 fin 2019 a engendré un bouleversement sans précédent de l'équilibre mondial. Agissant comme un révélateur, la pandémie de Covid-19 a soulevé des questions essentielles sur notre capacité à "faire société", aussi bien que sur notre rapport à l'écosystème. La science-fiction représente en la matière, et comme bien souvent, un champ de réflexion

particulièrement fécond pour penser la situation contemporaine : aussi le présent volume s'attache-t-il à mettre en lumière le motif de la pandémie dans l'imaginaire science-fictionnel. Du XIXe siècle à nos jours, dans la littérature comme au cinéma, il s'agit d'analyser comment la science-fiction s'empare de ce thème, et permet de penser les différents enjeux d'une épidémie et ses conséquences individuelles et collectives.

The Last Resort Library Irving Finkel 2007 The library is situated, said the short entry in the Guide to British Libraries A-L, in pleasant rolling countryside not too far from Hereford, and is perhaps most readily accessible by private motor vehicle. This statement was quite accurate. Inaccessibility had always been one of the Library's most prized qualities. The Last Resort Library was founded in 1962, and is a forward-looking institution with very much its own sense of mission, it continued. The truth was that the Guide compiler had never heard of the Library himself, but someone had mentioned it to him right at the last minute, and he was improvising while correcting proofs. Researchers should be aware that, despite the size of the Library's holdings, there is no published catalogue of any kind. That's what he had been told, and it seemed only sensible to make a formal note of it. - Prologue

Easy Go Michael Crichton 2013-07-23 A thriller about an Egyptologist's greatest find—and his quest to steal it—from the #1 New York Times–bestselling author of Jurassic Park and The Andromeda Strain. Brilliant Egyptologist Harold Barnaby has discovered a message hidden inside a particularly difficult set of hieroglyphics. It just may lead him to a secret tomb holding the greatest riches of the ancient world. Barnaby could put his name to the most fantastic archaeological find of the century. But he doesn't just want to dig it up. He wants to steal it. With the help of a smuggler, a thief, and an English lord, he plans his heist. They find that tomb raiding is trickier than they thought, and those who steal from dead Egyptians face dangers worse than a mummy's ancient curse. This ebook features an illustrated biography of Michael Crichton including rare images from the author's estate.
